Tuesday 20 December 2022	Professional Practice Day – Pupil-free Day

Principal's Report

Thank you to all the families who supported the Parents and Friends barbeque on Election Day. It was wonderful to see many 'new' faces, as well as 'old' on the roster and several parents volunteered their time for more than one hour, which was a terrific effort. Thankyou also to the parents/carers who baked goods for the cake stall or brought the family along for a sausage after voting. We appreciate your support for GPS in whatever capacity you're able to give. Special thanks to P&F President Kim H, who spent many hours organising the roster, purchasing goods and being present on the day, for set-up, sales and clean-up. Over \$1400 profit was made on the day, which is outstanding! We're very grateful for P&F support for school programs, resources or Buildings and Grounds additions.

A highlight on election day was seeing artist Coree Thorpe and his parents Lyn and Alister complete our Creation Mural. Jesse Stephens has written more information about the mural later in the newsletter,

including the background story to the Arts and Culture Community grant application. I encourage everyone to walk past and take a close look at the discs of local flora and fauna, painted by our Grade 5/6 students which will be part of their legacy for their years at GPS. Looking at the mural from a distance gives a different perspective and we can see the outline of Bunjil, the eagle, flying protectively over the mural. I'd like to acknowledge Banyule Council for their support with the grant. When we initially applied for the grant, Council indicated they may be able to support us with a Smoking Ceremony to celebrate the mural and bring people together and we will follow up this offer.

It's been a busy fortnight for the progression of our grant works. The refurbishment of our outside toilet blocks will begin next Monday 5th December and screening will be erected to allow access to workers only. Students will use the inside toilets which fortunately also have a door leading to the exterior of the school near the Grade 1/2 classrooms for use during recess and lunch breaks. Over the school holidays works on this block will be completed and work will then begin on the inside toilets.

We also had a site visit with 'Castle and Cubby' to discuss the installation of 'Tiny Town'. Wayne, Geoff and I met with Jonathan to inspect the site and consider location of buildings and site preparation. We're looking forward to receiving their design layout and anticipate the buildings will be installed in Term One next year.

Cyber safety Workshops

Thank you to School Council member and parent Edward D, who is presenting Cybersafety workshops to our Prep – Six classes next Tuesday 6th December. Ed will present 'Cyber Safe Kids', which is a free educational program run by Palo Alto Networks. The company's mission is to teach children the life skills they need to protect their digital way of life. [Cyber Safe Kids](#) resources cover topics like strong passwords, scams/phishing, cyber bullying, and protecting personal information. They offer free learning resources and workshops to help drive online safety awareness.

Many students will increase their online presence over the school holidays, so we are very grateful that Eddie is able to present these workshops free of charge to support keeping our students safe online.

Friendship Tree

Thank you to all the families who donated items for the Wellbeing Leaders to use to decorate the Friendship Tree. It's been lovely to see the fun and excitement students from Prep – Six, have had decorating the tree each lunchtime. The Wellbeing Leaders have planned Christmas activities for the rest of the term, and we look forward to seeing what each day brings.

Lynette has begun training our 2023 leaders in their roles for next year.

R.A.T.s Available

If any families would like a box of R.A.T.s sent home, please contact the office or your child's class teacher. We have ample supplies in our storerooms and we'd like to give them to families to use when required, rather than have families purchase them.

Graduation

We are looking forward to the graduation celebrations for our Class of 2022 next Thursday 8th December. Our graduates have been heavily involved in preparations for this event, which is a major milestone in their educational and personal journey from primary to secondary schooling. Our Grade Six students have been exemplary role models of our school values for students in younger grades and will be sorely missed by all of us, especially their Prep Buddies. Thank you to all the parents who have volunteered to set up the decorations and assist on the night, especially Tash P., who has volunteered a great deal of time to assist with the planning and organisation of the dinner and photo booth for students. Thank you also to Paula and Erin for their efforts in preparing students for this very special occasion, and aides and teachers who have supported them.

Cooperation **A**chievement **R**espect **E**mpathy

Christmas Picnic: Monday 12th December

The weather is finally becoming warmer, classes have begun decorating their rooms and as the song goes... "It's beginning to feel a lot like Christmas!" We're hoping many family members will be able to join us on Monday 12th December as the Christmas Picnic has always been a great way to come together as a community on the last Monday of the year and share a meal and some fun family activities. This year P&F have organised a special activity for students to enjoy after dinner.

Families are welcome to bring some chairs or a rug, sit under the shade of the trees on the oval and enjoy food and drinks from the P&F barbeque or bring your own picnic dinner. Often grandparents and extended family members come along and join in the fun, and this year is no exception. The evening will end with each grade and the choir singing Christmas Carols and we sincerely hope you can join us!

Home Readers

Families are requested to return all home reading books by Friday 9th December. This will allow us time to audit books and have them back on the shelves, ready to be distributed next year in our second week of Term One.

Class PE Equipment

In the last week of term, you may notice all the PE storage units from classrooms lined up in the corridor near the art room, as we audit current stock and place orders to replenish class sets. These new supplies will be labelled and balls will be pumped up ready for students on the first day of term next year. For the remainder of term, we will place a variety of balls and bats in baskets in the school foyer so students will still have access to sports equipment during recess breaks.

If any parents would like to help with the audit and restocking please contact the office.

Students Reports and 2023 Grades

A very big thank you to staff who have worked diligently over the last month to write student reports that accurately reflect students' achievements and their areas for future learning. Student reports will be sent home Friday 9th December along with the class your child will be in next year. On Tuesday 13th December from 9:00am – 11:00am, students will have a session with their 2023 teachers and classmates. Students in grades one to six, new to the school in 2023 are also invited to attend. New staff member, Vanessa Cunningham, will also attend and is excited to meet her first class of students at GPS.

The last newsletter for the year will be published on Thursday 15th December.

Angela Morrìtt

Principal

Reminder: Curriculum Days Term 4

Families are reminded that the last day of Term Four, Tuesday 20th December, is our final Professional Practice Day for the year and is also a student free day. Teachers will be planning for 2023 classes on this day.

The last day for students will be Monday 19th December and school will finish at 3.30pm. Please contact OSHClub if you require your children to attend on Tuesday 20th December.

Vacation Care

OSHClub will begin Vacation Care on Monday 9th January next year. If any families would like to use this service and haven't already registered they can go to oshclub.com.au to register. For queries about Vacation Care please contact OSHClub directly or speak to the coordinator, Linda Reid, before or after school.

Cooperation Achievement Respect Empathy

Bunjil – The Eagle Mural

By now you will have seen the amazing mural on the corner of Grimshaw Street and The Circuit! We are so fortunate to have had the opportunity to have this incredible installation outside our school! For something that seems to have sprung out of nowhere, there is a long story behind it that we are proud to share with you.

During the early COVID Lockdowns, when community spirit was high, we sought to capture this in artwork and on the fence line. A variety of ideas were floated but, in keeping with the Banyule Vision for Arts and Culture Strategic Plan 2017-2021 & Innovate: Reconciliation Action Plan in Banyule, the project itself transformed into an act of reconciliation, strength and unity within our community.

'Mam-Badool Djerring', meaning 'let's work together', ensured we developed an art installation that combined Wurundjeri Woi-Wurrung perspectives and storytelling with Non-Indigenous perspectives. This is why you can see both Indigenous and Non-Indigenous elements within the mural, both in the artistic style as well as within the story itself.

We are so proud to share this with you all. We feel that by better understanding our shared history through the telling of Bunjil the Eagle and his Creation, we can better unite and look forward to improving our community connectedness and cohesion.

You can learn more about this Creation Story by visiting <https://vimeo.com/97185996>

Banyule, meaning 'Hill', places the story of creation at our place of learning. The circular elements show the cyclical nature of time and history, signifying that creation itself is not one that is past but one that is forever present. Bunjil is the creator spirit for the Wurundjeri people – he created the people, animals and plants and he is watching how we respect the land from above. Our Grade 5/6 students painted the discs attached to the mural, depicting the native flora and fauna indigenous to our area. Please take the time to visit the mural and explore the story within.

We would like to thank Coree Thorpe, a Yorta Yorta, Gunnai, Gunditjmara and Wurundjeri man and artist who shared our vision for the mural and the fabulous artwork completed by our 5/6 students!

Jesse Stephens

Teacher – Grade 3/4B

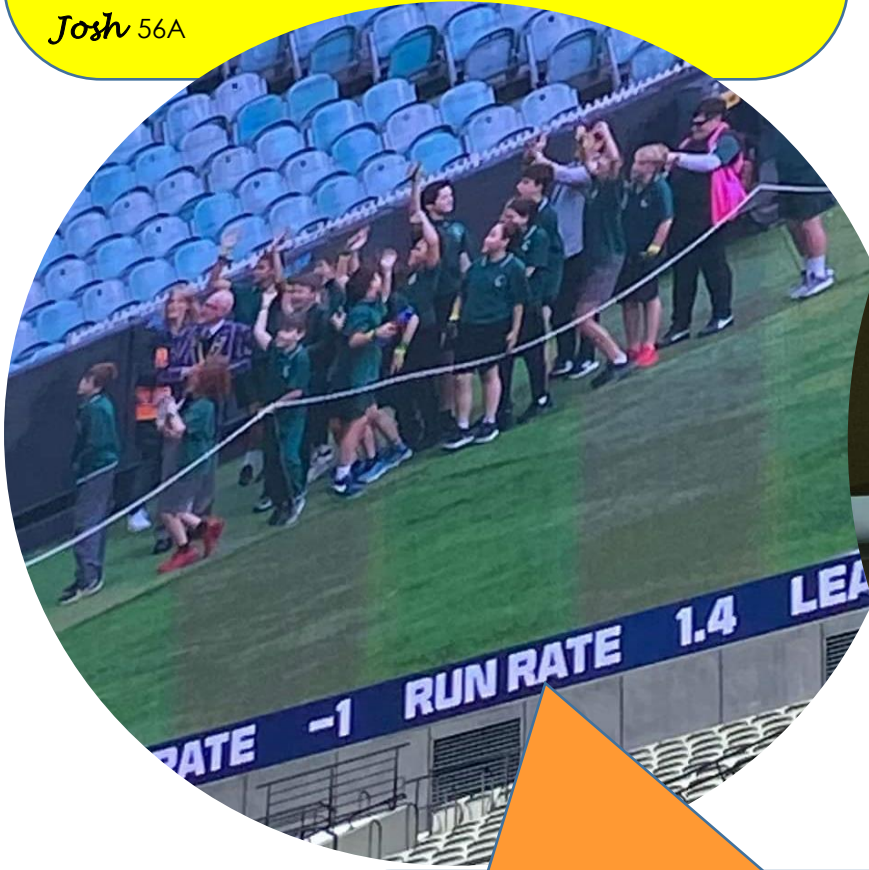

Sports Museum Excursion

On Thursday the 24th of November, some students that have a high ability and high interest in Sport went to the Sports Museum at the MCG. Here are some Grade 5s sharing their experience.

When we got to the Sports Museum, we got these cool wristbands that had an A on it. The A was used for scanning the games to make them begin. There were different games in the Game On area like a Football kicking game, A Basketball/Netball shooting game, Surfing, Horse Racing, Cycling, Cricket catching game, a fun play area, a rock climbing and a rugby/soccer kicking area.

Josh 56A

When we got to school, we left straight away to get to the Sports Museum. When we arrived, we saw statues of famous sports people including Shane Warne. A lady gave us a sweatband with an A on it which activated games for us to play, there were lots of sports games.

Then we moved on and met an Olympian called Tess Lloyd who told us her story. I asked her when she got her first boat and was it her dream to be a sailor. She had an injury and missed out on the Rio Olympics, but she said she made it to the Tokyo Olympics instead.

We went to the interactive museum and saw lots of interesting things and even a game of cricket being played!

Xavier M 34A

**TESS
LLOYD**

**WOMEN'S SAILING SKIFF -
49ER FX TOKYO 2020**

After we got to meet Tess Lloyd, we had some fun in the actual sport museum by listening to our favourite AFL teams songs. We got to see a lot of trophies that teams can win like the premiership cup, the VFL cup and lots more! There were also a lot of shirts of old football players that were breaking up and decaying because they were so old, it was really cool to look at what the old players used to wear.

On the next level there was a cricket section where you could see a replica of the ashes. There were some wickets that you could knock the bails off and there were plastic fielders that you could move around so you could see what a field would look like. If you went through a curtain at the back, a hologram of Shane be playing, and you got to see how he became such a good bowler. There were also a lot of cricket trophies and bats and balls that were hanging up on the walls. There was also a mini replica of the MCG that looked like the real thing. It had all of the lights and everything.

There was a mini match going on in the replica which I thought was a stroke of genius. After we watched the end of the Shane Warne show we sat down and played a game where we had to hit a button at the right time so we could send a bar of light back around to the other person. Everyone wanted to have a go at the game!

Lachie 56B

After that, we went on a tour of the MCG. We went down into the stadium, where we saw a cricket game in action. We watched and waited for a while, while the tour guide told us about the history of the MCG. We were surprised to see ourselves on the big TV screen. Soon, we saw the Sports Library, which has books on sports, not like a library with books on all types of genres. In addition, there was also a painting of a football player with six fingers instead of five. At the end of the day, we got on the bus and went back to school. It was one of the best excursions ever and we were very lucky to have this opportunity.

Hugo 56A

After Game On, we went to this cool room where we met Tess Lloyd who told us about her life story. She's a 27-year-old Olympian sailor who got to compete in the 2021 Tokyo Olympics. She told us that when she started sailing, she was 5 years old when Santa put a wooden boat under her tree. She also told us that she got hit in the left side of her head causing pieces of her skull getting lodged into her brain and how she slowly healed herself. We really enjoyed listening to her story and hope she will make it into the 2024 Olympics in France!

Madison 56A

Greensborough Primary School students from Grades 3-6 have been lucky enough to be provided with the opportunity to learn self-discipline and safe Martial Arts through Judo Australia. It was such an enjoyable and valuable program for the students!

Kindness Crusaders

Welcome Letters for New Australian Citizens

Recently The Kindness Crusaders have been busy responding to an invitation from the Australian Government's Department of Home Affairs to write a letter to welcome a new citizen to Australia. These letters are a special keepsake new citizens receive at their citizenship ceremony.

We were very excited to deliver sixty welcome letters to the Banyule City Council which were handed out at the Australian Citizen Ceremony on the 23rd of November. The representative from Banyule Council sent us a photo the following day of two children from Iran holding our letters which we were thrilled to receive.

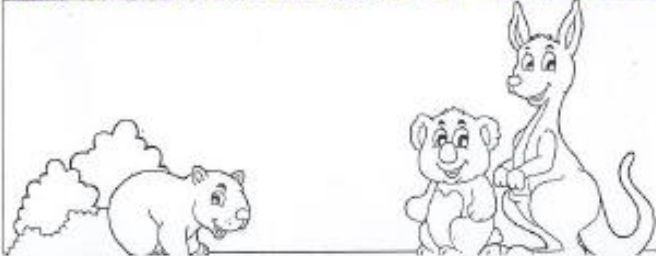

The Kindness Crusaders would like to thank everyone who wrote a welcome letter to a new Australian Citizen. The letters were all very creative and full of positive, welcoming messages. Thank you for being so kind and for making a difference in the lives of others.

A WELCOME MESSAGE TO NEW CITIZENS

Welcome to Australia I hope you are having a great time. You should go to Uluru.
Love Hugsy

A WELCOME MESSAGE TO NEW CITIZENS

A WELCOME MESSAGE TO NEW CITIZENS

Dear our new Australian friend,
WELCOME! I am so glad you've arrived here! Everyone in Australia likes new and exciting people like you!!! I recommend you go to Sovereign Hill in Ballarat, Victoria. Also, it's super fun to go to the zoo and see the cute koalas!!! Welcome to Australia, love,
Bella

A WELCOME MESSAGE TO NEW CITIZENS

welcome to Australia. I hope you can eat party pies and sausage rolls, come to Luna Park and watch the meg. you are going to love Australia and see the Australian animals like kookaburras and kangaroos. From Nishi :) (Eat Lamingtons)

A WELCOME MESSAGE TO NEW CITIZENS

Dear new Citizen, I hope you have a great time in Australia and I hope you meet our native animals. I hope you have Vegemite on your toast and I suggest you to go to Queensland, Darwin and Melbourne!

A WELCOME MESSAGE TO NEW CITIZENS

welcome new Australian citizen. I hope you enjoy Australia, there are fantastic hikes and campsites such as Cathedral Range, the campsite. Even if you're not outdoorsy you can visit Esplanade aquarium. There are also amazing plants like flowering gum but we also have some wildlife animals. My favourite is the koala. Thanks you for choosing Australia as your home!

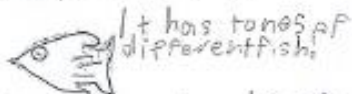

A WELCOME MESSAGE TO NEW CITIZENS

hello new citizens! i hope you have
a great time! we will respect your
voice you can do the same! maybe
even on the beach! i hope you have
lots of fun here! thank you for
choosing us i love swimming on a hot
sunny day! you should too!
eat some veggie like carrots you might
enjoy it. Goodbye then!

A WELCOME MESSAGE TO NEW CITIZENS

Welcome to Australia new citizens!
You should come to a place known as
The Great Barrier Reef.

It has tons of
different fish.

My favorite animal is the
strong kangaroo.

If you go to the Melbourne
Zoo it has some different
animals!
Hope you enjoy your stay.

A WELCOME MESSAGE TO NEW CITIZENS

G'day new Aussie,
your going to have a
wonderful time in
Australia you will find
that we care for all
animals and we like
have a new language for
you to discover and
weird animals. From
Anne-Gophie

A WELCOME MESSAGE TO NEW CITIZENS

Hello new citizens.
I hope you have a nice
time here in Australia
in my opinion you
should try the
Bundaberg farm

from: scamp

Student Wellbeing

Hi Everyone!

In a few weeks, many students in our school community will be facing **CHANGE**, as they look ahead to 2023. They will be changing grades with new teachers in most cases; some will be leaving us to begin secondary school; and others will be changing primary schools and/or moving house.

CHANGE brings many emotions – excitement, joy nervousness, uncertainty, fear, anxiousness, etc.

Preparing our children well ahead will help to ease their concerns. How we respond and cope with **CHANGE** for ourselves will have a huge impact on how our children will cope.

Children need to be prepared for changes ahead to make them feel secure. Children thrive on routine and on knowing what is happening next.

THINKING AHEAD – Helping Your Child Cope with School Transitions

To assist them with transitions the following ideas may be helpful:

If the family is moving, take pictures of friends and familiar places and offer ways to keep in contact with close friends via phone, email, and letters. Help your child talk about what he or she will miss and about what will be new and different.

Encourage your child to discuss the future transition by asking questions such as, "What have you been thinking about your new school?" Make a list of your child's concerns and together try to find answers to the questions. Many schools have websites that describe procedures, show virtual tours, and answer common questions.

Help your child get to know the new environment beforehand. When possible, visit the school together. Even viewing it from a car or seeing a photograph of the building is better than leaving the first day to the child's imagination.

Let your child know it is natural to feel apprehensive. He or she may be fearful of not being accepted by peers or about mastering the logistics or academics of a new grade or school. Share childhood memories of times when you were worried about a new situation. Relate the good things that happened like how you met your best friend or that your new teacher was one of your favourites.

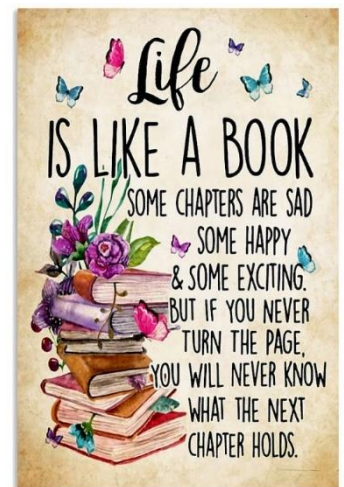

Keep the days leading up to the transition as positive as you can - Stress that his or her class will offer many new experiences. The night before the first day, have your child put out everything needed for school. The next morning allow time to get ready in a calm manner.

Buy school supplies and required materials. Go over the walk to school or to the bus stop. Empower your child by discussing actions he or she can take if a problem arises. Ask, "What concerns you most about school?" Listen and then ask, "If that happens, what will you do?" Help your child think of constructive ways to deal with a difficult situation.

Expect the transition to be ultimately successful. Yet, remember that adjustments take time and the first days in a new school are often overwhelming. Your attitude can help your child; let him or her know you are confident in his ability to adjust well.

Be available after school starts. Understand that your child may need extra time, attention and support. When there is a change, he or she may regress to an earlier developmental stage. Try to plan time for family fun because, when transitions occur, families are a necessary source of love and support.

Invite your child to express his or her emotions. Even when a concern seems minor to you, be respectful and know that it can be a major crisis to your child. Try to put yourself in his or her place and understand the

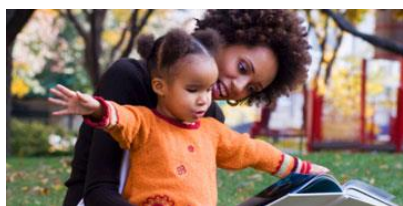

feelings expressed. Ask open ended questions like, "How's it going?" or make comments like, "You seem sad." Then listen carefully and avoid giving advice unless your child asks for it.

Help your child explore ways to cope with concerns and continue to be available for further discussion. Be ready to problem-solve with him or her. You may want to role play a situation that is causing anxiety.

Encourage your child to try new things by participating in one or two extracurricular activities. Help him or her understand that trying is what is important, and that one does not always have to be successful.

Continue to foster your child's organisational skills and assist him or her in becoming responsible and independent. Stay interested and provide rules and structure. Yet, allow your child to have input into what the rules are.

If after an adjustment period of time, your child is reluctant to go to school or seems truly unhappy, seek help. Identify your concerns and meet with your child's teacher and/or school counsellor. Together, perhaps with the child being present, work out a plan of action.

During times of change, a little extra attention will go a long way in helping children deal with stress. Plan an hour or a half hour each week where your child has your undivided attention. It is important to use playtime to help a child's development. Let your child pick the activity or follow your child's lead.

Help your child to fly!

Take care & stay well!

Lost Property

The end of the year is fast approaching, and we have a lot of items in our lost property rack. Please visit the office and ask to check out the items. You may be pleasantly surprised to find that lost something that was missing for months. *Please note that we return all items to students if clearly marked.*

We also have some precious items which have collected over the year. Please see the photo listed below and check out the lost items. Please see Meghan in the office if you spot your lost treasure.

Pupil of the Week

2022 ~ Term 4 ~ Week 7

Prep	Ethan	For always giving things a go and aiming for the stars! Well done, Ethan!
Grade 1/2 A	Alex	For demonstrating great confidence when speaking in front of his class!
Grade 1/2 B	Evelyn	For her impressive arguments in her exposition about 'Caring for Animals'.
Grade 3/4 A	Mounina	For her convincing arguments in her persuasive letter.
Grade 3/4 B	Liam G	What a great persuasive letter, Liam! Well done!!
Grade 5/6 A	Kayleigh	For her fantastic efforts during Graduation practise. You've shown great leadership skills.
Grade 5/6 B	Olivia	For her outstanding efforts during Discovery, your Passion Project is progressing nicely.
PE	Nam P 56A	For coming out of your shell and practising your pin-downs in Judo.
STEM	Xavier M 34A	For showing resilience and always wanting to finish your work.

2022 ~ Term 4 ~ Week 8

Prep	Noah	For showing kindness and sharing his icypole with a friend.
Grade 1/2A	Leo	For great focus and effort in all areas of learning. Keep it up Superstar!
Grade 1/2 B	Charlie	For having excellent initiative and being such a kind student. You're incredible!
Grade 3/4 A	Isaac	For exemplary behaviour at swimming this week. Well done, Isaac!
Grade 3/4 B	Ethan	For his positive and determined attitude towards his learning! Keep smiling!
Grade 5/6 A	Josh	For being such a great friend and for always showing kindness!
Grade 5/6 B	Bella	For showing great resilience during our Applied Maths sessions. Keep it up!
Library	Steve 34B	Thank you for sharing your extensive knowledge with me!
PE	Millie Prep	For showing resilience at swimming!
STEM	Dash 12B	For working well with others whilst learning about coding.

What's been happening...

It gives me great pleasure to announce that our Assessment and Rating results are back and that our program earned the highest possible score.....Exceeding. I am so proud of all that assisted in us achieving this rating with a huge thank you to all the families and members of our school community. Without you all this would not have been possible and we are all so honoured to be able to offer you a quality program.

The Children have enjoyed some wonderful activities including finger painting, construction tasks, origami, Club Fomo (both Dinosaurs and Around the World).

The new resources purchased this term are proving popular and it is wonderful to capture the smiles as we discover old and new equipment to play with. If you haven't already, sign up to Club Dojo where you can see on a daily basis what we do. Here is some we captured in pictures.....

Banyule Children's Gift Appeal

1 November to 16 December 2022

For over 20 years, the Banyule community has provided new gifts, toys and gift cards to local children and families experiencing financial hardship through the Banyule Children's Gift Appeal. In 2021, 459 local children received gifts, thanks to community donations.

Disadvantage and financial hardship affect many families in our community and can be caused by a significant change in circumstances. Christmas and the summer holiday periods can be stressful for families who cannot adequately provide for their children.

Donation Bins

New gifts can be dropped into donation bins located at:

- Diamond Valley Community Support, Shop 378a, Level 3, Greensborough Plaza
- WaterMarc Entrance, Ground Floor, 1 Flintoff Street, Greensborough
- Ivanhoe Learning and Cultural Hub, 275 Upper Heidelberg Road, Ivanhoe
- Rosanna Library, 72 Turnham Avenue, Rosanna
- Watsonia Library, 4/6 Ibbottson Street, Watsonia

Donate

All money donated to the Banyule Children's Gift Appeal will be used to purchase toys and gifts for children under 12 years and \$30 Gift Cards for children aged 12 to 16 years. Tax deductible donations can be made through Diamond Valley Community Support:

- Online: <https://gofund.me/76015cae>
- Phone: 03 9435 828

3081 Angels Books

Every year the 3081 Angels provide a new book for every child under 12 years who is referred to the Gift Appeal. If you are interested in supporting this initiative email: 3081angels@bchs.org.au with the subject heading Banyule Children's Gift Appeal Book Project

Get Involved

Volunteer: Volunteers support the gift appeal by packing and delivering gift parcels and collecting donations. If you would like to volunteer email volunteers@dvsupport.org.au or phone 9435 8282

Community Group donations drive: Every year community groups and local businesses run donation drives for the Gift Appeal. Register your group as a participant by emailing libby.mein@banyule.vic.gov.au or phone 9457 9961.

Visit banyule.vic.gov.au/GiftAppeal to learn more.

The Banyule Children's Gift Appeal is delivered in partnership with:
