Principal's Report

It's hard to believe we have only one week until the end of Term One. It has been a very busy and productive term with the establishment of a Wellbeing Worker, new tutoring programs in Literacy and Numeracy, as well as our usual extension, intervention, core curriculum program and extra curricula activities. This time last year we were preparing for the possibility of Remote and Flexible Learning and the uncertainty of what lay ahead. We have come a long way, and one year on, we are enjoying the easing of restrictions and enthusiastically preparing for Term Two with the Winter Season of Inter School Sport, Wellbeing programs, excursions planned to complement class Discovery programs and Clubs (with Preps included!) to name just a few of the special activities that will be taking place. We are absolutely committed to achieving the goals in our Annual Improvement Plan for our priorities of Happy Healthy Kids, Learning Achievement- both catch-up and extension, and Building Connections to school.

I'd like to thank our committed staff who have worked tirelessly to achieve the best outcomes for our students, Parents and Friends who continue to raise funds for school resources, our volunteers who generously give their time and our families who support our school in so many ways. Your children are the beneficiaries of everyone's collective efforts.

Wellbeing Programs

Robyn has been with us for only a fortnight, however she has already got to know many of the children and become a familiar presence in classrooms. Robyn has started a Breakfast Club on Wednesday mornings, lunchtime program on Mondays and contacted agencies who may be able to provide additional support for families. Robyn also has begun the Seasons for Growth program which offers children and young people a safe space to come together, and share their experiences of change and loss.

Beginning next Monday from 2:30 – 3pm, Robyn is going to run Cuppa Club for parents/carers to enjoy a cup of tea or coffee before assembly is held at 3pm. This will be served from the canteen and all family members are welcome.

Cooperation **A**chievement **R**espect **E**mpathy

Easter Festivities

Next Thursday 1st April, we'll have our much anticipated Easter activities. Commencing at 9:10am we'll have the Easter Hat parade which will be followed by class Easter races and the famous Grade 6 'Egg Toss'. We'll finish the festivities with a whole school Easter Egg Hunt. Events such as these make long lasting and powerful memories that stay with children for much of their lives. Everyone in the community is welcome to come along and share the joy of the morning.

Road Safety and Street Parking

Student safety is extremely important to us at Greensborough Primary and I have been advised that several cars are illegally parking across the school crossing in Lorimer Street. This practice reduces drivers' capacity to see our students wanting to cross the road and also students' capacity to see cars approaching. I urge all school families to park safely, keep our students safe and avoid incurring a fine from Banyule Council Parking Officers.

Buildings and Grounds

We were pleased to hear this week that our application for a \$5000 maintenance grant from DET to demolish the existing spoon drain outside the Grade 5/6 classroom, remove debris and replace the spoon drain was successful. The grant doesn't cover the total costs however we will cover the remainder from our maintenance budget. Replacement of this drain has been on our 'bucket list' for some time and we are happy that rainwater will no longer form large puddles near the classroom door.

We have also planned to replace the air conditioning unit that services the Grade 3/4 area and Curiosity Corner. This is part of our rollout to replace one of our aging evaporative units each year. Both tasks will be completed in the school holidays so the teaching and learning programs of the students will be unaffected.

Cosy Coop – Chicken Update

We are looking forward to chickens returning to Cosy Coop in Term Two! At the end of last year, the large tree that provided shade for the chicken coop had to be felled and we made a decision not to replace the chickens over the hot summer. Early this term Wayne and Geoff placed a sun shade sail over the top of the coop in preparation for the chickens return. One of our families has offered to donate some pullets for us, so when they're of a suitable age, we'll settle them into Cosy Coop. Our Grade 3/4 monitors greatly enjoy taking care of both our chickens and our rabbits and we appreciate the benefits of having our animals at school.

This is our last newsletter of the term. Any information to be sent home next week will be sent via COMPASS. I am currently on Long service Leave for the last 3 days of this week and Margaret is Acting Principal in my absence. Students will be dismissed at 1:30 on the last day of term, Thursday 1st April, after an assembly at 1:15pm.

Angela Morrìt

Principal

2022 Prep Enrolments

If any families have siblings of current students who are starting school next year, please contact Mehgan at the office and lodge an enrolment form. If families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible. We have already had a number of enquiries and school tours for places in 2022 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Curriculum Days

Our remaining Curriculum Days for 2021 dates will be held on the dates below:

- Friday 14th May: Assessment and Reporting
- Monday 1st November: Assessment and Reporting

Families who wish to use OSHClub on these dates are advised to contact them as soon as possible, as they will only operate if there are sufficient numbers to make the service viable.

CSEF

Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 03 9435 1496 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page. Please use the link below:

<https://www2.education.vic.gov.au/pal/camps-sports-and-excursions-fund/resources>

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

Premiers' Reading Challenge

In Term 2 the students of Greensborough Primary School will be taking part in the Premier's Reading Challenge. The Challenge encourages children and students from birth to year 10 to read a set number of books over the year and record their efforts online. Since the Challenge first began in 2005, more than 3 million students have read nearly 50 million books.

Mini Meteorologists

Safe to say the weather has been a little **wacky** of late!

There is an old belief that a simple flutter of a butterfly's wings can cause a tornado....

If a little butterfly can cause such extremes in the weather, imagine what 45 Grade 3/4 students creating tornadoes, rainclouds, wind gauges and being 'Mini Meteorologists' inside their classrooms may have caused!

Well done to all Grade 3/4s for being excellent discoverers! We have been very impressed by your knowledge and enthusiasm for learning and willingness to work so well together!

From *Rebecca Gauci*
& *Jesse Stephens*

Library News

Just a reminder that as the holidays approach could all overdue books please be returned to the library. Books can be placed in the green tub outside of the library or in the class returns tub. This includes children in the middle and senior grades who have been borrowing with their teachers.

There are also children who have not yet returned books from last year. I have sent reminder notes home but if you are unable to find them, the school policy is that you contribute 50% towards the cost of the book. Please contact me if you would like to discuss these lost books with me.

SOMETHING FOR THE HOLIDAYS

The State Library of Victoria is so worth a visit and it's free!

The Pauline Gandel Children's Quarter, supported by Gandel Philanthropy, is a free, purpose-built space for children aged up to 12 years (and their parents and carers) to read, learn and play, with an associated program of activities. The space spans two floors and features a two-storey children's castle: the top floor is designed for kids aged 8 to 12 years, and the lower level caters for younger children.

You'll also find reading nooks, a play space and a browsing collection of more than 4000 children's books, including Braille books and books in languages other than English. Zoned areas have been designed to cater for children as they grow and develop, with specific areas and activities targeted towards babies, toddlers, pre-schoolers, primary schoolers and pre-teens.

To cater for your family's comfort, you are permitted to bring food and drink for babies and toddlers into this area. There's also a private family room with breastfeeding and baby change facilities, toilets for both children and adults, and space to park prams.

State Library of Victoria – Free event

During the school holidays there is a special presentation and workshop with award-winning author and artist, **Gabrielle Wang!** Gabrielle combines her love of adventure and the supernatural with her Chinese heritage to craft spellbinding tales and illustrations. She is the author of the highly acclaimed books 'Ting Ting the ghosthunter' and 'A ghost in my suitcase books'.

Both events will include a creative illustration workshop:

- **7 April 2021 at 11 – 11:45am:** Workshop for children 5 – 7 years, Conversation Quarter
Gabrielle takes children on a storytelling race for the Chinese zodiac.
- **7 April 2021 at 1 – 2pm:** Workshop for children 8 – 12 years, Conversation Quarter
Gabrielle shares the magic of her books, what life as an author is like and what sparked her love of ghosts.

Please note: Booking essential – <https://gabriellewang.com/childrens-storytelling-workshop-at-the-state-library-of-victoria-during-the-school-holidays/> One parent or carer must attend with their child/children for the duration of the onsite program. For families with siblings across both age ranges, we suggest booking the second session if attending both is not feasible.

Enjoy your reading over the school holidays.

Jen Farley

Librarian

Interschool Sport Report-

Rounds 4 – 7

Last week was the last round for Summer Interschool Sports. The students in Grades 4 – 6 enjoyed playing their sports and it was great to see some wins on the board for GPS.

We are looking forward to Winter Interschool Sports and the students have already been allocated into teams- AFL, Soccer, Netball and Softball. The first round is the first Friday of Term Two.

All Summer ISS sports tops (basketball and cricket) need to be washed and returned to school before the end of Term One.

The Round 4 vs Bundoora – results were:

Basketball: Boys: 16 – 3 (GPS won)
Girls: 4 – 22 (Bundoora won)

Cricket: 19 – 34 (Bundoora won)

Bat Tennis: Boys: 5 – 36 (Bundoora won)
Girls: 3 – 36 (Bundoora won)

Rounders: 10 – 7 (GPS won)

Round 5 was a *BYE* round

Round 6 vs Norris Bank – results were:

Basketball: Boys 22 – 4 (GPS won)
Girls: 19 – 11 (GPS won)

Bat Tennis: Boys 18 – 26 (NB won)
Girls: 20 – 22 (NB won)

Norris Bank did not have Cricket or Rounders teams.

Round 7 vs St Marys – results were:

Basketball: Boys 23 – 10 (GPS won)
Girls: 6 – 39 (St Mary's won)

Cricket: 32 – 51 (St Mary's won)

Bat Tennis: Boys 14 – 30 (St Mary's won)
Girls: 11 – 31 (St Mary's won)

Rounders: 2 – 24 (St Mary's won)

Daniela Darling
Sports Coordinator

From the Art room...

FUN WITH CLAY

Grade 1 & 2 students have enjoyed using their hands and various tools to create shapes and textures with clay. They even made their favourite pizza using clay!

Ken Done

EXPLORATION

Exploring the theme of 'Summer', Grade 1 & 2 students having been looking at the artwork of Australian artist, Ken Done. Throughout this project, they enjoyed using a myriad of bright colours to explore Australian icons such as the Barrier Reef, the beach, Sydney Harbour Bridge and Sydney Opera House.

ART & CRAFT CLUB

During our first session, students voted on what they'd like to do each week. Drawing was a popular choice, as well as construction and sewing. Everyone can be very proud of these beautiful starburst patterns stitched on to hessian using wool. Many thanks to our parent helper, Jessica who volunteered to assist in Art & Craft Club!

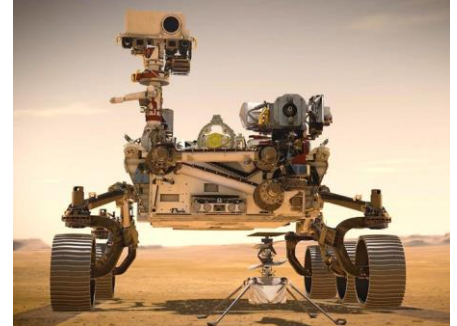

Janet Troy

Art Teacher

Cooperation **A**chievement **R**espect **E**mpathy

Last week in STEM we wrapped up our investigation into the Solar System and Space after the students become very excited and interested in the Mars Rover landing. Over the last few weeks we have been investigating the rover (Perseverance) and what it would be like to live on Mars. With this knowledge, students designed a house and/or a Rover that would survive the Martian environment. We then extended our research to the solar system and explored the features of different planets and discovered lots of interesting facts about Space.

Following this unit we did an activity on senses and what it was like to be without sight for 10 minutes. Students completed different activities blindfolded and assisted by a friend, including guessing what different objects were and completing an obstacle course.

This week we did the experiment many students have been asking for since the first week of Term. Mentos in a Coke Bottle! It was very exciting to make predictions and observations and compare normal coke to no sugar coke and discover the reasons behind the reaction.

Samantha Steer

STUDENT WELL-BEING

Hi Everyone, I am the new Student Wellbeing worker. I have lived in the Greensborough area for 30+ years and am married with two adult children. I have worked and volunteered in schools for many years, including volunteering at Greensborough Primary for about 20 years, currently in my 16th year as coordinator of the Kids Hope mentoring program! So I am quite familiar with the Greensborough community.

It is a privilege to now become a regular team member at Greensborough Primary School! I have worked in Student Wellbeing for a numbers of years and love aiming to make a difference in the lives of young children and their families.

I have enjoyed spending the last couple of weeks getting to know students and staff, visiting classrooms, and the occasional chat with a parent, running a Wednesday Breakfast Club and enjoying Monday lunchtime games. My office faces the Prep room and our very friendly Preps are always eager to say hi or wave through the office window, often several times a day!

If you would like to chat about any issues or concerns you may have about your child or children, or if there is something that I may be able to assist you or your family with, please contact the school so we can arrange a time together.

I will be putting what I hope will be helpful articles in the fortnightly school newsletter as we work together to help our students become the best they can be.

If you see me around please introduce yourself and I look forward to working together.

I hope that you and your family have a special Easter time together, and a safe and relaxing holiday time.

Robyn Mulholland

Student Wellbeing
Mondays & Wednesdays

Grade 3 – 6 Animal Club Fundraiser

The students in Animal Club love animals and really wanted to make a difference through supporting animal conservation.

We did some research and found a fundraiser through Zoos Victoria called 'Common Cents' that helped boost the numbers of the endangered Eastern Barred Bandicoot.

Did you know at birth the Eastern Barred Bandicoot is the size of a 5 cent coin?

Through the collection of five cent coins and two dollar coins, we were able to raise a grant total of \$101.70!

Thanks to everyone who supported this fundraiser.

Daniela Darling

and **Animal Club Members**

PATHS

Kids of the Week

Every Monday moving forward we are going to announce the 'PATHS kid' for each class at Assembly. This will allow the school community to acknowledge them and give each one a compliment.

Congratulations to Billy, Hugo, Drew, Zoe, Mounina, Roxana and Kaitlyn for being our PATHS kids this week. We look forward to developing better relationships and celebrating our differences and what makes us individual during our PATHS sessions this year.

Laura Tillotson

JSC News

The JSC have been hard at work fundraising this term and have raised a total of \$600 for our school so far. To encourage Student Voice, our JSC Representatives have been collecting fundraising ideas from their fellow classmates. This Tuesday, we met to decide how to best use these funds and talk about future fundraising events. There were many fantastic suggestions and discussions which we will share with you once finalised. A special thank you to our JSC Presidents, Alysha and Lolita, for giving up part of their lunchtime to assist Mrs Grima in the purchasing of icy-poles from Woolworths.

JSC Community Donation

One of our past students, Ella F, is participating in the World's Greatest Shave. Ella will be cutting her hair today, March 25th, to help beat blood cancer for the Leukaemia Foundation. Greensborough Primary School will be donating \$50 for the Leukaemia Foundation for Ella's mission and wish her all the best in her fundraising efforts. Well done, Ella!

GOOD FRIDAY APPEAL – Free Dress Day

The JSC have organised a **FREE DRESS DAY** for **WEDNESDAY 31ST MARCH** to raise funds for the GOOD FRIDAY APPEAL. The Good Friday Appeal is dedicated to raising money for Royal Children's Hospital in Melbourne so that they can continue to provide world class care to our most vulnerable children. If you choose to come to school in free dress, we ask you to bring in a GOLD COIN DONATION to go towards this cause.

Fundraising Goal

We have set ourselves a fundraising goal of \$2,000 for the year. We will be setting up a 'Fundraising Thermometer' in the office foyer that we will update after each fundraiser. We thank you for your ongoing support and generosity, and look forward to bringing you many more FUN-draising events throughout the year.

Warm regards,

The *Junior School Councillors* and *Maria Grima*

Pupil of the Week

Term 1 ~ Week 7

Prep	<i>Laura</i>	For trying her best and working so well during writing. Great Work!
Grade 1/2A	<i>Lachie G</i>	For writing an excellent procedure during Big Write this week.
Grade 1/2 B	<i>Sofian</i>	For the detailed prediction he made during a story.
Grade 3/4 A	<i>Kobe</i>	For his emotive language in his persuasive text 'Friends Sit Together'.
Grade 3/4 B	<i>Olivia</i>	For an outstanding persuasive about the reasons why everyone should learn about birds! Well done!
Grade 5/6 A	<i>Lolita</i>	For demonstrating great leadership skills. Keep it up!
Grade 5/6 B	<i>Alysha</i>	For her outstanding JSC Leadership. Keep it up!
Art	<i>Ella F Prep</i>	For great work with her first ever sewing in Art and Craft Club.
Chinese	<i>Joel L 34A</i>	For his fabulous work and efforts in learning to tell the Chinese dates with an excellent behaviour.
Library	<i>All the Prep Grade</i>	A wonderful start to the year and a massive congratulations as everyone returned all their library books that were borrowed last week!!

Term 1 ~ Week 8

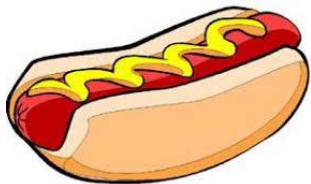

Prep	<i>Billie G</i>	For always working so hard during reading. Keep up the great work!
Grade 1/2A	<i>Pehar</i>	For always putting in her very best effort! Keep it up.
Grade 1/2 B	<i>Nikitta</i>	For working so hard to improve her writing. Keep up the hard work!
Grade 3/4 A	<i>Zoe C</i>	For her precision shown when plotting her data on the comparative graph during Applied Maths.
Grade 3/4 B	<i>Hugo F</i>	For your enthusiasm and creativity during Writing sessions. Keep it up!
Grade 5/6 A	<i>Holly S</i>	For her excellent achievement on her South Australian Spelling Test!
Grade 5/6 B	<i>Aiden L</i>	For his critical analysis of his persuasive text and his ability to up-level his writing.
Art	<i>Philippa</i>	For always demonstrating our school values and doing outstanding work in Art.
PE	<i>Brad G & Darcy 56A</i>	For excellent pair work during tennis volleys and rallies. Well done!

Parents & Friends

Hotdog Food Day

Wednesday 31st March 2021

Orders due back Monday 29th March 2021

We are having a hotdog food day on Wednesday 31st of March. Order forms have been sent home already, however extra forms are available up at the office. All orders need to be back by Monday 29th to allow our volunteers time to purchase items for Wednesday.

Easter Raffle

Last day of term – 1st April 2021

Thank you to the families who have donated items for our Easter Raffle. We have over 12 prizes up for grabs, including a hamper donated by Hahndorfs Chocolates Greensborough (Level 3 at the Plaza).

Tickets are due back by **Thursday 1st April** and are \$1 each or 12 for \$10.

Our hampers are on display up in the office. Ticket forms are available up at the office as well.

Hot Cross buns –

Orders due back Wed 24th March 2021

Orders sent home Mon 29th March

This year we will be selling Baker's Delight Hot Cross buns as our fundraiser. We sell these for the same price as in store however each pack sold raises \$1.50 for our school. Order forms have been sent home, however extra ones are available at the office – please return orders by Wednesday 24th March (EFT payments can be made at the office).

Hot Cross buns will be ready to collect Monday 29th of March and will be sent home with your child.

Bunning's BBQ (Eltham)

Saturday 15th May 2021 – save the date!!

Our school has received a date to hold a BBQ at Bunnings Eltham. This is a fantastic fundraiser for the school, in the past we raised around \$1000 just from this one day. We will be needing volunteers to help assist with this event on the day (sign up form to be sent out next term).

Entertainments Books

Entertainment Books are once again being sold by the school as a fundraiser. To purchase one, head to <https://au.entdigital.net/orderbooks/189481>

Thankyou,

Kim Hill

On behalf of P&F
