Dear 2024 Prep Parents,

Greensborough Primary School has a team of dedicated parents who form our Parents and Friends Group (P&F). Each year, along with a larger and very supportive group of school families, P&F raises funds which are used to purchase resources for students. In the past this has included: new literacy books for our Preps to Grade 2s, paying the lease for a classroom sets of laptops and i-pads, renewing our hall flooring, laying synthetic turf on the basketball court, installation of the large screen and projector in the hall and the list goes on. We also support events in the school such as entertainment for our end of year family picnic.

Greensborough Primary would really appreciate your help and support in 2024. Volunteering at the school is a great opportunity to gain an insight into and understanding of the school and also to support the supply of resources and opportunities for your child.

You can be involved in P&F by:

- Attending meetings (usually two a term during the school day with younger siblings very welcome)
- Volunteering for activities such as sausage sizzles, special food day lunches, assisting with Mothers' Day and Fathers' Day stalls, raffles, etc
- Approaching businesses for donations or support for the school, e.g. Trivia Night.

If you are interested in being involved, or would like more information, please complete the tear off slip below and return it to the school and one of the members of the Parents and Friends team will make contact.

Thank you for your interest in and support of the school.

Yours Sincerely,

Parents and Friends.
