Thursday 12 December 2024	Grade 6 Graduation Celebration

Principal's Report

We have had a very productive and successful semester and as we look back on the term, it's clear that our students should be proud of their results. I think it would be difficult to find a similar school with the suite of extension and intervention programs we provide alongside our highly differentiated class programs, that ensure our students reach their potential. In addition to our school-based programs, our highly able students also participated in external programs such as Victorian High Ability and Enrichment Series, Maths Olympiad and G.A.T.E.W.A.Y.S.

Student Wellbeing is always a priority for us and events like 'Special Visitors' Day, Mothers' Day High Tea and P&F stalls, PATHS 'Kid of the Week', Respectful Relationships, the work of Robyn our Wellbeing Worker and the ongoing work of all staff, continue to promote engagement with students and our wider community. Student Voice and Agency is actively encouraged through class meetings, Junior School Council, Wellbeing Leaders and the Kindness Crusaders. Whilst we have a clear focus on academic achievement, we also know that schools should be a space where children feel safe and have fun.

The Grade 5/6 Natural Disasters Expo yesterday was a terrific way to end the term. The engagement of the students in their projects, their pride in their work and their enthusiasm to share their learnings was very evident. Students from all grades enjoyed visiting the Expo and asking questions to further their knowledge. Proving the adage 'You're never too old to learn...' I was intrigued to learn about *limnic eruptions*, a term I had never heard before! Thank you to all the parents and family members who attended and supported our students, your feedback was greatly appreciated by both students and staff.

Cooperation **A**chievement **R**espect **E**mpathy

Principal's Report continued

Planning for next term's programs is almost finalised and this includes our annual programs of Footsteps dance lessons and concert, Book Week celebrations, Poetry Competition, Premiers' Reading Challenge and Athletics Carnival. We also have additional extra-curricular programs planned, including whole school excursion to Scienceworks and Circus incursion, class excursions, 'Hawks Friends' for Grade 5/6s, (builds resilience, confidence, and emotional wellbeing which improves learning and social outcomes), Gr 3 – 6 Webinar with popular author Andy Griffiths, Prep '100 days at School' Celebration and Fathers' Day Breakfast and Gr 5/6 Basketball clinics, to name a few. We're also looking forward to welcoming several International students for a short term stay at the beginning of Term Three from Prep – Grade 6.

Now that interschool sports training is finished, teachers will offer alternate lunchtime programs, including practice sessions for students competing in Tournament of the Minds and weekly yoga sessions. These will complement our existing lunch programs of recorder, choir, Indoor or Outdoor Games with Robyn, sports club, Friendship Tree and Kindness Crusaders. Programs by external providers also continue: lunchtime Coding, Chess and Tennis as well as Instrumental Music during class time.

With Semester One assessments completed, Margaret has worked with teachers to review results of our extension, intervention, tutoring, Tier Two support classes, Corrective Reading, Magic Maths and Spelling Mastery groups and make any necessary changes to students' participation in groups. This ensures we are ready to maximise student learning in Term Three.

Reports and Parent/Teacher Interviews

Thank you to parents who attended Parent/Teacher interviews last night and discussed their child's progress with class teachers. These meetings are a great opportunity to celebrate students' achievement and areas for extension or improvement. Our teachers have an extensive knowledge of the students in their classes and expertise at teaching to their 'point of need'. Staff have spent many hours writing reports, after assessing students and moderating results with their peers and we thank them for their diligence and accurate reporting to parents.

Raffle Reward

Well done to Hudson for winning our \$25 gift voucher this week. Hudson is a worthy winner who consistently demonstrates our school values and strives to adopt appropriate behaviours during recess breaks. Whilst staff on yard duty often spend time supporting students to resolve differences of opinions or disputes with rules of games, we recognise the majority of students are consistently practising the strategies taught to them by parents and teachers, and we wanted to acknowledge their efforts with a tangible reward. This is the last week of this initiative and staff are actively looking to reward students with raffle tickets, with the winner drawn at our final assembly of the term on Friday.

Northern Star Chess Inter School Tournament

Congratulations to our chess club members Laura, Jay, Oscar, Adam and Xavier, who recently competed at the Zonal Primary Open Chess Tournament at Kangaroo Ground. We are very proud of the team's results with each member achieving a Personal best (PB)! Special mention to Adam and Xavier who earned a Credit certificate. The team also achieved a higher overall ranking from the last tournament and Greensborough Primary came 4th overall.

Our chess enthusiasts are regular members of our Chess classes on Tuesday lunchtimes run by Chess Mates. If anyone would like to join Chess Mates you can enrol for Term Three and book into classes by following this link to their customer portal:

<https://app.iclasspro.com/portal/chessmatesvic/class-details/61?filters=%7B%7D>

Principal's Report continued

Thank You Volunteers, Families and Staff

Thank you everyone for your support for our GPS community this term, whether it be 'hands-on' assistance with P&F, Buildings and Grounds works, class programs, School Council involvement, supporting P&F fundraisers or positively giving feedback to staff. Special thanks to our students and staff, who have worked hard and strived to achieve their best this term. I hope everyone has an enjoyable break with some well-deserved rest and relaxation. We're looking forward to the learning programs and extracurricular events we have planned for Term Three.

Yours sincerely,

Angela Morrìtt

Principal

Emergency Clothing Payment

At times, we supply students with dry clothing items to replace their own clothing which may have become wet or muddy. A reminder that if your child is supplied with these items, we greatly appreciate a gold coin donation to ensure we can keep a supply of varied sizes for future use. Items such as shorts and trousers can be washed and returned, however socks and underwear cannot be returned, and parents may keep the items.

2025 Prep Enrolments

Enrol by Friday 26th July 2024

If any families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible, (this includes siblings of current students). Under the new DET guidelines all 2025 Prep enrolments should be completed by 26 July 2024. We have already had a number of enquiries and school tours for places in 2025 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Parents/Carers will be notified of the outcome of the application between Monday 29 July and Friday 9 August 2024. If an enrolment offer is sent, it should be accepted by Friday 23 August 2024.

2024 Curriculum Days

I know many families like advance notice of our Curriculum Days, so 2024 dates are listed below:

- ★ Monday before Cup Day, 4th November
- ★ Friday 20th December – Last Day of 2024 School Year

STUDENT WELLBEING

Hi Everyone,

OR IS IT? Frosty mornings – yes! Beautiful sunrises and sunsets – yes! Chilly days – yes!

BUT today, Tuesday, I had to discard my scarf and parka as I took a walk in glorious sunshine. Also, I am writing this AFTER ENJOYING THE WARM SUN WHILE WATERING MY HANGING BASKETS, POT PLANTS AND GARDEN – YES, you read right, IN WINTER! I am still picking the odd strawberry and the daphne is flowering! I am hoping for some Winter rain soon. To top it off my beloved HAWKS are playing well (just had to throw that in – footy is part of Winter too).

KEEP HEALTHY THIS WINTER

Exercise – The importance of outdoor play – even in the winter – can't be overstated. Kids who play outside every day are healthier, happier, and stronger than those who don't. Winter outdoor play builds kids' brains and bodies and provides mental and emotional stimulation for better overall health. So, what are you waiting for? Grab your hat, coat and head out into the cold!

Outdoor winter play is a great way to encourage social skills (and get all that wild energy out!). Invite your child's friends to meet you at the park. Challenge them to their own Winter Olympics to see who can build the highest stick or log jump or jump the widest rain puddle. Put their problem-solving skills to the test with a winter obstacle course they build themselves. Encourage them to work together and to persevere (even though it's cold!) and you'll help them build grit and resilience. You can also reap the benefits of outdoor winter play as a family.

Healthy eating – Enjoy the benefits of healthy eating; try soups and stews – encourage the kids to help. Apples, oranges and mandarins are in plentiful supply and in season. Warm apple pie, anyone?

Sleep – plenty of sleep is essential for growth and brain development and good mental health – enjoy a sleep in in a warm bed on the frosty mornings.

WHAT ABOUT THOSE COLD, WET DREARY WINTER DAYS?

Look out for community activities during the school holidays – there are holiday programs for children and young people in Banyule and Nillumbik council areas on their websites. Also enjoy indoor bowls, Watermarc, creative pursuits like drawing at home, play board games. These activities promote physical activity and creativity and social skills if shared with friends and family.

*So, after a long, busy term 2, I hope that you all find time for rest and relaxation as you enjoy time together! Stay safe, warm, healthy and be kind this **WINTER! GO HAWKS!***

LIBRARY NEWS

BOOK WEEK 2024 is just around the corner. Greensborough Primary School are very excited to continue our tradition with the poetry competition, our highly anticipated Book Character Dress Up Day, Multi Age Day and our Book Fair.

More information on Book Week – WEEK 6, TERM 3 – to come when we return in Term 3.

Victoria Police to Visit Grades 5 & 6

Dear Year 5/6 families,

We are lucky to have been offered an excellent opportunity to have a senior constable from the Victoria Police Youth Resource Department come and speak to our 5/6 cohort on **Tuesday 23rd July**. The session will focus on personal safety, making sensible choices and help seeking, with all information tailored to suit the age-group of our students as they begin transitioning from childhood into their teenage years.

Whilst there is no cost associated with this incursion and consent is not required, should you wish for your child to not participate in the session, please email your child's classroom teacher by Tuesday, 16th July via Compass. In addition, should you have any questions or queries, please do not hesitate to contact us or speak in person.

Kind regards,

Jesse Stephens & Jacinta Simpson

Grade 5/6 Teachers

Greensborough Primary School Netball Team – Under 9s

This team has been coordinated by Greensborough Community parents and we need 2 more players for the Under 9s Greensborough Primary School Netball Team that we are starting. Training is on Monday nights and games are Saturday morning in Diamond Creek. If interested could you please contact the office for my contact information.

Kind Regards,

Tamlyn K

Cooperation **A**chievement **R**espect **E**mpathy

Congratulations to our Term Two VHAP participants. Lachie has shown great dedication and focus when attending his Tuesday Morning Mathematics VHAP sessions. Thomas and Xavier have completed the English VHAP sessions and relished the opportunity to expand their knowledge of the features of literary genres.

The Premiers' Reading Challenge has begun and we have seen amazing reading among our G.P.S students! Sarah has labelled Premiers' Reading Challenge books with a P.R.C sticker in the Library to assist students when selecting books to read in the library.

The following students have commenced the challenge:

- Prep:** Shaylah, Eliana, Amelia, Sophie, Abhiraj and Henry.
- 1/2A:** Millie, Ella, Tiarna, Patrick, Sofia, Hudson and Max.
- 1/2B:** Kleo and Liam.
- 3/4A:** Ella, Hudson and Shyamala.
- 3/4B:** Jacob, Fatima, Olivia and Billie.
- 5/6A:** Xavier, Connor, Harper and Yamee.
- 5/6B:** Lizzie, Maisie and Sila.

A huge congratulations to Raythan (3/4A), Kashvika (3/4A) and Mounina (5/6B) who have completed this year's challenge. These students will receive a certificate and a special Fish and Chip lunch in Term Four.

Cooperation **A**chievement **R**espect **E**mpathy

MATHS OLYMPIAD

Maths Olympiad for 1/2 students

Ethan, Celeste, Vidur and William from Grades One and Two are also completing several Maths Olympiad Challenges. These students are completing written tasks within their classroom Applied Maths sessions. Last week these students completed online modules for the challenge within a special allocated time. Congratulations to Ethan, Vidur, Celeste and William who completed all tasks with enthusiasm and with great determination and we are looking forward to seeing these students continue to soar in Term Three.

Grade 3-6 Maths Olympiad

Last week students in Grades 3-6 completed the second stage of the Maths Olympiad challenge. All students approached all tasks with enthusiasm and determination and managed to complete many challenging worded problems with great skill. The next stage of Maths Olympiad will be held in July.

Cooperation **A**chievement **R**espect **E**mpathy

Chess Tournament 20th June 2024 Term 2

On 20th June 2024 the Greensborough Primary School Chess Team consisting of Oscar, Laura, Jay, Xavier and Adam competed in the Northern Star Chess Tournament. This Term Greensborough's Chess playing improved drastically coming 4th out of 14 schools and our personal score also improved dramatically.

Our new member, Laura scored 1.5 in her first ever chess tournament, an amazing score! Next, Jay and Oscar scored 3.0 each, Adam had 4.0 and Xavier 4.5 in total. In the end our team score was 14.5, beating our previous score by 3.0 points, an amazing difference!

Jay, Oscar and Laura all got the Certificate of Participation while Xavier and Adam got the Certificate of Credit! Xavier's score of 4.5 qualifies him for the State tournament! It was a great day!

By *Adam & Xavier*

Pupil of the Week

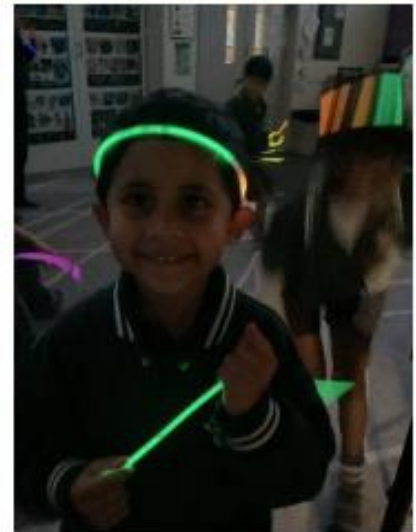

2024 ~ Term 2 ~ Week 9

Prep	Neelabh	For his great effort in learning and always presenting his work beautifully.
Grade 1/2 A	Tiarna	For always putting in her best efforts! You are making great progress.
Grade 1/2 B	Kira	For trying her best in her writing and giving it a go!
Grade 3/4 A	Raythan	For his descriptive paragraph about droughts. Keep up the great work!
Grade 3/4 B	Ren	For his enthusiasm and questioning when starting his 'Passion Project'. Get ready to take off!
Grade 5/6 A	Yamee	For putting lots of effort into her Discovery Project.
Grade 5/6 B	Oscar	For a consistent positive attitude and supportive feedback to your classmates.
Art	Bodhi F Prep	For excellent work sculpting your patterned hand dish. Well done, Bodhi!
Library Grades Prep – 2	Harvey W Prep	Great work Harvey. You worked so well during Library this week! Fabulous!
Library Grades 3 – 6	Steve Z 5/6A	For his consistency in listening and participating each week during Library. Thank you, Steve!
PE	Eden B 5/6B	For your amazing efforts and goal in Lacrosse! You Superstar!
STEM Prep – Grade 2	Kyson C 1/2B	For his great enthusiasm and assistance during our Dash Bot lesson.
STEM Grades 3 – 6	Fatima C 3/4B	For her great work in coding during our Scratch lessons.

2024 ~ Term 2 ~ Week 10

Prep	Tyren	For his persistence and confidence in learning new Maths concepts. Well done!
Grade 1/2 A	Ollie	For putting effort and care into his work. Keep it up, Ollie!
Grade 1/2 B	Sienna	For great effort in her reading groups. Keep up the hard work!
Grade 3/4 A	Drew	For his effective persuasive devices in his writing this week.
Grade 3/4 B	Billee R	For her huge effort during persuasive writing. Keep it up, Billee!
Grade 5/6 A	Connor	For persisting with his Discovery Project and challenging himself.
Grade 5/6 B	Maise G	For your terrific Discovery poster! It looks great!
Art	Sawyer W 5/6B	For creating brilliant sculpture of a dragon.
Library Prep – Grade 2	Vidur R 1/2B	For showing a keen interest in books and learning.
Library Grades 3 – 6	Rowen R 5/6A	For her passion in undertaking administrative tasks in the Library. Thank you!
PE	Ella M 3/4A	For your fantastic goal in Lacrosse!
STEM Prep – Grade 2	Amelie D-P Prep	For her great LEGO Challenge Tree House, I loved your thinking process!!
STEM Grades 3 – 6	Billy J 5/6B	For his great enthusiasm for his Scratch activities. You did a wonderful job!

Rise then Shine Update

Our Rise Then Shine program has seen a lot of activity lately. Our Breakfast Club has included yummy items such as Berries, Yoghurt and Pikelets! We've had a lot of competitive games of Pictionary lately, it seems to be a favourite amongst our Rise Then Shine children. It's a great way to warm up our brains before a day at school!

Stay and Play Update

In our Stay And Play program, we've been continuing our fundraising for The Smith Family charity. A highlight of this was the Neon Bubble Dance Party we had on the 19th June. We played fun party games with glow sticks, bubbles and party poppers. We even had a pass the parcel! With these fundraising events we have raised a great amount of money for The Smith Family, which supports children living in poverty. Thank you to all who have donated!

Hey everyone!

Allow me to introduce myself as the fresh face at Greensborough OSHClub. My name is Ruby, I'm 20 years old and I am happy to announce I am the new coordinator.

I have been working with children of all ages for around two years. Within that time, I have completed my Diploma of Teacher Education and have gained experience within the classroom and outside the classroom. I follow 3 key building blocks within my OSHC that help keep myself and my students safe and happy.

These are:

1. Respect
2. Honesty
3. Connection

Beyond OSHClub, I share my world with my beloved dog, Tommy, my dad and my older sister. If I am not in the kitchen baking and cooking all sorts of delicious foods, I am on the dance floor. My happy place is when I find rhythm in my ballroom dancing.

I have travelled to 6 different countries and planning to make that number grow as much as possible!

My family is originally from a town in Abruzzo, Italy. I love to share my culture and I love learning about everyone else too!!

If you see me, please come and say hi I would love to get to know you!

See you around!!
