Borough Bulletin ~ 02 December 2021

Thursday 02 December 2021	Grade 2 Sleepover
Friday 03 December 2021	Prep & Grade 1 Breakfast
Monday 06 December 2021	School Assemblies – celebrating Jen Farley's Retirement the usual assembly at 9:00 am and a special assembly at 3:00pm
Tuesday 07 December 2021	Year 7 Orientation Day
Thursday 09 December 2021	Grade 6 Graduation
Monday 13 December 2021	Xmas Picnic and Raffle Draw
Tuesday 14 December 2021	2022 Meet & Greet Teachers/Grades – 9:00am to 11:00am Class Picnics & Student Kris Kringle
Thursday 16 December 2021	School Choir singing at Greensborough Plaza at 11:00am Grade 6 Big Day Out
Friday 17 December 2021	Last Day of Term 4 – Early Dismissal – 1:30pm Tabloid Games & Ice Cream Truck

Principal's Report

Thank you to all the families who supported Book Week! It was lovely to see the students (and staff) arrive dressed as their favourite book characters. I'm sure you can see from the attached photo that the costumes get better and more creative every year. It was a terrific day for our Librarian Jen Farley, as this was the last Book Week she'll organise for us at GPS... we'll ensure we hold the baton high and keep the tradition strong in 2022 and beyond! Congratulations to the students who won the class prize for their costumes.

Cooperation **A**chievement **R**espect **E**mpathy

Over \$3200 was spent at the Book Fair and Jen will use the 20% commission to purchase further resources for our Library. It was lovely to see parents and students together onsite investigating the treasures on sale and purchasing items from students' wish lists. The Activity Day was also a great success with children rotating between art and craft activities based on the Australian Book Council's 2021 short-listed books.

Next Monday at 9:00am we will hold our usual assembly with our weekly agenda items and at 3:00pm we will have an extraordinary assembly where we celebrate Jen's expansive teaching career and impending retirement. If the weather is fine, we'll hold our assembly on our magnificent new netball court and we invite parents and past students to attend. If we have inclement weather, we'll hold the celebration in the hall and send parents a zoom invitation to join us online.

Thank you to all the staff who have gone above and beyond to minimise the effects of lockdowns and ensure that our students still experience all the highlights of their primary school years. Events that we usually spread across the year have been rescheduled several times and are all happening in a period of a few weeks. This includes Book Week, incursions, excursions, Grade Two sleepover, Prep/One Breakfast, Graduation etc. Thank you also to families for supporting these events.

Christmas Picnic: Monday 13th December 5.30 – 7pm

The weather is becoming warm and as the song goes.... "It's beginning to feel a lot like Christmas!" Classes have begun making decorations and the halls are resounding with Christmas Carols in preparation for our annual end of year picnic. We're so pleased that we're able to have family members join us onsite and celebrate together. The Christmas Picnic has always been a great way to come together as a community on the last Monday of the year and share a meal and some fun family activities. This year teachers have organised activities for students to enjoy on the oval after dinner.

Families are welcome to bring some chairs or a rug, sit under the shade of the trees and enjoy their picnic dinner on the oval. Parents and Friends are unable to have a BBQ due to COVID restrictions, however they will be selling icy-poles, drinks and raffle tickets for several terrific prize baskets. The evening will end with each grade and the choir singing Christmas Carols.

After all the lockdowns, the chance to celebrate together as a whole community is important, however we also understand that many families may not be able to attend. Often grandparents and extended family members come along and join in the fun, and this year is no exception. All family members are welcome to attend! Since the event is outdoors, masks only need to be worn if physical distancing can't occur.

Student Leadership

Congratulation to the Students in Grade Four and Five who successfully applied to be our 2022 Wellbeing Leaders. We were impressed with the students' written applications and their desire to run engaging activities at the Friendship Tree in 2022. Lynette, one of our ES staff has begun the training sessions each week and has been impressed with the students' focus and input of ideas for next year. Jesse, Talia, Zak, Elouise, Zoe, Mia, Bella, Tahlia, Hugo, Josh, Matthew, Madison, Kayleigh, Tyler, Riley, Tiffany and Reece will be

rostered for duty at the Friendship Tree for one day each week and we look forward to the enjoyment their activities will bring to our students.

Last Monday, Grade Five students who strive to be our 2022 School Captains gave their nomination speeches. We're always impressed by how well the students prepare for this event. They clearly articulate the pride they have in our school and their desire to assist other students and our community. Pleasingly, many also wish the other candidates well and promise to support the successful applicants. Once again, our task was made difficult by the calibre of the students who applied! Tomorrow the candidates will be told who the 2022 School Captains will be, and the rest of the school will be told on Monday at our 9am assembly.

Next week, our students will meet in their sports houses to listen to senior students give speeches for House Captain positions. These positions are voted for by the children in respective houses. We wish all the candidates well!

RSL scholarship

Congratulations to School Captains, Sienna and Aiden who were presented with a special USB and pen engraved with 'Watsonia RSL Scholarship Winners.' The scholarship also contained a financial contribution to their secondary school costs. As stated previously in the newsletter, the scholarship recognised the excellent leadership skills demonstrated by Sienna and Aiden.

We thank Bill Wyndham and Watsonia RSL for their continued support of our school and students

Graduation

We're very pleased that we're able to continue with our tradition to hold our Graduation ceremony onsite and celebrate our 2021 graduates' primary school journey. We're able to have **2 fully vaccinated guests per Grade 6 student** attend the Graduation ceremony in the hall. We're following DET guidelines regarding density quotients and our COVID safe plan includes the wearing of masks in the hall for the duration of the ceremony for attendees. Families will also be sent a link to a live streaming of the event for other family members to view, via COMPASS.

The evening will be a fantastic night for the graduating class of 2021 and we've kept as many of our traditional inclusions as possible, to ensure this is a truly memorable night for our graduates. It is certainly not our usual way of operating, however we know families will respect that the only way we can proceed with the night's activities and ensure our graduates have a fantastic night, is for our community to follow the program sent to graduates' families. The graduates are our focus and we are so pleased that we are able to proceed with 2 family members to share this special night with them onsite.

Graduates will arrive at 5.30 for dinner and the ceremony will begin at 7pm, followed by a disco and photo booth from 8.00 – 9.00pm. We look forward to sharing photos of this special night in our last newsletter of the year.

Thank you to all the parents who have volunteered to set up the decorations prior to the event and pack up on Friday morning. Special thanks to Erin and Maria for their efforts in preparing students for this very special occasion.

2022 Instrumental Music Program

This has been a very fractured year for our instrumental Music Program. At Monday night's School Council meeting, it was decided to continue with Harmonize Music next year, with the three-month probation period we normally provide for contractors. Claire will contact families and send further information in the coming weeks.

Cooperation **A**chievement **R**espect **E**mpathy

Home Readers

Families are requested to return all home reading books by Friday 10th December. This will allow us time to audit books and have them back on the shelves, ready to be distributed next year in our second week of Term One.

Class PE Equipment

In the last week of term, you may notice all the PE storage units from classrooms lined up in the corridor near the art room, as we audit current stock and place orders to replenish class sets. These new supplies will be labelled and balls will be pumped up ready for students on the first day of term next year. For the remainder of term, we will place a variety of balls and bats in baskets in the school foyer so students will still have access to sports equipment during recess breaks.

If any parents would like to help with the audit and restocking please contact the office.

Students Reports and 2022 Grades

A very big thank you to staff who have worked diligently over the last month to write student reports that accurately reflect students' achievements and their areas for future learning. As per 2020, DET has mandated that Semester Two reports are to be modified and focus on student progress in Literacy and Numeracy.

During Remote Learning our Home Learning Programs were adjusted to respond to parent feedback and our priorities were Literacy, Numeracy and Student Wellbeing, with specialist tasks optional. Our reports will reflect these changes and also comment on students' engagement with Remote Learning. The Student Effort and Behaviour sections will reflect student outcomes since they have been back onsite this term.

Whilst reading reports it has been very rewarding to see the high number of students who have made, or exceeded, the expected 6 months growth this semester in Literacy and Numeracy. I congratulate parents/carers and students for completing their home learning tasks and responding to teacher feedback given the challenges of Remote Learning. It truly has been a team effort. I also congratulate students for re-engaging with class programs on their return to school and their commitment to 'closing the gaps' in their learning. Students who have not made the expected 6 month growth this semester will be supported in their teaching and learning programs in 2022.

Student reports will be sent home Friday 10th December along with the class your child will be in next year. On Tuesday 14th December from 9:00am – 11:00am, students will have a session with their 2022 teachers and classmates. Students in grades one to six, new to the school in 2022 are also invited to attend.

The last newsletter for the year will be published on Thursday 16th December.

Angela Morrìtt

Principal

Active Kids: Support For Families

Does your child love sport and being active? Does your family have a Health Care Card or Pensioner Concession Card? You may be eligible for up to \$200 to put towards the cost of your child's participation in physical activities. As children return to sport over the coming months, the Get Active Kids Voucher Program helps eligible families get their kids involved in organised sport and active recreation activities.

Under the program, children may be eligible to **receive up to \$200** to help with the cost of membership and registration fees, uniforms, and equipment. The program also provides a special consideration stream to support children residing in care services as well as temporary or provisional visa holders, undocumented migrants or international students.

Applications for vouchers in round three of the program close at 5pm Tuesday 30 November. For eligibility requirements and to apply, visit the Get Active Victoria website.

Seasons greetings all,

On Thursday 16th December our talented choir will be heading across to Greensborough Plaza for a performance. We will be leaving school at approximately 10:30am to be prepared for an 11 o'clock start, in front of Target on Level 3. Our performance will be approximately 30 minutes (depending on whether an encore is requested!)

The students have been practising so hard and with so much enthusiasm.

We warmly welcome you to join us on the day to watch and sing along with us!

A friendly reminder to all that our rehearsals are Tuesday and Thursday in the first half of lunchtime.

If anyone requires the lyrics on Compass again, please send me an email to let me know: laura.tillotson@education.vic.gov.au

Kind regards,

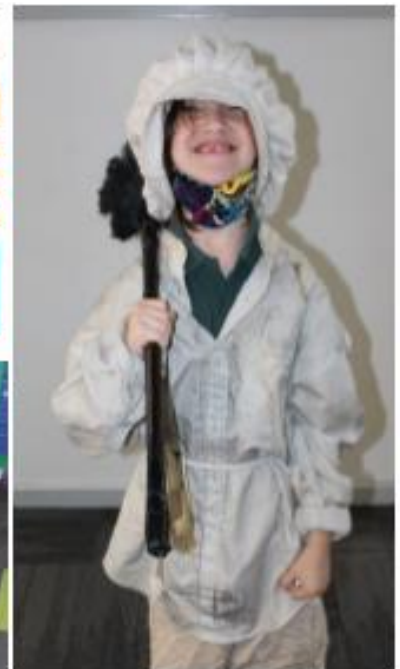

Choir

Laura Tillotson

Cooperation **A**chievement **R**espect **E**mpathy

MY REVIEW FOR THE HISTORY INCURSION

The history incursion was absolutely amazing! The people who ran it were lovely and very entertaining! I learnt so much, it was extremely fascinating. We did four activities, we made a convict love token, moulded Australian animals, used a mortar and pestle to grind up spices, learnt the indigenous game 'Nacka Nacka' and we decorated our very own playing stones. Some students even got to dress up as important notables of history! They also brought amazing indigenous artifacts from their collection. We were taught so much! It was the best thing I've done ALL YEAR! Not only was it really fun, but we learnt lots about history!

BY Bella E 3/4/23

Library News

Well Book Week is officially over for 2021 and although it was run a little later due to COVID restrictions, the children and staff had a wonderful time. This was my last Book Week at Greensborough P.S and I am so happy that we were able to pull it off.

I would like to thank all the children and staff who came along to our Book Parade on Friday looking absolutely amazing. The support for these events of the parents and guardians is very much appreciated. We had such a diversity of costumes and it was wonderful to see so many happy faces as the children paraded through the hall and outside for the families to view. Thanks to Erin for coming up with that ingenious solution when the weather looked very bleak at 9.00am!

Thank you also to all the staff for their efforts during our Book Week. On our Activity Day we had children making dinosaurs, birds, creating cockroaches with copper and costumes for bears and much more.

Once again the Book Fair proved to be a winner and thanks to all those who came along and purchased an item, no matter how small. This year it was lovely to see families back at the Book Fair and I cannot thank you enough for your support of this annual event. We sold an enormous amount of books and 'stuff'. I would like to thank those staff who assisted with the setting up and running of the Book Fair. Without their help the Book Fair would not be able to run. I have ordered all the titles that were unavailable and hopefully they will be here soon.

A special thanks to Mrs Troy who somehow managed once again to create a wonderful display for our Book Week theme, 'Old Worlds, New Worlds, Other Worlds' with minimal support from me! It will remain outside of the library for quite a while so hopefully parents can now get to see it as the school is opened up again.

Congratulations to our competition winners. I will put up a display of their photographs outside of the library. A special thanks to Emilia for putting up a great display just outside the office area of Book Week 2021.

Borrowing and Overdues

As the end of the year fast approaches borrowing will now be finishing up. All books need to be returned by Friday 10th December. If children are reading a book that they will not complete by then they can come and speak to me about an extension of time. I would really appreciate all items back before the end of the year as my Christmas gift to our new librarian! I will send home overdue notes this week. If books cannot be found they will need to be paid for. If there are any issues when you receive these notes please feel free to contact me via Compass.

Happy Reading

Jen Farley

Teacher Librarian

ART NEWS

As part of our special activities for Book Week, we enjoyed reading the story 'Your Birthday Was the Best' by Maggie Hutchings... all about a happy-go-lucky cockroach who crashes a birthday party. Our Grade 3-6 students then discovered the ancient craft of embossing, which dates back to the 12th century. Embossing metal involves producing raised or sunken patterns, and of course, the theme was our friend from the book... the cockroach. After outlining the basic shape of a cockroach using pens, the students really enjoyed using hammers and metal stamping tools to create patterns and finish their designs. A huge thankyou to Les Ismail, whose donation of a roll of copper sheeting made this project possible. Once again, our students showed their willingness to try something new and they achieved outstanding results!

Janet Troy

Visual Arts Teacher

PE

3-6 Volleyball

For the last couple of weeks, the students in 3-6 have been lucky enough to learn all about volleyball. Through the Sporting Schools grant, coaches Max and Aiden from Latrobe University have been teaching the students all about the skills of volleyball.

It has been great watching the students play an unfamiliar sport and seeing them embrace new rules and skills.

With the rest of the grant money, GPS will be purchasing new volleyballs and volleyball nets so the students can continue to practise their skills next year.

Daniela Darling

PE Teacher

STUDENT WELL-BEING

Hi Everyone,

In the last newsletter we explored diversity in culture and how enriching cultural diversity can be in our great country, AUSTRALIA! We also noted the important values we can instil in both ourselves and our children by seeking to understand others.

Every year on 3rd of December, people around the world take part in International Day of People with Disability (IDPWD). It is a day to celebrate the achievements of people with disability and promote awareness, understanding and acceptance in the community. Celebrate this special day and make positive changes to the lives of 4.4 million Australians with disability to create a more inclusive community.

My first experience of a person with a disability was when I was in grade 2. There was a student in my class who was legally blind. Her parents must have been **COURAGOUS AND PROACTIVE** as I used to marvel how I would see her ride her bike along the path on weekends! Eventually she did leave to attend a school for the blind. I still remember her name and often think of her when I read of the fantastic achievements of many who are living with a disability. Many years later I was taught to play the recorder by a man who was blind since birth. Also in primary school there was an older boy who used callipers to enable him to walk. One very wet day, he asked if he could borrow my glasses as the rain keep getting in his eyes and he couldn't wipe them! I could speak of other experiences.

Occasionally I am asked by a parent if I can work with a sibling of a child with a disability, as having a sibling with a disability can have its challenges for all family members. I empathise with these students and seek out what coping skills they have and what strategies they have when life gets a little tough at home. These families often develop strengths and skills that enable them to embrace ALL their children with love and care.

I also like to emphasise how special they are to have a sibling with a disability and what they may be learning – skills of helping, caring and responsibility. But, maybe even more importantly they are learning the values of empathy, understanding and compassion.

The journey is not an easy one and varies from family to family. But what I have discovered is that when **COMMUNITY** is involved the journey is a little easier.

So, let's help our children embrace those living with a disability, to further develop empathy, understanding and compassion, as well as helpfulness and kindness. A starting point may be wearing a blindfold and find our way around, or putting earplugs in our ears and finding other ways to communicate. Let's also not forget those disabilities that are more difficult to see, such as learning disabilities e.g. dyslexia, ASD and mental health disorders.

Sometimes I show students with You Tube clip of Nick Vujicic, an Australian man born with no arms and no legs – **SO INSPIRATIONAL!**

<https://www.youtube.com/watch?v=UOGvw53OBUs> or <https://www.youtube.com/watch?v=yBt5E2eJ8y8>

Just two of his inspiring videos. Read more at <https://www.idpwd.com.au/> about this special day that celebrates our differences, and continue to learn and grow in love, compassion and kindness.

Cooperation Achievement Respect Empathy

STUDENT WELL-BEING - Continued

There is JOY in life in all its forms if we look hard enough. This reminds of when my husband, Peter, and I had a stint in the southern highlands of Papua New Guinea. Peter put his engineering skills to use and made a rudimentary wheelchair for a teenager who had a disability. We can still picture the JOY in this young man's face as his friends pushed him along, sometimes letting go on quite steep slopes! FREEDOM!

So, let's continue to care for one another and make this world a better place!

Take Care!

Robyn Mulholland

Student Wellbeing – Mondays 10:00am to 3:00pm & Wednesdays 8:30am to 1:30pm
robyn.mulholland@education.vic.gov.au

JSC & ICY-POLES

The JSC is selling icy-poles every Friday lunchtime for the remainder of Term 4 to continue our fundraising efforts for this year! So, brush off your \$1 coins as icy poles will be available at lunchtime this Friday 03 December 2021.

See you then!

From the *Junior School Councillors & Mrs Grima*

BOOK WEEK PARADE

Pupil of the Week

Term 4 ~ Week 7

Prep	<i>Zoe</i>	For completing all her 100 Magic Words and moving onto the second set with enthusiasm! Well done!
Grade 1/2A	<i>Jay</i>	For always using amazing manners. Well done, Jay!
Grade 1/2 B	<i>Sofian & Tamim</i>	For using their Free Time to organise our classroom. You are so helpful.
Grade 3/4 A	<i>Ethan</i>	For being an active participant in our 'History Box' Incursion. Well done, Ethan!
Grade 3/4 B	<i>Anne-Sophie</i>	For outstanding curiosity and enthusiasm during our 'History Box' Incursion.
Grade 5/6 A	<i>Michael</i>	For his outstanding efforts at up levelling his connections during Writing this week.
Grade 5/6 B	<i>Reece</i>	For showing a huge improvement in Applied Maths. Keep it up!
Art	<i>Gabriel 56A Arnold 56B</i>	For an excellent effort with clay construction techniques.
Library	<i>Riley 34B</i>	For adding great observations to our conversations about the shortlisted books. Well done!

Term 4 ~ Week 8

Prep	<i>Shayamala</i>	For her excellent work in Maths groups. Keep up the amazing effort!
Grade 1/2A	<i>Pehar</i>	For always being an enthusiastic learner and an amazing friend.
Grade 1/2 B	<i>Malachai</i>	For achieving his learning goals. Keep it up!
Grade 3/4 A	<i>Reese</i>	For her creative responses to Book Week activities last week. You are amazing!
Grade 3/4 B	<i>Jett</i>	For assisting with Waste-Wise Wednesday and giving a confident speech.
Grade 5/6 A	<i>Barbara</i>	For always showing the school values. Keep up the great work!
Grade 5/6 B	<i>Arnold</i>	For working hard on up levelling his writing. Keep it up!
Art	<i>Sienna N 56A</i>	For always putting 100% effort in Art and achieving outstanding results.
Library	<i>Zoe C 34A</i>	For creating an excellent bird during our Book Week activity.
PE	<i>Holly S 56A</i>	For doing a great job with the Volleyball Skills in PE. Well done!
Student Wellbeing	<i>Jackson T 56A</i>	For showing our school values of respect & empathy and being a terrific leader.

Parents & Friends

It is coming to the busy time of the year and P&F are fortunate to be able to get back into fundraising. We purchased in advance a projector and retractable giant screen for the hall to have it ready for graduation and by all accounts it is amazing! This does mean that all the fundraising for this year (& part of next year!) will be going towards paying for the new screen, yet we have the joy of being able to use it now!

Christmas Baubles

Thank you to those who supported this fundraiser and thank you to Cassie for organising it. The baubles will be delivered to the school by Wednesday 15th at the latest.

Food Days – Friday 10th of December

Orders form have been sent home for our upcoming Bakers Delight food day. Orders are due back by Monday 6th of December – late orders will not be accepted.

A huge thank you to Yvette, Kate, Janet and Debora for organising the food days this term.

Christmas Raffle

Our Xmas raffle is back on! Raffle tickets have been sent home earlier this week – tickets are \$1 each or 12 for \$10.

We have 8 prizes up for grabs and they are available to view at the office. Prizes will be drawn at the end of year Christmas Party on Monday 13th Dec.

Please ensure tickets and money are returned to school by Friday 10th of December. If you would like to purchase more, there are extra tickets available at the office.

Christmas Party – Monday 13th of December

We will be needing helpers to assist with selling icy-poles and drinks during the Christmas Party. A volunteer form will be sent out via compass later this week. Alternatively, a roster will be available next week at the office to put your name on.

If you have any questions, please don't hesitate to either contact myself or the office.

Thank you for your support

Kim Hill

On behalf of P&F

What's been happening...

Fun, fun and fun!

It has been an awesome fortnight with lots of fun times in our service!

All our Clubs have been running smoothly giving the children the opportunity to learn whilst having FUN! Our highlight of our Clubs was the Science Squad with our Coke and Mentos experiment! We all loved that one! Also, our homemade pizza dough and pizza was also a great success and all our children had a go at making their own pizza and eating it!

Last week the children decided to make a kindness jar!

The children wrote their own kindness notes which they placed in it! And they also decided to write in our feedback book providing their feedback about OSHCLUB!

We feel very blessed, and we are looking forward to having a great Holiday Program!

Aspa

Kind request: We are in need of some recycled resources for our Holiday Program especially water bottles!

Coming Up

Dec
17

End of Term 4
Early Finish at 1:30pm

Dec
20

Week 1 of our Holiday Program

Special Announcements

Have you heard the news! Come join us and Win, win and win!!!!

For more information, please contact us or drop by for a chat!

Quality Area Reflection

Focusing on.....

In our attempt to support children become environmentally responsible (QA 3.2.3) the children are encouraged to appreciate and care for the natural environment with the implementation of a vast variety of activities. We as educators use different ways to incorporate animals and plants into our program to support children's understanding of ecology and the environment. The children are encouraged to participate in environmentally sustainable practices that increases their awareness of the impact of human activity.

Club News

Here are only some photos of our clubs from last fortnight!

We will now be running:

Every Monday Sporting Super stars.

Every Tuesday Cooking Club

Every Wednesday Science Squad

Every Thursday Fit Kits/Moovosity!

Coordinator's Corner

Welcome, Womingeka, Huanying!

I would like to Inform you all about our exciting Holiday Program which will be running for the week of 20.12-23.12.21 and from the 10.1 -28.1.21!

Some very exciting excursions are: ACMI, Zone Bowling and Ceres!

Our Incursions: Alphatoons, Science Discovery Dome, Funny Bones Magic Show and Bop till you drop disco!

Come and join us as we promise loads of fun and laughter!

Please don't hesitate to contact me for any further Information you might require.

Aspa

Photos talk for themselves!

Recipe

Mars bar cars

Ingredients

- 12 mars bars
- 12 Arnott's Tiny Teddy biscuits
- 45g of Skittles
- 1/2 cup Icing sugar
- 1/2 cup cocoa

-Make a few holes on top of the Mar's bars with a skewer.

-Push tiny teddy into holes as drivers.

-Mix the icing sugar and cocoa with a little water.

- Stick Skittles on sides of the mars bars with the icing to make the wheels and steering wheel if desired.

-Enjoy!

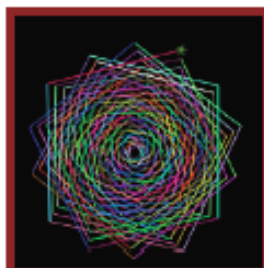

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting coding club running at the school.

DEVELOP SKILLS

- Creativity
- Logical thinking
- Problem solving

LEARN

- Computer Science Concepts
- Fundamentals of programming
Loops, Events, Randomness and more

PROGRAMMING LANGUAGES

- Scratch
- Python
- Javascript
- ... and many more

MAKE

- Games
- Web pages
- Apps

The club will run for 8 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students will use school computer during the lesson.

9 WEEK TERM PROGRAM

Program for **Term 1 2022** is as follows:

Year levels: 3 to 6
