### Principal's Report

A huge thankyou to all the families who helped us celebrate Book Week by supporting our students to dress in their favourite book characters or attending the parade yesterday. Book Week is one of the highlights of our year and the enjoyment of the children's faces was priceless as they guessed their classmates' and teachers' characters and admired their costumes. Each year we're impressed with the creativity and imaginative efforts showcased during the parade and this year was no exception! It was pleasing to see our

**C**ooperation **A**chievement **R**espect **E**mpathy

senior students lead by example and join in the fun of dressing up for their final book parade in their primary school years.

The Book Fair has attracted a great deal of interest and students have clearly enjoyed perusing the selection of books and stationery on sale and purchasing their favourite books. It's been a pleasure to see the excited faces of students as they escort their parents into the Library and leave with their carefully chosen treasures. This is a major fundraiser for the Library and all funds raised are channelled back into purchasing new books. The Book Fair is open every day this week before and after school. Sincere thanks to our Library Teacher Frankie and Library Assistant Sarah for their organization and efforts to ensure Book Week activities were highly engaging and ran smoothly.

In the weeks leading up to Book Week, all grades have a focus on poetry during their Literacy lessons, studying and writing different poetic styles, including haiku, cinquain, diamond, rhyming, etc. I've greatly enjoyed reading students' poems and been amazed at their ability to articulate their thoughts or create a visual image through their poems. Our Poetry Unit culminates with students in each grade having the very difficult task of voting for their favourite poem authored by their classmates. The top four poems are then shortlisted for each grade and displayed in the foyer, and staff have the difficult task of voting for the best in each grade. I highly recommend stopping by the foyer and reading the displayed poems at drop off or pick up times. Frankie will feature the highlights of Book Week in our next newsletter, including shortlisted poets, however we wanted to acknowledge and celebrate our winners this week:

- Prep:** Vinnie
- 1/2A:** Celeste
- 1/2B:** Kyson & Kira
- 3/4A:** Tomas
- 3/4B:** Fatima & Will L.
- 5/6A:** Arad
- 5/6B:** Sawyer

Writing poetry can be challenging, especially when English is your second language, hence special mention must go to Arad and Sawyer who arrived in Australia less than two years ago as non-English speakers. Their work ethic and motivation to succeed is a credit to both boys.

### Congratulations to our GPS Competitors

**Chess Champions:** Our lunch time chess classes are gaining in popularity and have inspired many of our students to enter chess competitions and test their skills, problem-solving and tactical moves. We congratulate Adam for winning a Bronze medal in a recent Chess Competition and qualifying for the State Finals in October.

Adam will be joined by Xavier who will also compete in the State Finals. We wish both boys well and look forward to the competition in Term Four.

**C**ooperation **A**chievement **R**espect **E**mpathy

**District Athletics:** \_We wish our Athletics team good luck as they represent GPS in the Watsonia District Athletic Competition next Wednesday 28<sup>th</sup> August. Our students are always commended for their sportsmanship and strong ethic to produce their best results and we hope they achieve their personal bests on the day.

**Tournament of Minds:** \_Our senior students: Adam, Anjali, Charlotte, Edward, Lizzie, Maisie, Reese and Xavier have been working collaboratively over the last 6 weeks to problem-solve for a Literacy challenge based on the novel 'Wonder' by R.J. Palacio. We commend the group for working together to independently develop their response to the task. We wish them all the best as they present their ten-minute challenge solution to a panel of judges and audience this weekend at Latrobe University. The group will also participate in an unseen Spontaneous Challenge and we can't wait to celebrate their work at assembly next Monday. Special thanks to Jesse Stephens for coordinating this activity and parent Nicole, for her assistance.

**Instrumental Music:** We're very pleased to host music performances by a selection of our instrumental students at assembly on Monday 9<sup>th</sup> September. Music Instructor, Daniel teaches both guitar and keyboard lessons and we're looking forward to celebrating our students' prowess and providing them an opportunity to play before an audience.

### **Volunteers Needed!**

Helpers are urgently required to assist Parents and Friends with the Fathers' Day stall on Friday August 30<sup>th</sup> and the Bunnings BBQ on Sunday 8<sup>th</sup> September. If you are able to help out, even for a couple of hours, please sign up at the office or use the link P&F have inserted later in the newsletter. We are very grateful to everyone for supporting the P&F fundraisers to purchase resources for your children to use.

Thank you to Wayne and Geoff, who are systematically changing classroom lighting to be activated by sensors. This will save costs in our power bills and also ensure we are continuing to embed sustainable practices.

Yours sincerely,

*Angela Morritt*

## Multi-Age Day

Student activities for Multi-Age Day are based on the shortlisted books for 2024 Book Week.

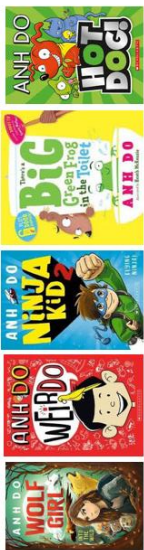

## STUDENT WELLBEING

Hi Everyone,

On Tuesday evening this week Hubby and I were able to attend the live performance **'ANH DO, THE HAPPIEST REFUGEE'** live performance at the Athenaeum Theatre. This was thanks to my daughter and her new Hubby who had come down with COVID and couldn't go so they gifted us their tickets!! Better still the experience gave me the topic for this week's newsletter and fits in well with **BOOK WEEK!**

It was **FANTASTIC!** It was based on his book 'The Happiest Refugee'. Through comedy, film clips and photos, Anh went through the real-life story of his family's journey from making their escape from the war in Vietnam to their life in Australia. There was a mix of emotions, laughter and tears from Anh as he spoke. Here is just a snapshot of the evening.

*It was a story of perseverance and resilience, of humbleness, love and caring. Anh and his siblings (a sister was born in Australia) were always encouraged to be kind and to not fear failure and to keep trying. In Grade One Anh's Mum was told that Anh was a slow learner and needed to go to a different type of school. Instead, his Mum bought him books from an Op Shop again and again – the result? Anh grew to become the Dux of his year 12 year and ended up with an ATR of 98% He studied to be a lawyer before discovering comedy. He kept his promise to buy his Mum a house when he had enough money! He then rediscovered his childhood love of portrait drawing and won an Archibald prize for his painting of Indigenous songwriter and singer, Archie Roach. Anh then rekindled his love of writing. Many children enjoy his humorous stories! His son, Xavier recently won an Archibald prize for his self-portrait.*

*Anh's brother, Khoa Do, became **'YOUNG AUSTRALIAN OF THE YEAR'** in 2005 for his filmmaking and his community work with homeless youth. As an 18-month-old baby on a refugee boat, Thai pirates tried to throw him into the ocean!*

*There were also sad stories of his father's PTSD and the affect it had on the family, especially his mother who struggled to provide for her family while also teaching her children **TO BE KIND TO EVERYONE AND TO NOT FEAR FAILURE BUT KEEP STRIVING!***

SO, THIS BOOK WEEK, LET'S ENCOURAGE OUR CHILDREN AND YOUNG PEOPLE TO READ. THERE ARE SO MANY STORIES OF RESILIENCE, PERSEVERANCE, KINDNESS, CARING, FRIENDSHIP, COURAGE, OUT THERE TO INSPIRE THEM. PERHAPS READ A STORY SUCH AS **'THE HAPPIEST REFUGEE'** WITH YOUR CHILDREN AND HAVE A FAMILY DISCUSSION ABOUT WHAT THEY CAN LEARN FROM ANH'S EXPERIENCES.

*When our children were in primary school we took them on an extended holiday caravanning around Australia. During some of the long hours in the car I read 'The Little Black Princess' and 'We of the Never, Never' to them so that they would get a sense of Australia's history and relate it so some of the experiences we had – a precious time together .*

**SO, HAPPY READING AND LESS SCREEN TIME!!**

# ANDY GRIFFITHS ONLINE!

## Grade 3-6 Library Incursion

On Thursday the 8th of August, our grade 3-6 students attended a live zoom session hosted by the legendary Andy Griffiths. Alongside other schools, our students were privy to 'insider information' for the launch of Andy's new series: **Adventures Unlimited: The Land of Lost Things.**

With a knack for engaging his young readers, Andy shared his idea for the main character - illustrated by Bill Hope. Andy explained that creating a character with a 'box head' removes any barriers or identifying features. He urges the reader to **become** the character, and fully immerse themselves in the adventure that awaits!

Inspired by his young audience, Andy created his new series based on the ideas of his readers. Here, our students are voting on their preferred adventures, and shared their own creative versions starting with: *Hey! Remember when...*

**RUOK? DAY™**

**Thurs 12 September 2024**

On Thursday the 12th of September, the JSC committee need you to come to school in your PYJAMAS, or wear YELLOW, to raise awareness (and donations!) for RUOK? Day.

### **What is RUOK? Day?**

RUOK? Day is celebrated to raise awareness, and start conversations, not just for one day - but every day! It's about reminding us to 'check in' with others, and letting them know that they're not alone, even if they are feeling *isolated and helpless*.

### **Fundraiser**

The JSC committee have chosen Beyond Blue as their preferred charity to donate the proceeds raised from the day. Beyond Blue is an Australian charity that is committed to supporting Australians of all ages who are experiencing mental health difficulties, including depression and anxiety.

### **Pyjamas or yellow?**

Perhaps you, or someone you know, has experienced some of these feelings and just can't get out of bed and want to stay in their comfy pyjamas.

Wearing yellow can represent optimism, joy, happiness and friendship. In support, chose to wear either (or both!) and bring along a gold coin donation to show your support!

*And remember to...*

# Kindness Crusaders

Dear families and other members of the school community,

The Kindness Crusaders are supporting The Cat Protection Society again this year by collecting blankets and towels for them. The Cat Protection Society is a local organisation that is dedicated to helping cats find their forever homes.

We are collecting blankets and towels for the cats' pens to keep them warm in Winter. Could you please clean out your cupboards to help these cold cats? We will be collecting them for

the next two weeks (August 19<sup>th</sup> – September 4<sup>th</sup>). Blankets and towels need to be in a reasonable condition and can be placed on the tables outside the Art room.

Thank you so much for helping support this cause,
