VISION

Greensborough Primary School's vision is to empower students with the skills and knowledge that will serve as the foundations for life-long learning in an ever-changing world. In all areas of our professional practice, we aim to provide an inclusive education that caters for every student's academic, social, emotional, physical and cultural needs.

MISSION

Our school is committed to students' pursuit of becoming 'Literate, Numerate and Curious' and valued members of society.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

The school values cooperation, achievement, respect and empathy. Threading through our values, we believe in encouraging our students in their personal pursuit of excellence, by 'being the best they can be'. We demonstrate and expect high standards in everything we do and we acknowledge that effort is just as important as results.

We cooperate and work together to achieve common goals.

We strive for academic excellence, which means trying our hardest and doing our best.

We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us.

We model and demonstrate empathy and develop the ability to understand the feelings of others.

BEHAVIOURAL EXPECTATIONS

Greensborough Primary School acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.

Staff have a range of expectations around behaviour and must follow our school and Department policies and the Victorian Public Service Code of Conduct and Values. Teaching staff also adhere to the [Victorian Teaching Profession Code of Conduct](#).
