Principal's Report

Congratulations to our Prep students as they're completing their first fulltime fortnight at school! I commend the preps, Jill and parents, on how well they have settled into class routines and begun to build friendship groups. It's always a pleasure to visit the Prep classroom and see their excitement at learning new skills, and their pride and enthusiasm to share their efforts.

We were very excited last Friday when the refurbishment of the outside toilets and staff toilets were completed. Our students were very impressed with the new décor and one of our Grade 1/2 students summed everyone's feelings up beautifully when he said, 'Wow, they're like rich people's toilets!'

Work has begun on the indoor toilets and we're looking forward to their completion. The removal works have been quite noisy this week and classes adjacent to the project were able to move to the classrooms in the heritage building. The rebuilding and installation stages are expected to be quieter.

Twilight Sports

We were very disappointed that we were unable to hold our Twilight Sports last week due to inclement weather. Our House Captains and Vice Captains had been working hard to prepare for the night and classes had been excitedly practising their events. We appreciate the efforts of Parents and Friends to also organise everything required for the barbecue. The good news is that we have rescheduled the sports to April 3rd, the last Monday of term, so that it can be a celebration and excellent way of ending the term. We know daylight saving will be over then, so we'll start the barbeque at 5pm and events will run from 5:30 – 6:30pm. We hope this advance notice will allow many families to join us on the night.

Art Extension and our Friendship Tree Garden

We have been in further contact with Lisa, the activities coordinator at Eltham Bunnings, to discuss exciting plans to decorate and remodel our Friendship Tree Garden. Kristy, our art teacher, will work with a group of students who have self-identified or been recognised by staff as having a strong interest in art, and Lisa, to paint decorative terracotta pots, gnomes and fairies for the garden. Plans also include decorating fairy houses, tiles, pavers and windchimes. Items for the Fairy Garden will be donated by Bunnings and we are very grateful for their continued support.

Clean Up Australia Day

Sunday 5th March was 'Clean Up Australia Day' and we thank Laura T for raising awareness of the importance of improving the environment, by registering a Clean Up Day at school. Whilst we're very disappointed there was rubbish in the yard to collect, we're proud of our students working together to improve our grounds by picking up the litter from lunches and snacks.

'Clean Up Australia' started out as a simple idea by Ian Kiernan to improve his local area and it's now grown into Australia's largest community environmental event. We're proud our students joined the millions of people who over the years, have donated their time to care for our environment.

Staffing

We are very pleased to advise everyone that we have made a provisional appointment for the Grade 1/2B Parental Leave position. (As per DET protocols, new appointments are provisional for two weeks until the appeal period is over.) Alessia Celotto was the successful candidate and will be a wonderful addition to our staff. Alessia has impressed us, not only in the interview but on the many days she has worked with us this year as a CRT and become familiar with our programs, students and staff. Alessia is replacing Margaret whilst she is on leave this fortnight and is timetabled to work and meet with Laura and the grade for several sessions. Alessia will also have a formal handover and induction. Alessia is excited to be joining our wonderful community at GPS and is an 'excellent fit' with the values and culture of our school.

Easter Parade

Families new to our school this year may not know that on the last day of term, Thursday 6th April, we will have our annual Easter Hat Parade at 9.10 am on the netball court. This is a fun morning when students, and pre-schoolers wear their wonderful creations, each grade then has a special activity, followed by an Easter Egg Hunt on the oval. Our Grade 5/6 student leaders will soon begin planning for this special day and we hope many family members can join us. A highlight of this day is the Grade 6 egg toss, where students in pairs try to throw and catch a real egg the longest distance without breaking it! Our Grade Six teachers, Paula and Jesse, will then attempt to throw further than the students and challenge for the overall title. Parents and Friends are creating hampers as prizes for the Easter Raffle, so if families would like to donate eggs or Easter items for raffle prizes, please send them along to the office.

Curriculum Days

A reminder that tomorrow is a Curriculum Day and students do not attend school. Staff will work offsite with schools in our North Eastern Team. The remaining 2023 Curriculum Day dates are listed below:

- ❖ **Tomorrow – Friday 10th March** – NESST Curriculum Day – Focussing on Numeracy and Wellbeing
- ❖ **Term Two** – Monday 8th May – Focus on PAT R – Reading Assessment
- ❖ **Term Four** – Monday before Cup Day, 6th November – Assessment and Reporting

Please contact OSHClub if you wish to book your children in for care and supervision on curriculum days.

2024 Prep Enrolments

If any families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible, (this includes siblings of current students). We have already had a number of enquiries and school tours for places in 2024 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Emergency Management and Anaphylaxis Drills

Student safety is very important to us at Greensborough Primary and each term we practise emergency management drills. This includes evacuations, lock-ins and treatment of an anaphylactic reactions in the yard or classroom. Prior to our drills, teachers discuss correct procedures in a sensitive and age-appropriate manner with their grades. Each time we rehearse we commend our students on their calm, prompt responses. Our OH&S Rep, Claire E., acts as an observer to our drills and completes a DET checklist so that we can acknowledge what's working well and address any areas for improvement. Whilst none of the staff have ever had to evacuate or administer an epipen to a student in our teaching careers, being prepared is always our best management option.

We are very proud of our Student Leaders at GPS and attached to this newsletter are photos of our 2023 leadership groups.

NAPLAN 2023 - Grade 3 & 5

Dear Families,

This year the NAPLAN Testing window has changed. Following on from the first successful NAPLAN Online last year, the NAPLAN Testing window is now held between **Wednesday 15th March & Monday 27th March**.

Fortunately, schools have been given greater flexibility when it comes to the facilitation of **NAPLAN**, as well as students given the opportunity to complete adaptive assessments online. This means that the assessment itself adapts to the way your child answers the NAPLAN questions, giving a greater snapshot of their current learning level and ability. I am writing today to let you know our current plans and provide you with some additional information that is relevant if your child is in Grade 3 and/or Grade 5 and sitting NAPLAN this year.

NAPLAN Testing Timetable

Based on all the information we currently have available, below is tabled the NAPLAN timetable and our plan here at Greensborough to facilitate NAPLAN 2023.

NAPLAN Test	Grade 3	Grade 5
Writing	Wednesday 15th March 9:00am to 10:00am <i>Paper Based Writing Assessment</i>	Wednesday 15th March 9:00am to 10:00am <i>ICT Based Assessment</i>
Reading	Thursday 16th March 9:00am to 10:00am <i>ICT Based Assessment</i>	Thursday 16th March 9:00am to 10:00am <i>ICT Based Assessment</i>
Conventions of Language	Monday 20th March 9:00am to 10:00am <i>ICT Based Assessment</i>	Monday 20th March 9:00am to 10:00am <i>ICT Based Assessment</i>
Numeracy	Wednesday 22nd March 9:00am to 10:00am <i>ICT Based Assessment</i>	Wednesday 22nd March 9:00am to 10:00am <i>ICT Based Assessment</i>

On Compass you will also find an additional NAPLAN Brochure provided to us by ACARA, titled 'Information for NAPLAN Parents and Carers 2023'. For further information, you are also welcome to explore the NAPLAN Website:

<https://www.nap.edu.au/naplan/for-parents-carers>

Should any of the above information change in future, please stay tuned via Compass.

If you have any questions or queries, please contact myself or the school on 03 9435 1496.

Kind Regards,

Jesse Stephens

STUDENT WELLBEING

Hi Everyone!

A PARENTS/CARERS INFLUENCE

Recently I was in a lift at a shopping centre with an elderly lady and a young father and his son, aged about 20 months old. The lady asked the child for a Hi 5 which he gave with an open hand. The father then instructed his son to give a Hi 5 with his knuckles (*as males do!*), which again he did. I said to the father, 'It's easy to see who his son spends a lot of time with!' 'Yes', said his smiling father, 'and it is so much fun!'

Yes, 'it takes a village to raise a child' but a parent's influence is most important in the early years, including during their primary education years, more important than any school Principal or Teacher and Support Staff.

Despite peers becoming increasingly important, parents' early influences (*positive and negative*) primarily remain as children become young people making choices for themselves.

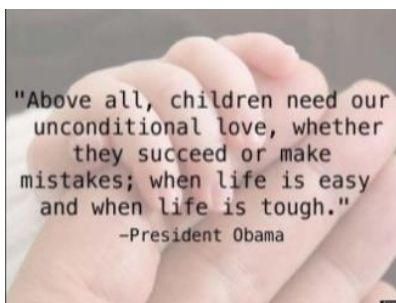

These influences include coping skills with emotions, levels of empathy and respect for others and their community *despite differences in gender, culture and faith*, as well as *attitudes towards learning, exercising and healthy eating*.

During my time at GPS it has been a joy to get to know a number of you. I have shared in stories of resilience and perseverance as you have pushed through times of trauma and become the wonderful persons you are. I have seen the wonderful results of parenting with a goal of wanting better for your children.

There is much parents can do to provide the nurturing a child needs and an environment that fosters his/her growth. When you use your parental 'superpower' to do so, you can help your child become the best that he can uniquely be.

Ultimately, a child needs you more than money or things. You are the greatest early influence as they depend on you for their physical and emotional needs.

AND WE NEED YOU! We need your support as we care for and endeavour to help your children become eager learners who are also active and healthy - emotionally and physically.

Sometimes this involves praise and reward. Other times it involves consequences for wrong choices.

As a parent I know how difficult it can be, but also I know how rewarding it can be!

Let's continue to work together for these wonderful young people.

Take care & stay well!

VISUAL ART News *from Kristy Bedford*

Students in years 3-6 have been using paper as the medium to explore different ways it can be manipulated to create 3D sculptures and constructions. Next week they will complete their final piece for this unit of work, a free choice sculpture, that showcases the skills and techniques they've learnt.

Here, the Year 5 and Year 6 students experimented with origami, the Japanese art of paper folding, to create these vibrant Radial Paper Relief Sculptures. Pop into the office to take a closer look at these stunning pieces of art!

Please note:

If you arrive late to Inter School Sports and drop your child at the sporting ground, parents still need to notify the school office via phone, so your child can be marked as present on the roll.

What's been happening...

Rise and Shine it's time to come and have a well balanced breakfast combined with some fun activities. Maybe mornings aren't your thing? Why don't you stay and play after school. It's a great way of catching up with your friends after having a yummy snack. Build a tower, do some cooking or be creative in the arts department.

We are always hoping the children will offer suggestions for their play experiences and take ownership of their time. Let's see what adventures our new little purple box can lead us to this week.

Our next Holiday Program will be open for bookings soon. Always a popular time so keep an eye out for our brochure and plan your bookings early to avoid disappointment.

We look forward to being of service to you soon.
