<i>Friday 28 June 2024</i>	Last day of Term 2 – Early Dismissal – 1:30 pm
<i>Friday 19 July 2024</i>	Scienceworks Excursion – Whole School

### Principal's Report

# It's a girl!

We're very pleased to congratulate Jesse Stephens and his partner, Emily, on the safe arrival of their beautiful baby daughter, Adaline Kate.

Proud parents, Jesse and Emily are happy for us to share this photo of Adaline and they've even had an online meeting with the Grade 5/6s! We wish Jesse and Emily every happiness with their new family member!

# Cooperation Achievement Respect Empathy

Thank you to all the parents and family members who attended our Open Morning for Education Week. It was lovely to see everyone's enthusiasm and problem-solving to complete the STEM tasks. We hope everyone enjoyed the opportunity to share in their child's class activities and the morning tea afterwards.

It was also terrific to see students and family members, walk, ride or scoot to school last Friday for 'Walk Safely To School Day'. Developing healthy habits early in life will hold our students in good stead for later years.

### **Positive Raffle Rewards – \$20 Gift Voucher**

To acknowledge our students who are displaying our school values, playing fairly, taking turns and generally enjoying their play time playing in the yard during breaks, we are re-introducing our reward raffle tickets. Teachers on yard duty are writing down the names of students displaying the above behaviours on raffle tickets, which are placed in a box in the office. At assembly each Monday until the end of term, one ticket will be drawn out and the winner will receive a \$20 gift voucher for the plaza! Parents will be advised before the voucher is sent home on Tuesdays. We have so many students with excellent behaviour that we already have hundreds of tickets in the current draw!

### **Thank-you Parents and Friends**

Thank you to Parents and Friends for organising the Mothers' Day Stall last Friday and donating their time for this event. Our students greatly enjoyed the opportunity to select a gift for the special person in their lives. Each year the choice of which gift to purchase becomes more difficult as the items for sale are all highly desirable and there's something for everyone's budget. I hope everyone enjoyed 'Mothers' Day' and was able to spend time with loved ones.

It was also a delight to see the Preps' excitement as they pampered their mothers, grandmothers or invited guests with hand massages, nail polishing and shared a tasty afternoon tea!

Parents and Friends are organising an entertaining **Silent Auction Fundraiser and Trivia Night next Friday 24<sup>th</sup> May**. There are still some tickets available, so please contact the office if you'd like to join a table or bring along some friends.

### **Brain food: One Hand-held Healthy Snack**

A gentle reminder to families that at 10am each day our students eat their 'Brain Food' between the first and second lessons of the day. Children don't actually stop working during this time, rather they eat their snack while listening to teachers introduce the next lesson. **Therefore, we ask parents/carers to pack a snack that students can remove from their lunch box and carry in one hand to the mat or table, rather than bring food that requires spoons or containers to eat.** Food that requires spoons etc, can still be eaten at recess and lunch breaks. Thank you for supporting teachers to maximise their class learning time.

**C**ooperation **A**chievement **R**espect **E**mpathy

## Footsteps Dance Program Term Three

Planning for next term's programs is well underway and this includes our dance lessons. The ten dance lessons with Footsteps Dance Company are included in our Parent Payments, as is the cost of the bus to Montmorency Secondary College for our performance. **Families who have not paid this year's Parent Payment are required to pay \$50 for the dance program and transport cost.**

The program uses dance as a vehicle to develop students' inter/intrapersonal skills, fitness levels and provide teachers with classroom resources. The program is fun and exciting for students and culminates in a performance for parents.

## Student Support Group Meetings

A COMPASS post was sent this week to the parents of students who have Student Support Group meetings (SSGs), asking if they would prefer a Parent/Teacher Interview after reports are sent home or an SSG in the week before. Parents are asked to contact your child's class teacher to arrange a mutually convenient time for the SSG.

## Parent Teacher Interviews – Wednesday 26th June

Semester One Reports will be emailed to parents and carers on COMPASS on Friday 21<sup>st</sup> June. These will be followed by Parent/Teacher Interviews on Wednesday 26<sup>th</sup> June from 2:10pm – 7:00pm. Information will be sent home via COMPASS in the next fortnight for parents/carers to book a time for their Interviews. If any parents/carers experience difficulty with the COMPASS booking process, please contact the office for assistance. Families with more than one student attending GPS are advised to book early so that you are able to arrange sessions close together, rather than have large time gaps between meetings. So as not to inconvenience families, meetings will need to run on time and adhere to the ten-minute time allowance, therefore if any parents require additional time, a further meeting can be arranged on another date.

## Attitudes To School Survey Grades 4 – 6

We value Student Voice as a means to improving student engagement, wellbeing and quality instruction, and over the next fortnight, we are conducting a survey to find out what children in Grades 4 – 6 think of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience. Further information was sent home to parents of students in Grades 4 – 6 yesterday via COMPASS. Participation in this survey is voluntary and if parents do not wish for their child to do the survey, they will be able to opt out via email to AToSS Coordinator – Jacinta Simpson, [Jacinta.simpson2@education.vic.gov.au](mailto:Jacinta.simpson2@education.vic.gov.au) before the survey begins on Monday 20<sup>th</sup> May.

## 2025 Prep Enrolments – Enrol by Friday 26<sup>th</sup> 28 July 2024

If any families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible, (this includes siblings of current students). Under the new DET guidelines all 2025 Prep enrolments should be completed by 26 July 2024. We have already had a number of enquiries and school tours for places in 2025 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Parents/Carers will be notified of the outcome of the application between Monday 29 July and Friday 9 August 2024. If an enrolment offer is sent, it should be accepted by Friday 23 August 2024.

*I will be taking Leave in the coming weeks and Margaret Hirth will be Acting Principal during this time. I am looking forward to visiting the Amazon, Machu Pichu and other highlights of Peru!*

*Angela Morrìtt*

Principal

**C**ooperation **A**chievement **R**espect **E**mpathy

## DET Information to Families about School Saving Bonus

Dear parents and carers,

You may have seen the recent announcement of the School Saving Bonus, as part of the Victorian Budget 2024/25. We are sharing more information about how families will be able to access and use this support.

This one-off support will include \$400 for each eligible student to help families cover the costs of school uniforms and activities in 2025.

It will be available to parents and carers of every child enrolled in a Victorian government school in 2025.

Cash will not be paid directly to individuals or families. Instead, families will receive the bonus as credits on their school accounts that will help meet the costs of your children's activities and uniforms.

### *Existing supports*

The School Saving Bonus support will be in addition to existing and continuing means-tested supports for camps, sports, excursions and uniforms.

The application-based Affordable School Uniform program, through State Schools' Relief, will continue to be available to families experiencing financial hardship or other forms of vulnerability and short-term crisis. This program allows schools to make multiple applications for support on parents' behalf throughout the year if needed.

There will be more information and guidance about the School Saving Bonus in Term 3, 2024, ahead of its implementation in 2025.

---

## Emergency Clothing Payment

At times, we supply students with dry clothing items to replace their own clothing which may have become wet or muddy. A reminder that if your child is supplied with these items, we greatly appreciate a gold coin donation to ensure we can keep a supply of varied sizes for future use. Items such as shorts and trousers can be washed and returned, however socks and underwear cannot be returned and parents may keep the items.

---

## 2024 Curriculum Days

I know many families like advance notice of our Curriculum Days, so 2024 dates are listed below:

- ★ Monday before Cup Day, 4<sup>th</sup> November
- ★ Friday 20<sup>th</sup> December – Last Day of 2024 School Year

## School Photos

School Photos will be taken Tuesday 28<sup>th</sup> May.. Please see the flyer at the end of this newsletter for more information.

**C**ooperation **A**chievement **R**espect **E**mpathy

# Mother's Day Afternoon Tea

Last Friday, our Preps and their special visitors were treated to an early Mothers' Day Afternoon Tea at school. It was a lovely afternoon filled with scrumptious treats and tea and coffee served fresh for every one of our special visitors. Our Preps had been practising all week in preparation for our hand massage, manicure and reading stations where we got to pamper and spoil our Mums.

Lastly, we presented a special card made in class, to our Mums with a handwritten message to show our gratitude and love.

Thank you to everyone who made this beautiful event possible and thank you to everyone who came to the Mothers' Day Afternoon Tea to spend time with us. It was heart-warming to see our Preps and their special visitors have such an amazing time bonding and making lots of cherishable memories.

*Miss Chen*  
Prep Teacher

**C**ooperation **A**chievement **R**espect **E**mpathy

# MATHS OLYMPIAD

The Maths Olympiad program is designed to challenge students at primary school level and to teach them major problem-solving strategies. The main aims of the program are to:

-  Introduce students to important Mathematical concepts
-  Teach major strategies and develop flexibility for problem solving
-  Encourage enthusiasm and enjoyment of Mathematics
-  Enjoy the challenge of meeting deadlines

The following Greensborough Primary School students are completing the Olympiad this year.

## 5/6 Students:

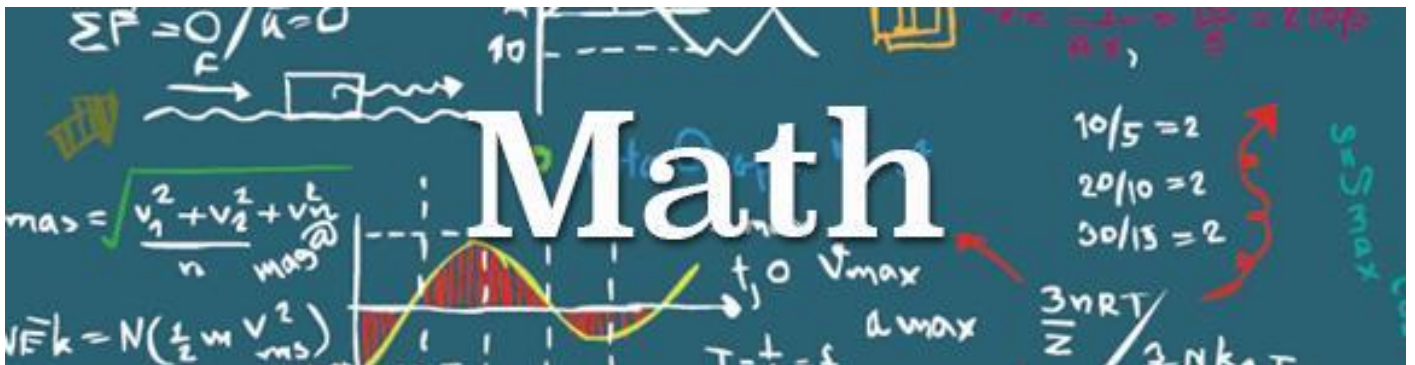

- |  |  |
|--|--|
|  Xavier M      |  Lachie G   |
|  Anne-Sophie A |  Yamee V    |
|  Thomas H     |  Lizzie S  |
|  Maisie G    |  Jay K    |
|  Charlotte C |  Malachai |

## 3/4 Students:

- |   |  |
|---|--|
|  Ren L      |  Kashvika A |
|  Philippa A |  Victor S   |
|  Evelyn H   |  Atri R     |
|  Jacob B    |  Lily S     |
|  Tomas R-L  |  Uriah R    |
|  Hudson M   |  Fatima C   |
|  Drew A     |  Billie G   |

Last week, 24 students from Grades 3 to 6 completed the first test paper for the Maths Olympiad program. We also have four students from the 1/2 area who are also competing the Olympiad.

Congratulations to Vidur R, William G, Celeste C and Ethan R. These students will be completing various tasks within class in Applied Maths sessions throughout Term Two and Term Three.

## Victorian Premiers' Reading Challenge

Every year at Greensborough Primary School, we strongly encourage and fully support all of our students to participate in the Premiers' Reading Challenge. Each and every book that a child reads continues to build their knowledge, wonderment, fluency in reading, vocabulary and comprehension.

Since the challenge began 20 years ago, Victorian children have read more than 45 million books- that is enough to fill nearly 11 Olympic sized swimming pools. This year children across Victoria will read another 4 million books.

We are excited and optimistic that our students at G.P.S could read a record number of books during the 2024 challenge. **In the coming weeks**, letters will be sent home to families that will provide further information regarding the Premiers' Reading Challenge. These letters will also contain a free bookmark plus login details.

In 2023 59 students completed the challenge which was a remarkable achievement. Students were presented with a certificate at our end of year assembly and has a special 'Fish and Chip lunch' in Term Four.

We are expecting that this year's Premiers' Reading Challenge will be bigger than ever!

*Claire Storey*

P.R.C Coordinator

The Victorian High Ability Program (Vhap) provides high ability students from Victorian schools from Grades Five and Six, the opportunity to participate in a 10-week virtual enrichment program.

In Term Two we have several students completing both Primary Maths and Primary English programs and these students will be working with Grades Five and Six students in schools around Victoria to work on tasks that will extend their critical thinking, problem solving and creativity enriching their understanding of English and Mathematics.

## Greensborough Primary School Student participating in 2024:

### Primary Maths:

Lachie G

### Primary English:

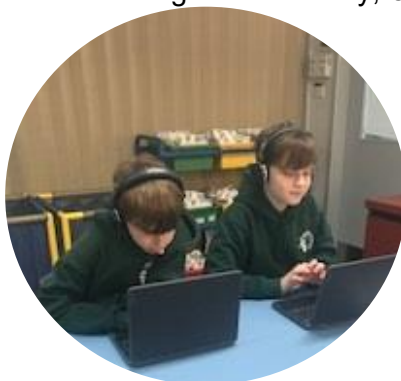

Xavier M

Thomas H

Congratulations to these students for their wonderful achievements. This program will focus on tasks that stimulate students' critical thinking, problem solving and creativity, enriching their understanding of English and Mathematics.

*Claire Storey*

Vhap Coordinator

# STEM WEEK AT GREENSBROUGH PRIMARY

To celebrate STEM week this week, students are all having fun in the classroom with lots of different STEM focused activities, but I thought I would share some of the fun from the beginning of this term up in the Heritage building as a part of STEM classes.

Grade Prep students connected to their classroom's weather focus in STEM at the beginning of this term, by making 'SNOW' with bicarb soda and shaving foam. It was lots of messy, sensory fun!

Grade 1/2 students were looking at what materials are suitable in different weather conditions, including rain. They had to work together to design, build and test a 'rain proof' house. Students placed a LEGO person inside to see if he was dry or wet after a 'sprinkle' from the watering can.

Grade 3/4 students were looking at different natural disasters and how some parts of Australia have to build houses with these factors in mind. Students needed to build a house that was either tall

enough to survive the 10cm 'flood' or buoyant enough not to sink in the flood. Students had fun testing out and evaluating the different successors and what changes they could make.

Grade 5/6 students experimenting with designing and creating different foundations and structures that would be seismic (earthquake) proof. Students had fun working as team to share ideas and testing their creations out using a jelly tub to represent the earthquake levels on the Richter scale.

Leah Ryan

STEM Teacher

# CHOIR

## -THURSDAY FIRST HALF OF LUNCH-

COME ALONG TO MISS CHEN'S ROOM TO  
HAVE A SING AND A DANCE WITH YOUR  
FRIENDS. WE LOOK FORWARD TO SEEING YOU  
THERE!

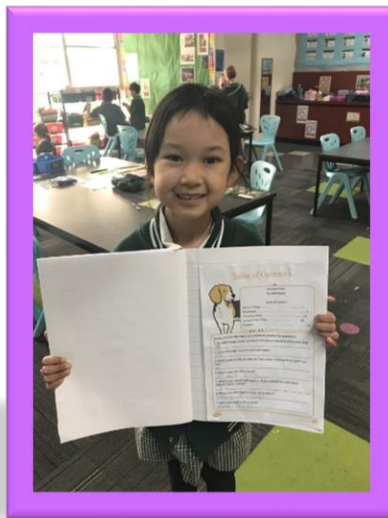

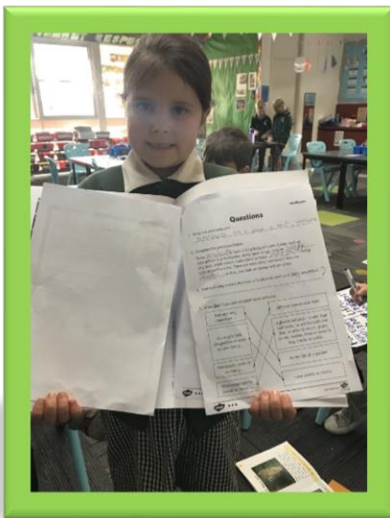

**C**ooperation **A**chievement **R**espect **E**mpathy

# Spotlight on Grades One and Two

## Spotlight on Grades One and Two

This term we have introduced non-fiction texts into our reading sessions. We began by examining the similarities and differences between fiction and non-fiction texts and we are now exploring the features of non-fiction texts, such as, labels, headings, captions, photographs and the contents, glossary and index pages.

Students are using this knowledge to write their very own information report during writing sessions.

## Primary Open Zonal Interschool Chess - Term 2

If anyone is looking for some competitive chess this term, there is still space at the following Primary Open Zonal tournaments:

- ★ Thursday 9 May at Preston Primary School
- ★ Monday 20 May at St Oliver Plunkett Catholic Primary School in Pascoe Vale
- ★ Wednesday 29 May at Balwyn North Primary School
- ★ Wednesday 5 June at Peninsula Grammar in Mt Eliza
- ★ Thursday 13 June at Lilydale Primary School
- ★ Thursday 20 June at Kangaroo Ground Primary School

All events run from 9:30am to 2:00pm, and cost \$25 per student. Before enrolling for a tournament, please check with the office to ensure that it is convenient for your child to attend a chess tournament on that day.

Registration can be made for all events at: <https://www.trybooking.com/CNLFU>

## Parents & Friends Association

### Food Day Fundraisers:

★ Friday 17 May 2024 – Pie & Sausage Roll Food Day.

★ Friday 21 June 2024.

★ Calling on willing volunteers to assist with preparation, packing and delivery of the pie and sausage roll orders this Friday. Please contact the office if you can help.

### Trivia Night Fundraiser:

★ Save the date – Friday 24 May 2024.

★ Tickets are selling fast. Early Bird sales of tickets end this Friday 17 May 2024 so don't miss out!

### Mother's Day Stall Fundraiser:

★ Thank you to all our wonderful parent helpers who volunteered to help our students with their purchases at the Mothers' Day stall last Friday. We hope all our mothers enjoyed their gift on Sunday.

Please contact Yvette or Annie if you have any questions or ideas.

Kind regards,

*Yvette M & Annie A*

# Pupil of the Week

## 2024 ~ Term 2 ~ Week 3

Prep	<i>Eddie</i>	For his fantastic handwriting during dictation.
Grade 1/2 A	<i>Kenzi</i>	For her outstanding effort in writing this week.
Grade 1/2 B	<i>William</i>	For being such a considerate friend to others. Keep it up William!
Grade 3/4 A	<i>Philippa</i>	For her ability to work collaboratively and respectfully with all members of her Discovery group.
Grade 3/4 B	<i>Lola</i>	For always showing our <b>C.A.R.E.</b> values and being her best every day!
Grade 5/6 A	<i>Elvy-Li</i>	For being a kind, considerate and helpful member of the class.
Grade 5/6 B	<i>Lizzie</i>	For always giving 100% to everything she does.
Art	<i>Anvit K Prep</i>	For always approaching your artwork with interest and enthusiasm. We love your positivity in the Artroom!
Library Prep – Grade 2	<i>Elise G 1/2A</i>	For always giving 100% in Library.
Library Grades 3 – 6	<i>Sansa W 3/4A</i>	For her impeccable behaviour and focus during Library.
PE	<i>Fariz S 1/2B</i>	For your amazing skills at the AFL Clinic!
STEM Prep – Grade 2	<i>Gabbie C 1/2B</i>	For the great use of describing words to help sort and compare materials. Well done!
STEM Grades 3 – 6	<i>Raythan N 3/4A</i>	For his positive attitude and great initiative in writing up his scientific findings.

## 2024 ~ Term 2 ~ Week 4

Prep	<i>Talitha</i>	For her efforts in reading. Well done!
Grade 1/2 A	<i>Abigail</i>	For being very helpful and working hard during writing.
Grade 1/2 B	<i>Sid</i>	For working hard in all reading sessions and finishing his Magic Words.
Grade 3/4 A	<i>Hudson</i>	For his amazing weather report about Perth. You are a great Meteorologist!
Grade 3/4 B	<i>Dan Anh</i>	For her fantastic progress in reading this semester. We're so proud of you!
Grade 5/6 A	<i>Steve</i>	For working extremely hard during our STEM rotations. Well done, Steve!
Grade 5/6 B	<i>Malachai</i>	For greeting his teachers each morning with a positive attitude.
Art	<i>Scarlett R 3/4A</i>	For taking on feedback and applying it to your work. Your bird artwork looks amazing!
Library Prep – Grade 2	<i>Talitha S Prep</i>	Great work in Library. You always try your best!
Library Grades 3 – 6	<i>Malachai</i>	For respecting the noise levels in the Library and looking after his books.
PE	<i>Kyson C 1/2B</i>	For a fantastic PE lesson; respectful behaviour and participation.
STEM Prep – Grade 2	<i>Millie M 1/2A</i>	For working super well sorting materials according to their suitability! Well done.
STEM Grades 3 – 6	<i>Xavier M 5/6A</i>	For his great work on his chemical and physical changes activity. Great work, Xav!

# GREENSBOROUGH PS PHOTO DAY

## TUESDAY 28TH MAY 2024

Orders can now be made through your Compass Portal via your email link or under the **COMMUNITY** tab

**PLACE YOUR ORDER NOW TO ENSURE OUR BEST PRICES!**

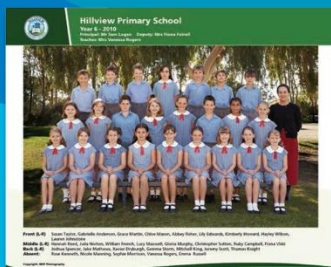

### FAMILY PHOTOS

Family/Sibling photos are available for students attending school. Orders must be placed by **11:59PM** the day before photo day.

Parents with 3 or more children can receive a concession with our **Premium** or **Classic** packs. To take up this offer, please contact us prior to photo day.

## What's been happening at OSHClub...

We certainly hope that the Mothers and Grandmothers in our community enjoyed their special day last week and got to spend special time with their families. Our children made some amazing gifts that I know will be treasured.

On the 13th of May we held a Pupil-Free-Day here at Greensborough. Numbers were low but excitement was high. We had a glorious day weather wise and the activities kept us busy. There were Hama bead creations, science experiments using shaving cream, mixed up Mummies, yummy Chocolates and Plaster dinosaurs to paint. Outdoor fun was had on the playground and netball courts.

These next couple of weeks we will be looking at making suncatchers, kinetic sand, Disney Characters, cooking pumpkin soup and pinwheels and enjoying the outdoors (weather permitting).

## Photo Gallery

## SPECIAL ANNOUNCEMENT

This is sadly the last time that I will be bringing the OSHClub Newsletter to the school community. I have enjoyed my time here at Greensborough and have certainly been proud of the achievements that have unfolded whilst being your Coordinator.

I wish the children, families, staff and school leadership all the very best for the future and look forward to coming back to share in special celebrations with you all.

Thank you for the memories - I will treasure them deeply. - *Linda*

## Coming Up

17th May **Friday Fun Day - Disney By Request**

21st May **Art and Craft Club**

23rd May **Cooking Club - Pinwheels**

## Student Leadership News

The Student Leadership Team have sadly said farewell to Inaya who along with her family left the school a few weeks ago. The resolve of the remaining leaders has seen them draw together and build on new ideas.

If you have any thoughts or would like to try something new have a word to Charlotte, Maisie, Ivy or Reece. We want to hear what you want to do.

## Quality Area Reflection

QUALITY AREAS WE ARE FOCUSING ON:
