### Principal's Report

There is an excited hum around the school at the moment as our Grade 3 - 6 students prepare for camp next week. Camp Weekaway is located in the Benloch Valley in over 72 acres of bush and open grassland. There are a myriad of fun and challenging activities for students and I'm sure many delightful, lifelong memories will be built. We're looking forward to waving the campers on their journey Monday morning and then hearing about all their adventures when they return on Wednesday afternoon.

Of course, an event like this requires extensive planning to ensure our students are safe and activities are highly engaging, and I'd like to thank our camp coordinator, Jesse Stephens, medical officers, Bec Gauci and Paula Ly, and staff Erin Donaldson, Kylie Freestone and Lynette Taylor for their support and the many, many hours they've put into ensuring the camp is successful. I'd also like to thank the parent volunteers, Janet D and Marcel S for volunteering their time and expertise to attend an induction session and to assist on camp, and the 'B Team' of parents and staff who are preparing to come aboard at the last minute, in the event of personnel having to isolate. I'm sure there'll be many tired, but happy, campers (adults and students) on Wednesday afternoon!

The day after camp, the excitement continues as we have a **Space Discovery Day on Thursday 31st March**. Our whole school Discovery unit this term has been exploring the wonderful world of space. To celebrate this and further extend students' understandings we are holding this special activity day, where students will take part in classroom activities that will focus on further pursuing their questions about Space. The highlight of the day will be a visit to the 'Space Dome', where all classes will have a 50-minute session under the stars, in an inflatable planetarium dome.

Students are invited to wear 'Space' themed casual clothes or costumes. Outfits don't need to be extravagant, as we know many students will have just returned from camp. A hand-crafted hat, a yellow t-shirt or something space related you have at home would be a wonderful addition to our Space Discovery Day. Please note this is not compulsory, with regular School Uniform being the alternative.

The dress up component is a JSC initiative to raise money for the Royal Children's Hospital Good Friday Appeal and more information about this is included later in the newsletter.

## Emergency Management and Anaphylaxis Drills

Student safety is very important to us at Greensborough Primary and each term we practise emergency management drills. This includes evacuations, lock-ins and treatment of an anaphylactic reaction in the yard or classroom. Prior to our drills, teachers discuss correct procedures in a sensitive and age-appropriate manner with their grades. We were very pleased with our students' sensible, timely responses this term. Whilst none of the staff have ever had to evacuate or administer an epipen to a student in our teaching careers, being prepared is always our best management option. (Many of us do have memories of our 'lock-in' several years ago, when a local marsupial hopped into our grounds!)

## Greensborough Plaza Rainforest

Many parents may have seen that Greensborough Plaza will be transformed into a natural, serene environment with a rainforest that comes to life in the coming weeks! We normally would have had a local excursion to enjoy this event, however due to the available dates we're unable to attend. Families however, will be able to follow the boardwalk and enjoy time amongst live plants and trees, while learning about native Australian animals, during the school holidays.

The Greensborough Plaza website has further information about the many activities on offer, including reptile shows, craft activities and live performances.

## Free Dental Program Onsite

Many students attended the Smile Squad van this week and received free dental examinations and treatment. This is a great initiative from the Victorian Government and feedback from families is that they appreciated the savings in both time and money. The importance of oral health was discussed with children and the prevention of tooth decay.

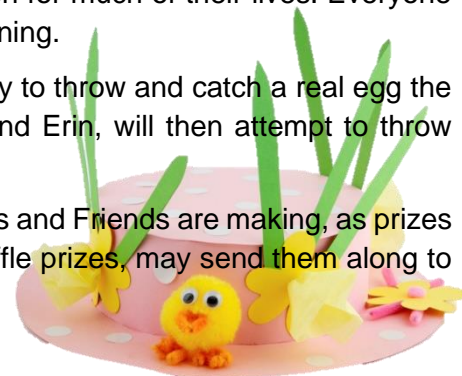

## Easter Festivities

A reminder to families that on the last day of term, Friday 8<sup>th</sup> April, we will have our annual Easter Hat Parade at 9.10 am on the netball court. This is a fun morning when students, and pre-schoolers wear their wonderful creations, each grade then has a special activity, followed by an Easter Egg Hunt on the oval. Events such as these make long lasting and powerful memories that stay with children for much of their lives. Everyone in the community is welcome to come along and share the joy of the morning.

A highlight of this day is the Grade 6 egg toss, where students in pairs try to throw and catch a real egg the longest distance without breaking it! Our Grade Six teachers, Paula and Erin, will then attempt to throw further than the students and challenge for the overall title.

Thank you to the families who have donated eggs for the hampers Parents and Friends are making, as prizes for the Easter Raffle. Any families who would like to donate items for raffle prizes, may send them along to the office.

## Footsteps

We like to give parents/carers advance notice of events to assist with family budgets. In Term Three, students in Grades Prep – Six will participate in the ten-week Footsteps dance program, at a cost of \$38.00 per student. The program uses dance as a vehicle to develop students' inter/intrapersonal skills, fitness levels and provide teachers with classroom resources. The program is fun and exciting for students and culminates in a performance for parents. Previously, Montmorency Secondary College donated the use of their theatre as our venue, and we are liaising with them to see if that's a possibility for this year also.

Footsteps was scheduled for last year and cancelled due to COVID restrictions. ***Families who paid for their child's Subject Contributions in 2021 have covered the cost of the program. Families new to GPS this year, and those who did not pay their full Subject Contributions last year will be sent an invoice for \$38.00 to cover the cost of the program. Please contact the office if you have any queries.***

## School Council 2022

On Monday evening, we held our first meeting of the 2022 School Council. Our office bearers were elected, and we're pleased to welcome back Kim Hill as our School Council President and Cassie Fox as Vice president. There is still a one-year casual vacancy to fill, so if any parents are interested, please contact the office or a school council member.

School Council meet twice per term in the evening and councillors are part of sub-committees which also meet twice a term either in the day or evening, depending on the availability of members. School Council plays a pivotal role in the effective management of the school. If you have any further queries about School Council involvement, please do not hesitate to contact either Margaret or myself.

## Curriculum Days

We know parents appreciate advance notice of our pupil free Curriculum days, so the dates for the remaining 2022 Curriculum Day dates are listed below:

- ★ Term Two: Friday 20<sup>th</sup> May
- ★ Term Four: Monday before Cup Day, 31<sup>st</sup> October

Please contact OSHClub if you wish to book your children in for care and supervision on curriculum days.

**Angela Morritt**

Principal

## 2023 Prep Enrolments

If any families have siblings of current students who are starting school next year, please contact Meghan at the office and lodge an enrolment form. If families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible. We have already had a number of enquiries and school tours for places in 2023 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

## Camp Weekaway

Dear Parents/Carers/Campers,

Can you believe we are only days away from Camp Weekaway? We know it will be an amazing occasion and one that will build many amazing and long-lasting memories!

Please read the following information as it relates to the morning of departure and arrival back at school on the **28th** and **30th** March respectively.

### DEPARTURE INFORMATION

**Arrival at School:** From 8:25am Monday 28<sup>th</sup> March

**Where:** Please drop your child and their luggage at the Lorimer Street gate between 8:25am – 8:35am and report to teachers (3/4 Mr. Stephens & 5/6 Mrs. Donaldson) inside the gate to have your name **ticked off** and receive your **green wrist band** from our Parent Helpers.

**Medication:** Families with **medications** will need to hand the medicine, with instructions, to Paula Ly (Grade 5/6A) and Rebecca Gauci (Grade 3/4A) who will be wearing 'high viz' on the cricket-net side of the footpath by the Lorimer St Gate. If possible, please provide this in a labelled zip lock bag with everything needed to administer the medication.

**Information:** Students must pack morning tea, lunch and drink bottle for their first morning at camp. All luggage will be placed in students' suitcases, so food and drink bottles will need to be packed in a backpack/daypack that students' will be taking on the bus. Students must also be wearing a mask on the bus unless they have an exemption. School/sun smart hat will also be worn at camp, so please ensure these are inside their backpacks, rather than their suitcases for ease of access.

Please speak to Mr. Stephens or Mrs. Donaldson if you are unable to pick your child up upon return to school and have booked them into OSHC so we can assist students on the day to find their way, or if you have made alternate plans for them on the day.

Please ensure you are **not** parked in the allocated **bus zone**. Busses will depart from Lorimer St at **9am**.

### ARRIVAL INFORMATION

**Arrival Back at School:** 3:15pm (approx.) Wednesday 30<sup>th</sup> March  
(Stay tuned to Compass for updates on the day!)

**Where:** Buses to return to Lorimer Street. On pick-up all parent/guardians who are collecting their child **must** inform the classroom teacher and sign them out.

**Information:** Any medication which has been administered at camp must be signed out from the Medical Officers (Rebecca Gauci & Paula Ly).

We ask all families to assist with bringing luggage from the buses to the oval to ensure the buses can depart for their next booking as soon as possible.

**Please contact the school if you have any questions or concerns.**

Kind Regards,

## Student Wellbeing

Hi Everyone!

*Harmony Day* is about inclusiveness, respect and belonging for all Australians, regardless of cultural linguistic background, united by a set of core Australian values.

We come together to celebrate *Harmony Day* on 21 March each year. Created in 1999 to celebrate unity and diversity, Harmony Day was originally an Australian celebration but is now marked worldwide. Whether you want to be better friends with your neighbours or stand in the shoes of another, there are many opportunities to embrace cultural diversity.

Take opportunities to expose your families to different cultures by attending cultural festivals, open days at mosques Buddhist and Hindu temples. Also enjoy the many different cuisines on

offer – Indian, Malaysian, Chinese, Italian, Thai, Japanese, Greek, Lebanese, Vietnamese ARE ALL ON OUR DOORSTEP IN GREENSBOROUGH! There are also many other delicious cuisines throughout Melbourne.

Many cultures can teach us much about community and caring for one another. When I have visited other cultural groups including Papua New Guinea, Indonesia and Madagascar, it was a joy to see how they embrace each other, especially across the generations. Also, their joy in the simplicity of life – for example the joy in the faces of Malagasy children as they played soccer with a 'ball' made up of rolled paper or playing with a stick and tyre!

What a **PRIVILEGE** we have in Australia to **EMBRACE** and to **LEARN** from so many cultures.

Let's work together in helping our children to become **WORLD CITIZENS** who **EMBRACE CULTURAL DIVERSITY** and **HARMONY**!

Take care & stay well!
