Principal's Report

At last, the 'light at the end of the tunnel' is definitely in view! We are very pleased that our students will be returning onsite in the coming weeks and our classrooms and playgrounds will once again resonate with the sounds of our students working and playing together. We're confident that the majority of students will settle quickly back into school routines, however we will continue to work closely with families if any students require additional support. Our priorities of student wellbeing, engagement and learning remain our priorities for Term 4, and we'll be supporting students who need to 'catch up', as well as continuing to extend the learning of students who have made expected gains.

The 'Roadmap', which is based on advice from the Victorian Chief Health Officer, sets out the staged return to onsite learning in Term 4, with the plan being that all students return onsite by Friday 5 November. For our school, this means that the arrangements below will be in place. Remote and flexible learning will be delivered to students on the days they are not onsite.

GRADE OR YEAR LEVEL	DATE OF RETURN	DAYS OF WEEK
Prep	Monday 18 th Oct	Mon – Wednesday
Gr 1/2	Thursday 21 st Oct	Thurs – Friday
Gr 3/4	Tuesday 26 th Oct	Tues – Wednesday
Gr 5/6	Thursday 28 th Oct	Thurs – Friday
All students	Friday 5 th November	Monday – Friday

Home Learning Packs Drop Off and Collection

Next week's Home Learning Packs can be collected tomorrow, Friday 8th October between 2.30pm – 3.30pm and this week's Home Learning Packs can be returned. We will have 3 gates open for ease of entry and exit for family members.

Thank you to everyone who supported the Graduation Raffle at the end of Term 3. This raffle raised an additional \$180 for our Grade Six students and was won by the Fatouros family. We are having the fourth and final raffle this Friday, so please bring along your gold coins for this fundraising effort.

Curriculum Programs

We were very excited this week when one of our ex-students, Daniel Mason, met with our Grade 3 – 6 students online to discuss his journey to become Australia's Barefoot Ninja Champion. Later in this newsletter, Jesse Stephens has shared the highlights of this event and we thank him for organising this great opportunity for our students to talk about setting and achieving goals.

The Life Education Van and Harold have been rescheduled to 2022 as we are unable to have incursions this Term. Fortunately, Life Ed has made digital resources available to teachers and we're looking forward to welcoming Harold back to GPS early in 2022.

Book Week is a highlight of our school year and Jen Farley has once again rescheduled activities to ensure we're able to enjoy this event together. The Book Fair, Multi-Age Day and Parade will be held in Week 8, commencing Monday 22nd November 2021.

Victorian High-Ability Program

Congratulations to Aiden L, and Sienna W for their successful completion of the Victorian High-Ability Program for Term 3. This was their second time participating in the program, completing the Primary English course over 10 weeks virtually. At GPS, we are so proud of their achievement and commitment to the program throughout Remote Learning. They will each receive a certificate in their next learning pack. Well done!

For Term 4, we are proud to announce that Alysha will be taking part in the Primary Mathematics course which started this week. We wish Alysha all the best with the program and we're looking forward to hearing all about it.

Return To School Protocols

At our current stage in the Government roadmap, we remain unable to have parents or volunteers onsite when students return, so we ask parents to “kiss and drop” at the gates and staff members will assist younger students to go to their classrooms if required. Parents are also asked to avoid congregating at the gates during drop-off and pickup times. Staff will wait with students for parents to collect them after school. We will have 3 gates open: 1 in Horonda St, Lorimer St (near the cricket nets) and on the top corner near the Heritage Building – please make sure your child knows the gate you will collect them from.

Students will continue to use hand sanitiser when entering classrooms and in line with advice regarding ventilation, doors and windows will remain open as much as possible. We ask parents to ensure that students have clothing suitable for the weather, given that rooms will be open for increased airflow.

At this stage external allied health professionals are not allowed onsite, however if the guidelines change, we will advise families and, as we have done in the past, and we'll provide a dedicated space for Occupational Therapists, Speech Pathologists and Psychologists to work with the students they see.

2022 Grade Planning

While we're in the midst of planning for students' return this term, the planning for 2022 continues. In the next few weeks, teachers will ask students to nominate friendship groups so we can begin the process of allocating students to their 2022 grades. We understand this may seem strange for families, when students have not been with their friends on-site, however this is a very lengthy process, and we need this information to assist us with our planning. The process also includes teachers' consideration of students' friendship groups, school data on academic abilities and needs, and parent input on specific requests for their children.

We will be finalising grades by the end of October, so we can begin handover of student information from this year's teacher to next. Therefore, if parents or caregivers have any specific requests for next year it's very important that you send in your requests via email, phone, handwritten note or in person, to the office, Margaret or myself **by Friday October 22nd** and this can be factored into decision making. Based on current information, next year's classroom teachers will be the same as 2021.

Notification of 2022 grades will be sent home with reports on Friday December 10th and students will meet their 2022 teachers and spend the morning with them on Tuesday 14th December.

PROGRAM	STAFFING
Prep	Darhian Jones
Grade 1/2 A	Claire Storey 0.5 & Alison Gibson 0.5
Grade 1/2 B	Laura Tillotson
Grade 3/4 A	Rebecca Gauci
Grade 3/4 B	Jesse Stephens
Grade 5/6 A	Maria Grima
Grade 5/6 B	Erin Donaldson

We are making every effort to ensure successful transitions for children moving from kindergarten into Prep and the Grade 6s moving into Year 7. We're planning for Prep transition sessions and Graduation and more information will be sent to families when we receive updated advice from DET.

Curriculum Day: Monday 1st November

When students return, teachers will be working closely to re-engage them and also completing Literacy and Numeracy assessments to determine their current achievement levels and using the information to drive their planning and determine students' needs for the rest of the year. Teachers have been gathering assessment data as best they can whilst we've been in Remote Learning, however when students return teachers will need to gather further reliable assessment data, analyse it, and write reports. This year, more than any other, the Curriculum Day on the Monday before Cup Day is essential for teachers to come together to moderate students' work samples, analyse students' assessment tasks and begin to write Semester Two reports.

We have not received any advice from DET as to whether this year's reports will be in a modified format due to Remote and Flexible Learning. If there are changes to our usual report structure, we will inform parents. Teachers will make judgements on student achievement based on the work and assessments completed during Remote Learning and also assessments conducted in the coming weeks when students are back on-site.

SunSmart

A reminder that when students return on-site in the coming weeks, they'll be required to wear their hats for outdoor activities, this includes recess, lunch and Physical Education lessons. (*From September 1st – April 30th is when the average UV alert is 3 and above.*) Please check your children's school bags or wardrobes for hats. (School hats are available at the office for \$11.00.)

I sincerely hope families were able to have some much-deserved rest and relaxation over the break after your tremendous efforts to support Home Learning last Term. We were pleased that the flowers given to families and the Holiday Surprise bags for students in recognition and appreciation of your efforts, brought some joy on the last day of term.

We're looking forward to having a terrific fourth Term and celebrating our students' achievements together as soon as the roadmap allows.

Angela Morrìt

Principal

2022 PARENT PAYMENT PLAN

Dear Parents,

On Friday details will be sent out via COMPASS of the 2022 Parent Payment Plan which has been drawn up under the guidelines of the Department's new Parent Payment Policy.

The information that will be sent home is pretty self-explanatory but the main changes from the Greensborough Primary perspective are:

- The school can no longer order student resources on behalf of parents, but parents are able to order student learning packs directly from the supplier for delivery to school. There will be details of this process in the information pack.
- Families paid \$48 as part of the 2021 Subject contributions for the cost of the Footstep Dance incursions and bus costs for the concert. As this has not been able to proceed, for Grades Prep - 5 these funds will be rolled over to cover Footsteps next year and for 2021 Grade 6 students this will cover the cost of Graduation (*any Grade 6 families who have not yet paid the 2021 Subject Contributions will need to pay the Graduation costs*)
- Families paid \$16.50 as part of the 2021 Subject Contributions for the Life Education program. As this has not been able to proceed, for Grades Prep - 5 these funds will be rolled over to cover Life Education next year and for 2021 Grade 6 students this will cover the cost of Graduation Bears (*any Grade 6 families who have not yet paid the 2021 Subject Contributions will need to pay the Graduation Bear costs if they would like to purchase one*)

The booklist items purchase from Rapid Office Supplies do not include the individual student Spelling Mastery books however, due to some investigation on Mr Stephen's part we have been able to access these books for 2022 at a reduced price and the school will have these ready for 2022. If we are unable to do this again next year the books may be another additional item to be included on lists.

It is unfortunate that, at a time when there is already so much change happening around us, that we have had to implement these changed protocols right now, but we have done the best we can to make the process streamlined and easy to understand.

After you receive the information packs on Friday, please do not hesitate to contact the school if you have any queries or require further clarification.

Camp Weekaway 3 - 6

2022 Camp Information Evening

Dear Parents/Carers,

Due to COVID restrictions, the annual Camp Information evening will now be a recorded presentation and parents of future campers are all invited to attend. The **Camp Weekaway Information Evening** will be available to view on **Monday 11th October from 3:30pm**, and the link will be provided via **Compass**. This will be a fantastic opportunity to learn all about what to expect for your child at **Camp Weekaway 2022** including: location; supervision information; activities; catering and diet; medical information; departure and return dates and times.

Viewing is not mandatory, but highly recommended – *especially* for our future Grade 3 cohort who will be attending their very first camp!

If you still have any questions or specific queries after the presentation, there will be an attached FAQ found on Compass. If you still would like to discuss any questions or queries, please do not hesitate to email **Mr Jesse Stephens** (Camp Coordinator) via Compass or contact the school on 9435 1496.

After the information evening you will have the opportunity to secure your child a place for **Camp Weekaway 2022!** To ensure this takes place, you will be asked to complete an **Expression of Interest** as well as pay a **\$50 deposit** on **Compass**.

I look forward to organising a fun filled camp for our students, teachers and camp helpers. It promises to be an extremely exciting one!

Kind Regards,

Mr Jesse Stephens

Camp Coordinator

Library News

Book Week

Due to the current lockdown our Book Week has been moved to Week 8 of Term 4, starting on Tuesday 23rd November. I will send a flyer home later in Term 4 outlining our events and information about the Book Fair.

I'm **really, really, really** looking forward to celebrating Book Week, including seeing all our children and staff dressed up as their favourite characters and book titles.

As a part of our Book Week, we hold a competition. The competition is open to all children in the school. There is a Book Fair voucher of \$10.00 for the winner in each grade level.

Competition Competition Competition

Capture a wacky, weird or wonderful reading position

What do I do?

Take a photo of your own unique way of reading. In a pool, with a pet, upside down... the only limit is your imagination, your **safety** and **Covid restrictions**. Upload a photo of your Reading Spot to Library Seesaw. Deadline for all entries by Monday November 15th.

Winners will be announced on Wednesday 24th November.

Borrowing and Returns

Please feel free to return any outstanding books that your children have at home when you pick up your home learning packs. If you require more books at home for your children, please contact me via Compass. I am at school on Wednesdays and Thursday mornings.

State Library of Victoria

The State Library of Victoria, although closed, is offering some excellent programs for pre-schoolers.

Playdate

Join the experts every Wednesday morning for a free and invigorating learning session for pre-schoolers. **Science for Pre-schoolers** explores the wonderful world of science, with mind-boggling experiments and ideas for further investigations at home. Delving deeper into physical chemistry and life sciences, this is the perfect program for inquisitive minds!

Dates: 6 October 2021 - 24 November 2021 from 10:30am -11:30am

Storytime

Share the delight of stories, songs, and picture books with your pre-schooler! Stories and picture books are suitable for children aged five and under.

Dates: 4th October 2021 - 29th November 2021, 11.00 am -12.00pm

Happy reading

Jen Farley

Teacher Librarian

JSC & ICY-POLES

We are looking forward to returning to school next term and to see all of you again! Upon our return, and provided we are allowed to, the JSC will recommence the selling of icy-poles every Friday lunchtime to continue our fundraising efforts to achieve our goal for this year! 😊

Hope you are all staying safe.

From the *Junior School Councillors & Mrs Grima*

2021 APSMO MATHS GAMES

Victorian High-Ability Program

Throughout 2021, Greensborough Primary School has been fortunate to have several high-ability students chosen to take part in the Victorian High-Ability Program (VHAP). This program focuses on tasks that stimulate students' critical thinking, problem solving and creativity – enriching their understanding of English and Mathematics. Students will be pushed out of their learning comfort zone. This program selects students based on their academic results and only a small percentage from the state are included each term.

Sienna W and Aiden completed the 10 week virtual Primary English program in Term 3. They continued their commitment through remote learning and worked hard to complete the program. Congratulations to Sienna W and Aiden for doing a great job with the program.

Congratulations to Alysha who has been chosen to take part in the Term 4 Primary Mathematics program: Patterns (From Symbols to Secrets). This course will encourage students to discover that mathematics is not about 'getting to the answer', by demonstrating there are often multiple solutions and multiple strategies. Students will explore concepts that are not usually covered in the primary mathematics curriculum, such as number patterns, alternative numeral systems and cryptography. They will be pushed to view mathematics as a process of exploration, and encouraged to ask questions, make conjectures, and test ideas.

Daniela Darling

High-Ability Practice Leader

Live PE classes

Term 4 – Weeks 1 and 2

There has been a timetable change for the live PE classes for Weeks 1 and 2.

P - 2: Thursday 12.30-1pm

Google Meet Code: P12gps

3 - 6: Friday 12.30-1pm

Google Meet Code: 3456gps

Greensborough Ninja Warrior

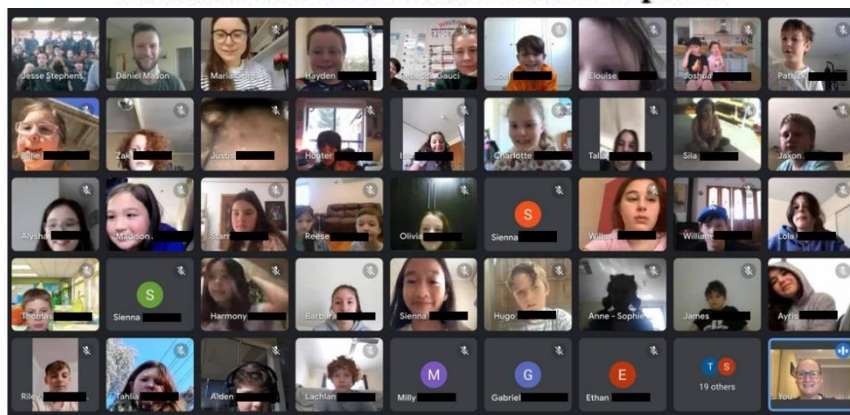

What an awesome occasion for students in Grades 3-6 to welcome the Australian Barefoot Ninja to our school... well.... back to our school - virtually!

The Barefoot Ninja is a past student of G.P.S. and gave an amazing presentation about working through challenges, failures and setting goals to achieve great things!

He shared with us that keeping fit and healthy is good for body and mind and it is so simple to do! From simple body movements such as jumps and handstands, to seeing play equipment in new and creative ways and designing challenges and courses, we can all become a Ninja Warrior in our own homes, down the park and at school!

Well done to students for asking some great questions and engaging with the incursion with enthusiasm and respect!

Stay tuned to SeeSaw for the Greensborough Ninja Warrior Competition!

2022 Prep Enrolments

We are finalising enrolments for our Prep 2022 class so if you know anyone who is coming to Greensborough Primary next year, please advise them to register their details as soon as possible, (this includes siblings of current students).

STUDENT WELL-BEING

Hi Everyone,

I sincerely hope that you and your family have benefitted from some down time over the last two weeks, taking advantage of the outdoors whenever possible. It is always a pleasure to bump into some of our students while I have been out and about. On one occasion I greeted the Fatouros family out on a bike ride.

I have prepared my vegie patch for planting soon.

My son is currently working interstate so guess who is now looking after his very active, sometimes defiant, 15 month old border collie during his nearly three month absence – Peter and I are so 'lucky'! Actually, we are doggy people, and he is so cute! Say 'hi' is you see us on our neighbourhood walks.

A shout out to the school staff who will be navigating onsite learning and a staggered start over a number of weeks. Families will also be navigating this. A great way to ease the students back into school may be to help them to plan how they are going to greet and play with their friends and planning ways to show appreciation to their teachers for all they have and continue to do.

As for us parents, we can help our children by managing our own emotions. If a parent feels anxious about dropping off, the child may pick up on that and may see the situation as anxiety-provoking. But if a parent is really relaxed, the child will model that.

And remember, our children are often more capable than we think. We underestimate how resilient kids are and how easily they can adapt. Once kids are back with their friends and back with the teacher, they should settle back in, although some kids may take a little longer.

I am looking forward to welcoming ALL our students back over the next month. I will have more to say about preparing our students for their return in the next newsletter.

So, take care and continue to reach out.

Take care & stay well!

Robyn Mulholland

Student Wellbeing – Mondays 10:00am to 3:00pm & Wednesdays 8:30am to 1:30pm

Pupil of the Week

Term 3 ~ Week 9

Prep	Patrick H	For an excellent start to his time at Greensborough Primary School, you have done an amazing job settling in and making new friends!
Grade 1/2A	Fatima	For adding valuable contributions to our class meetings. Keep up the great work Fatima.
Grade 1/2 B	Isaac K	For listening and using feedback to improve his work. Keep it up!
Grade 3/4 A	Ethan	For his wonderful responses to questions about the text 'Max's Good Habit' in our Google Meet Guided Reading session.
Grade 3/4 B	Lachie H	For winning our Kahootz Quiz on Australian History! Well done!
Grade 5/6 A	Ayris	For responding to feedback on Seesaw and always sending her teacher positive comments 😊
Grade 5/6 B	Aiden L	For an outstanding video presentation about gravity.
PE	Taegan 56B	For her commitment to staying active and healthy during Remote Learning. Well done!
Library	Jacob B 12B	For suggesting some new fiction books to buy for the library – which I did - and he has really enjoyed them!
Library	Lily Prep	For her commitment to Home Reading and borrowing lots of books during Remote Learning.

Term 3 ~ Week 10

Prep	Kareem	For fantastic participation in Home Learning in Term 3.
Grade 1/2A	Jasper	For his amazing effort you have made with Remote Learning this term.
Grade 1/2 B	Malachai	For attending his Google Meets and demonstrating good listening skills when others were talking
Grade 3/4 A	All 3/4 A&B Students	For all Grade 3 & 4 students who successfully wrote and presented their 'notable' projects. Amazing work Grades 3/4!
Grade 3/4 B		
Grade 5/6 A	All 5/6A	All the 5/6s for a fantastic term 3 in Remote Learning. You are all STARS!
Grade 5/6 B	Kayleigh	For her outstanding effort with her Information Report Video. It was informative, creative and engaging, keep it up!
PE	Laura	Her enthusiastic participation during the live Prep to Grade 2 sessions, well done!

Cooperation Achievement Respect Empathy

Premiers' Reading Challenge

The 2021 Premiers' Reading Challenge has drawn to a close and the following students have completed this challenge with great enthusiasm and dedication.

Prep: Eva, Billie, Victor, Mary, Shyamala and Lily.

1/2A: Jay, Lachie G, Evelyn, Lola M, Tomas R and Lizzie.

1/2B: Jacob, Nikitta, Stirling, Isaac W, Jackson C, and Anjali.

3/4A: Maisie, Elouise, Charlotte, Joel J, Vanessa, Zoe C, Matthew and Hunter.

3/4B: Bella, Hugo F, Liam S, Thomas H, Tahlia F, Patrick D, Justis, Joshua and Lachie H.

5/6A: Sienna F and Sienna N.

5/6B: Aiden L, Sienna W, Alysha, Daniel and Will.

This year's students have read a grand total of 1300 books, which is a remarkable achievement. We will celebrate all these students when we return to school with a certificate and a special surprise. The Premiers' Reading Challenge will return to Greensborough Primary School next year in Term 4.

Happy reading everybody!

Claire Storey

PRC Coordinator

ART NEWS

Each year, Montmorency Secondary College invites students from all the local primary schools to submit artwork for the 'Arts Alive' competition and exhibition, which will once again be held online this year. All GPS students in Grades 4, 5 & 6 are invited to submit artworks and 20 finalists will be selected to have their artwork displayed online as part of the Arts Alive Online Exhibition 2021.

The theme for 2021 is **Inspiration**. *What, or who inspires you?*

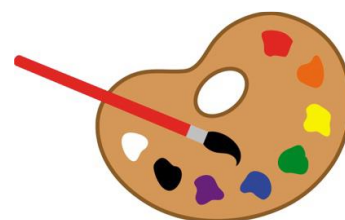

Awards will be given to the top 3 primary school students. Attached is a copy of the competition flyer. All artwork submissions must be provided in a digital format using the online form. A copy of the entry form must be completed with the student's details and accompany any artwork that is submitted. Students/parents need to provide the best possible photograph of the student's artwork.

The competition will close at 5pm on Friday 15th October. Twenty finalists will be selected for the exhibition, and awards for outstanding artworks will be presented at the online exhibition on Wednesday 27th October. Finalists will be notified by email by Friday 22nd October.

Looking forward to seeing your creations! Good luck!

Janet Troy

Visual Arts Teacher

Primary School

Art Competition 2021

CALLING STUDENT ARTISTS GRADES 4, 5 & 6!

Primary students are invited to submit an artwork and take part in the *Primary School Art Competition* to be presented as part of Montmorency Secondary College's *ARTS ALIVE ONLINE 2021* exhibition.

Twenty finalists will be selected for the online exhibition, and awards for outstanding artworks will be given to the top three students.

1st PRIZE: \$100 voucher for Greensborough Plaza

2nd PRIZE: \$50 voucher for Greensborough Plaza

3rd PRIZE: \$25 voucher for Greensborough Plaza

The 2021 theme is:

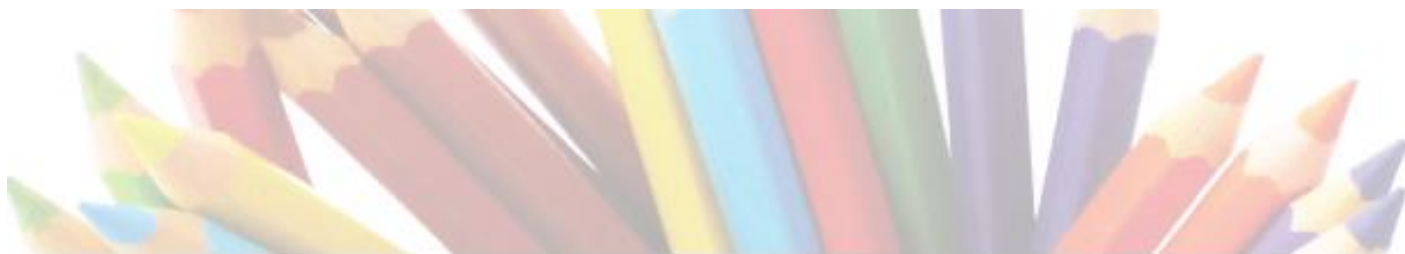

Inspiration

What, or who, inspires you?

See page 2 for more details on how to submit your work.

For enquiries or more information please contact:
Montmorency Secondary College General Office - (03) 9422 1500 or
Claire Mooney - Claire.Mooney@education.vic.gov.au

MONTMORENCY

Artworks

**Artworks can be created using 2D, 3D or digital media.
This could include: painting, drawing, collage, photography, mixed media, printing, sculpture, animation or decorated food (like a cake)**

**All submissions must be provided in a digital format using our online form.
Make sure you take the best possible photographs of your artworks!**

Physical works will not be accepted.

[Click here for the online submission form](#)

Important dates

Submissions are due **Friday 15th October, 5pm
Finalists will be notified via email by **Friday 22nd October****

The exhibition will be presented online **Wednesday 27th October, 2021**

Award winners will be announced when the exhibition goes live.

What's been happening...

Term 3 and our Holiday Program.

It has been a privilege and a pleasure to have had children attend our program last term. The children came up with some amazing activities and we have had an incredible time!

We have been very art and crafty and we have been experimenting by making slime and after the children's request we managed to make elephant toothpaste which was really awesome and the children were so excited to see that it actually worked for us!

We have been practicing our gross motor skills by playing in the playground and the hall, playing cricket and tag and basketball!

We ran an amazing Holiday Program in which the children have so much fun with the vast variety of activities and the games!

As you all know by now we are super excited with our new branding which looks amazing and we even have a new newsletter layout which will provide lots of information every fortnight!

As we are well into Spring and heading towards Summer we would like to remind you all that it is SunSmart season! So we kindly ask you all to provide a hat for your child and we will be providing the sunscreen. If you have any specific sunscreen for your child please don't forget to provide it so that your child will be protected whilst we are outdoors enjoying the sun and the good weather!

We all hope you had a great break and we are so looking forward to seeing you all soon!

As per attendance
we are still
providing care to
children where
both parents are
permitted workers.

Coordinator's Corner

Challenging Term 3!

Term 3 was challenging for all of us especially the children but with all your support we made it! We kept the children busy with our ECO Warriors Club which was a great success and now we are so looking forward to a new term with the hope that the children will start coming back and we will come back to normal providing fun activities and a stimulating environment to all the children under our care.

We are here for you all!

Photos talk for themselves!

Recipe

Rockmelon and Strawberry rockets

Ingredients

- 1/2 Rockmelon peeled and seeded
- 8 large strawberries
- 16 vanilla marshmallows

-Cut rockmelon into eight 2cm x 8cm pieces. Trim 2 long sides of each piece to form a rocket tail shape.

-Thickly slice strawberries horizontally into three pieces.

-Using the picture as a guide, thread rockmelon, strawberry pieces and marshmallows onto skewers to form a rocket ship. Serve.

-Enjoy!
