Principal's Report

It's a Boy!

We're very pleased to congratulate Laura and her husband, Adrian, on the safe arrival of their beautiful baby son. Laura and

Adrian are happy for us to share this photo of Laura and Bobby, and we can clearly see that motherhood suits Laura and that Bobby is much loved. We wish Laura and Adrian every happiness with their new family member!

Semester Two Staffing

Our class teachers new to Greensborough Primary in 2023, Alessia and Vanessa, are doing a fabulous job and have enjoyed their first semester of teaching. Their grades are thriving, and we congratulate them on a successful start to their career. Vanessa, however, had always expressed the desire to teach part time and now we have been able to hire an excellent, experienced teacher to share the grade with her.

We have appointed Kate Crilly as our new 0.4 classroom teacher. Kate has worked at GPS this year as a Casual Relief Teacher and has begun to build strong relationships with staff and students. Kate is familiar with our school programs and has proven to be an excellent teacher. She comes highly recommended from her previous school and we welcome her to GPS.

Families of students in Grade 3/4B were advised earlier today and we'll have a thorough induction prior to Kate starting. Both Kate and Vanessa are looking forward to working together as class teachers of Grade 3/4B. Kate will work Monday – Tuesdays, and Vanessa will work Wednesday – Friday.

Curriculum Overview

I was very impressed yesterday when I visited the Grade 5/6 classrooms during their History Expo. Students were very knowledgeable about the Gold Rush and Eureka Rebellion and their journals reflected a strong knowledge of life during this period of Australian history. Students proudly shared their work with staff and students from other grades and their enthusiasm and engagement in their work was very evident.

Students in Grade 3 – 6 also attended a webinar by author Andy Griffiths this week, who shared his journey to become a successful writer and P – 2 students had a session with Matt Cosgrove. This capped off what's been a busy and productive term, as staff worked collaboratively to plan and deliver engaging learning tasks for their classes, including excursions, incursions and Discovery Units, as well as regular class programs.

Our suite of Extension, Intervention and Tutoring programs offer students additional support to reach their potential. The Victorian High-Ability Program and Challenge and Enrichment Series is continuing to engage and extend selected students and the Maths Olympiad is an excellent opportunity for our highly numerate students to showcase their talent. The Premier's Reading Challenge has begun, and the P – 2 Clubs program is a highlight of their week.

Student Voice and Agency is being developed through our Kindness Crusaders, the Friendship Tree and Junior School Council. We're looking forward to the 'Ice Bucket Challenge' JSC is coordinating to raise funds to find a cure for Motor Neurone Disease. This is a very worthy cause and I commend the JSC for raising our awareness. Information about this fundraiser is included later in this newsletter.

Planning for next term's programs is well underway and this includes our swimming and dance lessons. The ten dance lessons with Footsteps Dance Company are included in our Parent Payments, as is the cost of the bus to Montmorency Secondary College for our performance. Families who have not paid this year's Parent Payment are required to pay \$50 for the dance program and transport cost.

Also next term, we have our Book Week celebrations which are a highlight of our school year and our annual poetry competition. Margaret is currently liaising with teachers to finalise names of students requiring additional support in oral language, numeracy or literacy, and also those students requiring extension. Lunchtime programs of Chessmate, P – 6 Coding and Tennis P – 6 are also available for students to book into by contacting the external providers.

Reporting and Parent/Teacher Interviews Wednesday 21st June

Thank you to the staff for their diligence and hard work in evaluating student results and writing reports. Staff spend many hours on this process and whilst it is a normal part of their role as teachers, they have demonstrated their deep knowledge of the students they teach and reported accurately to parents so that our students' social and academic progress can be celebrated. Areas for improvement and future learning were also identified and these will be the focus for future learning in Semester Two.

Thank you to parents who have logged on to COMPASS and booked your Parent/Teacher interview time. If any families haven't booked a time by tomorrow morning, teachers will allocate a time for you, and you'll receive a message on COMPASS. If you are unable to attend this appointment, please log on and change the time. Reports for students will be sent to parents and carers via COMPASS tomorrow afternoon, Friday 16th June at 4:00pm.

Parent Survey: Twenty Responses Needed!

Thank you to the families who completed the feedback survey, emailed on COMPASS, to assist us with accurate data for our School Review later this year. **We still require an additional twenty families to complete the survey for us to achieve our target of a 60% response rate.** It's extremely important that we have the majority of families complete the feedback survey to give us accurate data for our School Review. Please click on the link <https://forms.gle/vrinoxbQr1LHRADr6> and answer the **2 questions**.

- ★ Name three things Greensborough Primary School does well.
- ★ Are there any areas for improvement that you would like to see implemented at the school?

Thank you in advance for your support, as the information you provide will assist us to not only evaluate our progress, but also plan for the future. Students and staff will also have opportunities to give their feedback in class.

Thank You Volunteers

A huge thankyou to Wayne, Geoff and Les who are replacing the sleeper wall surrounding our Friendship Tree Garden. This is a big task, taking many weeks to complete and we are very grateful to Wayne for coordinating this project and giving his time and expertise. If any parents were able to assist Wayne and his helpers by moving the new sleepers from their current location just inside the gate near the oval, closer to the Friendship Tree, it would be greatly appreciated. Please see myself or Margaret if you can assist.

Thank you also to Parents and Friends and families who supported their fundraising efforts this semester. We know that a great deal of time and energy goes into organizing the fundraisers and we greatly appreciate their efforts. Not only does P&F raise funds for valuable school resources, it provides many wonderful memories for students as they purchase Mothers'/Fathers' day presents, etc. It also provides entry points for parents and family members to engage with the school and be connected to our community. This is a really important aspect of the culture of our school, and I'd like to thank the current committee members, especially Kate, not only for their hard work but also for establishing an inclusive and welcoming culture for our families.

Thank you everyone for a terrific term! This will be the final newsletter of the term and if there are further updates next week, families will be notified by COMPASS. I wish everyone a happy and safe holiday and I

look forward to everyone returning reinvigorated on Monday 10th July. There will be a final assembly at 1:15 next Friday 23rd June, followed by our usual end of term finish time of 1:30pm.

Angela Morrìt

Principal

2024 Prep Enrolments – Due 28 July 2023

Under the new DET Enrolment Guidelines, all 2024 Preps should submit their applications by July 28th, 2023. If any families know anyone who is coming to Greensborough Primary next year, including siblings of current students, please encourage them to register their details by July 28th, 2023. We have already had a number of enquiries and school tours for places in 2024 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Parents and Friends Association

Hello Families and Friends,

As term 2 draws to a close, we have had some great fundraisers this term. Thanks to everyone who ordered pasta in our fundraiser last week. We raised \$150 towards our fundraising goals.

The Parents & Friends Team and I are looking forward to Term 3. We will be hosting a Silent Auction and 80s Trivia Night with a DJ and Disco, so please save the date – 19 August 2023. More details will follow soon.

In Term 3 we also have our annual Pie Drive, so everyone will have an opportunity to fill up their freezers with yummy pies.

Once again thank you for your support and we wish you all a safe and happy holiday break.

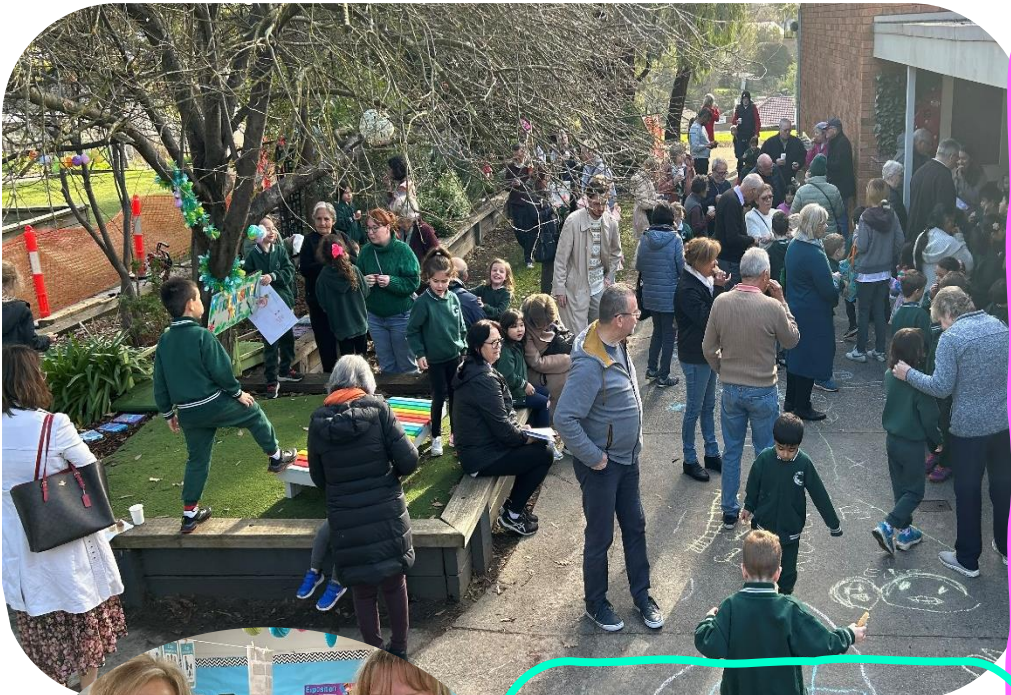

Kind regards,

Kate S Doyle

For P & F Association team

Special Visitors Day at GPS

On Special Visitors Day, I brought my Nana and my Grandpa. We did lots of fun activities. First of all we did some colouring and then we went to Miss Chen's class room and we did an 'All About Me' activity and made lots of bookmarks. Next, we went to the Lego room and we made a boat, it was really cool. My favourite part was having lots of fun with my Nan and Grandad.

By *Olivia*

On June 2nd, we went to school with our special visitors or grandparents. I shared my Grandma with my BFF Tanishka! Firstly, we did a grandparents wordsearch but my favourite part of the day was when I did coding with my Grandma, Tanishka and Mr. Derrick. By *Kashvika*

On Special Visitors Day, my Grandad, Grandma and cousin came to visit. In the Prep room and we ate chocolate chip cookies, it was a blast! My favourite part of the day was playing soccer on the oval.

By *Caleb*

On Friday June 2nd, it was Grandparents and Special Visitors Day. My Grandpa, Grandma and Paati came. First of all I did a wordsearch and then went to the hall to play with the robot Dash. I showed my special visitors around the school and then it was time for morning tea. I loved spending time with my grandparents and I had a fun time!

By *Shyamala*

STATE LIBRARY VICTORIA

Greensborough Primary School

Book Bash Series

This week, our P – 6 students had the fantastic opportunity to Zoom into the State Library of Victoria to meet some outstanding authors and illustrators. On Tuesday, our P – 2 students met Matt Cosgrove, author of Macca the Alpaca series and many others. It was a great experience, breaking down the basics of illustration and character creation. On Wednesday, our 3 – 6 students listened to Andy Griffiths, exploring the often wacky and quirky worlds he explores, based on a combination of research and imagination.

A BIG THANKS to the State Library of Victoria for this fantastic opportunity to meet these great Australian storytellers!

3/4 History Box Incursion

On Wednesday the 31st of May the grade 3/4 students attended the 'History Box Incursion'. We got dressed up and did a lot of cool hands-on activities including grinding spices, creating clay dolls, making convict love tokens and playing games of Ngaka Ngaka. Everyone had a great time and we learnt so many things about The Aboriginal Torres Strait Islander life. ~Elvy and Heidi.

I liked playing the game Ngaka Ngaka as it was similar to noughts and crosses. Another reason why I enjoyed it was it didn't matter who won as it was all about having fun with your partner in the game. -Charlie

I liked doll making with the wet clay as I enjoy crafts. -Ella

My favourite activity was grinding spices because I could take them home and use them to cook with. -Lachie

STUDENT WELLBEING

Hi Everyone,

Yes, **WINTER** is upon us! How are you 'travelling'? I actually enjoy **WINTER**, although it means saying 'goodbye' to my favourite season of **AUTUMN**.

I realise that some, including children and young people, experience the **WINTER BLUES**. I'd like to put a positive spin on **WINTER**!

Firstly, there are health benefits:

- ★ Our bodies need to cool to a certain temperature in order to sleep – no more tossing and turning due to the heat of Summer. **WINTER** is a great time for rest and sleep, snuggled under the doona or blankets.
- ★ Less allergies due to less pollens.
- ★ Cooler, fresh air makes our heart work harder keeping our circulation going. In cold weather, the heart works harder during periods of physical exertion to pump blood and maintain the body's temperature. That's a good thing - exercising outdoors in the **WINTER** makes the heart stronger. Also, our muscles generally work harder to keep us warm, helping us to use more energy while keeping fit.
- ★ We tend to breathe more deeply during **WINTER** taking in the fresh air – this deep breathing is excellent for our mental health.

SO, RUG UP AND ENJOY THE GREAT OUTDOORS DURING WINTER!

Secondly, there are benefits from observing nature:

Many plants, trees and animals take time to relax and replenish over **WINTER**, waiting for the renewal of **SPRING**. Observe the plants that go to 'sleep', observe the business of wildlife as it prepares for **WINTER**. **WINTER** is also a time for us to rest and reflect. For many people, shorter days and colder temperatures signal a time to slow down and enjoy the simple things in life.

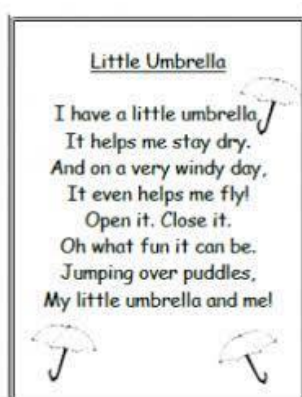

Thirdly, maintain an **ATTITUDE OF GRATITUDE**:

- ★ Be thankful for life itself.
- ★ Be thankful for warm clothes and homes.
- ★ Be thankful for warm drinks and meals.
- ★ Be thankful for the warm hugs of loved ones.
- ★ Be thankful that we can still enjoy outdoor activities – the **WINTER** sun on our faces, the rain that sustains life, fun in the snow and, dare I say it, puddles!
- ★ The joy of giving warm food and clothes to those who need them.

Of course, some **WINTER** days are best enjoyed indoors: warm chocolate and marshmallows, soup, roasts, reading, knitting, craft, Lego, boardgames, a good family movie and popcorn, plus JUST A LITTLE GAMING!

So, I wish everyone a safe, warm **WINTER** break enjoying both the fresh air and the love and warmth of your homes! The **WHOLE SCHOOL COMMUNITY** deserves a restful break after a very busy term. Encourage our children and young people to embrace **WINTER**.

Take care & stay warm!

Robyn Mulholland

Student Wellbeing

Mondays, Wednesdays & Thursdays 9:00am to 3:30pm

robyn.mulholland@education.vic.gov.au

Our Junior School Council is looking forward to bringing the Big Freeze to GPS! The money we raise will go towards finding better treatments, care – and ultimately, a cure for MND.

Our voting table will be open for students, parents and staff to vote on who they would like to participate in the "Ice Bucket Challenge"

When: Tuesday 20th - Thursday 22nd 9am

Cost: Each gold coin donation gives you one vote.

ICE BUCKET CHALLENGE

We will count our votes, and one lucky teacher will experience the "Ice Bucket Challenge" during Assembly on the last day of school

When: Assembly Friday 23rd

Staff Participating: Jill Chen, Leo Derrick, Jesse Stephens, Kylie Freestone, Alison Gibson, Paula Ly, Claire Embling, Vanessa Cunningham and Angela Morritt.

DRESS IN BLUE

Students can also dress in blue on the last day of voting to support our fight for MND.

When : Thursday 22nd

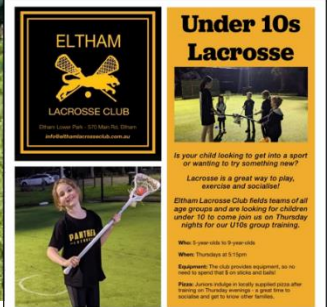

Cost: A gold coin donation

Physical Education

LACROSSE at GPS

For the last few weeks, the students have been participating in a lacrosse clinic provided by the Eltham Lacrosse Club. It has been amazing to see students so quickly pick up a new sport in such a safe and competitive atmosphere.

INTERSCHOOL SPORT REPORT

Round 6 & 7

The students in Years 4 – 6 participated in the Round 6 & 7 of Winter Interschool Sports! In round 6 we played Watsonia North away and in Round 7 we had a bye.

The Round 6 results vs Watsonia Heights Primary School were:

★ AFL:		67 – 6	(WNPS won)
★ Soccer:		7 – 3	(WNPS won)
★ Softball:		14 – 13	(WNPS won)
★ Netball:	A:	24 – 3	(WNPS won)
★ Netball:	B:	4 – 6	(GPS won)

This week is the make-up round where GPS will be playing away against Bundoora. A big thank you for all the support this season, even with the wet weather.

GO GREENSBOROUGH!

What's been happening...

Last week we held a Bake Off to help raise money for The Smith Family. The children worked tirelessly preparing and cooking various types of goodies for sale. With consent from the school and families our student leaders and several of our enthusiastic children arrived at school early (and stayed back late) to sell their produce to a very receptive school community. We sold, Cup Cakes, Churros, Apple Turnovers, Chocolate Balls and Spring Rolls. I am extremely honored to report that we raised \$147.50 which will go toward the vital work that The Smith Family carry out and **sincerely** thank **everyone** for getting behind this wonderful cause. I am especially **PROUD** of our beautiful children who gave whole heartedly to this task. Well Done!!!

Don't forget early dismissal next Friday 23rd, June, 1.30pm. Bookings for care are now open for your convenience.

Photo Gallery

Special Announcements

Winter School Holiday Program is now open for Bookings. The movie we are viewing during the second week is Elemental. Plenty of spaces still available. We would love to see you there.

- 23rd June** Last Day of Term 2 - Early Dismissal
- 26th June** School Holiday Program Begins

Student of the Week

This week it gives me great pleasure in announcing a remarkable Student of the Week. We would love to congratulate Charlotte for her enthusiasm, leadership and assistance during our recent Smith Family Bake Off. Although there were many other diligent helpers Charlotte was inspirational and extended to making advertising signs which lifted the profile of our wares contributing to the success of our project. So thankful for your energy and time. From all of us at OSHClub we say thank you and well done.

Quality Area Reflection

QUALITY AREAS WE ARE FOCUSING ON:
Links with the Community.

NOTICE - ALLERGY - Please ensure all food is nut free

Monday 26 June

CAMPING FUN

IN-SERVICE

Hi ho, hi ho, a-camping we will go. Pack your bags and join us on our camping trip as we tell camp stories and make some camp crafts.

Learn to fend for yourself in the bush today with DIY binoculars and homestyle damper.

Monday 03 July

WHOLESOME WARRIORS

Customer Service 1300 395 735

Junior Adventures Group continues to pioneer the OSHC sector, building stronger communities and brighter futures for more than 70,000 children, 50,000 families and more than 450 schools across Australia.

Our Values

- Considerate - Be there for others
- Passionate - Bring energy and determination
- Courageous - Challenge ourselves

The values we share guide our behaviour as we work towards our vision to **build brighter futures together.**

What we offer

- A healthy, safe, respectful and engaging environment
- Caring, enthusiastic, fun and friendly team
- New and popular excursions, incursions and theme days
- Stimulating experiences tailored to children's interests, abilities and current trends
- OSHClub endeavour to link each fun experience to key learning outcomes

We are a child safe organisation

What Does My Child Bring?

Please bring breakfast, morning tea, lunch, afternoon tea and a refillable drink bottle. If bringing food please make sure it's nutritious and doesn't require heating or cooking.

Please be mindful of the planned incursion/excursion and ensure your children are dressed appropriately. Don't forget your sun smart hat, comfortable clothes, closed shoes and a drink bottle.

To avoid loss or disappointment, please leave your valuables, money and electronic toys (including tablets and smartphones) at home.

Healthy Eating

OSHClub follows the Australian dietary guidelines which can be found at <https://www.eatforhealth.gov.au>

Activity Changes

If an excursion or incursion (if applicable) is cancelled, an alternate activity of equal value will be provided where possible.

Before making your booking & cancellations

Enrol your child with OSHClub prior to booking via oshclub.com.au. Holiday bookings can be made online up to 5 days before the session commences. To make a booking after this time, please contact our Customer Experience team on 1300 395 735. Late bookings will incur an additional \$4.00 fee. To avoid any out of pocket costs, cancellations must be made at least 7 days before the session commences. Cancellations within this period will incur the full fee, less any applicable CCS.

Child care subsidy

All our services are CCS approved. To find out whether you are eligible, please contact the Centrelink Family Line on 13 61 50. CCS is applicable to both the base fee and additional incursion and Excursion surcharges.

Children with additional needs

We support all children including children with additional needs. If you would like to provide additional information about your child and his/her needs or require inclusion support funding, please contact us 6 weeks prior to program commencement on 0447 868 204 for staffing purposes.
