Friday 24 April 2025	ANZAC Day Service – 10:50am Interschool Sports Round 1 – GPS V Norris Bank PS – Home

Principal’s Report

Thank you to all the parents and family members who joined in the fun of our Twilight Sports last evening, especially for supporting your children to dress in their House colours. The imagination and creativity displayed in their outfits certainly added to the fun of the event! It was terrific to see the students’ enjoyment as they cheered on their teammates and tried their best in their events. The Grade Six – Prep Buddy event is always one of our favourites and it’s lovely to see our senior students cheer on their buddies. Special congratulations to **Acacia** for achieving the highest score for events.

There was a lot of work behind the scenes to ensure the evening’s success, and I’d like to thank P & F and all the parents who assisted with setting up, cooking and dismantling the BBQ. This is an excellent fundraiser and all profits provide resources for your children. Our House Captains did a terrific job marshalling the events and our senior students added to the festive atmosphere with their nail-polishing, face painting and hair spraying stalls – with funds raised from these three stands supporting Grade 6 Graduation celebrations. Special thanks also to Leo Derrick and Sheridyn Houlihan for coordinating the event and staff who ensured the night ran smoothly.

Cooperation **A**chievement **R**espect **E**mpathy

This week we welcomed Erin Rowlands to Grade 3/4A. Erin will replace Laura who has begun Parental Leave. Erin is one of our regular CRTs and is very familiar with our students and school programs. Erin had an extensive handover with Claire and Laura and has 'hit the ground running'.

Class teachers enjoyed meeting parents of their students at the recent 'Meet and Greet' or Student Support Group meetings last week. These meetings are a valuable opportunity to meet your child's new teacher and share information that's individual to your child. We know that children are more engaged in their schoolwork and perform better when schools and families work together.

Sun Protective Uniform/Clothing

School policies are regularly reviewed at School Council meetings to ensure we are in line with DET guidelines and mandates. At our last meeting we reviewed our Sunsmart policy and were reminded of the dress code for ensuring our students are sun smart and protected by the sun's UV rays. This dress code includes the length of shorts and polo shirts and we ask parents to ensure that your child's uniform is compliant with DET policy, if you purchase items from external suppliers.

Greensborough Primary School's school uniform and dress code includes sun-protective clothing, including:

- longer style shorts and dresses
- tops with elbow length
- loose, cool, closely woven fabric
- shirts with a collar and/or high necklines

Lunar New Year Performance- Take 2

We were very pleased that Patrick was able to return to GPS and perform the face changing dance last week to celebrate the Lunar New Year. Families may remember Patrick experienced a costume malfunction on his first visit and he was very keen to return and perform for us again. Our students were amazed and enthralled by the 'magic' of the performance, which included 10 masks in total. The speed of the changes was truly impressive and undetectable. We're very grateful to our international students and families for providing this entertainment for our students.

Cooperation **A**chievement **R**espect **E**mpathy

School Council 2026

Thank you to the parents who nominated for School Council. We are pleased to welcome back, Sri, Jyoti, Tamlyn and Michael who renominated for a further term. They join Rachel, Debora, Emily and Cassie as parent representatives on our 2026 School Council. We thank our retiring school councillors Kim, Simone, Jesse and Leo who have very generously shared their time and expertise to support our school. Special thanks to Kim and Simone, who were long serving members of SC and returned as community members in 2025 to continue to support our school community – they have left a very strong legacy of their time at GPS. The first meeting of the new School Council to elect Office Bearers will be Monday March 23rd at 7:00pm and I look forward to working with the 2026 School Council members this year.

Share the Strengthening number sense at home resources with parents and carers

The Department of Education has developed a set of resources for parents and carers of Foundation to grade 2 students.

The [Strengthening number sense at home resources](#) show you what number sense looks like in the classroom. They provide simple advice and family activities you can do at home, at the supermarket and at the park to strengthen your child's number sense.

To see the full set of resources visit: [Mathematics and numeracy at home](#).

Advance Notice Easter Parade

Families new to our school this year may not know that on the last day of term, Thursday 2nd April, we will have our annual Easter Hat Parade at 9:10am on the netball court. This is always a highlight and a great way to end the term as we enjoy the creative and colourful hats students are wearing. Pre-schoolers are welcome to join the parade and we hope many family members can join us.

After the parade, each grade has a special activity, followed by an Easter Egg Hunt on the oval. A highlight of this day is the Grade 6 egg toss, where students in pairs try to throw and catch a real egg the longest distance without breaking it! Our Grade Six teachers, Clara and Jacinta, will then attempt to throw further than the students and challenge for the overall title. Parents and Friends are creating hampers as prizes for the Easter Raffle, so if families would like to donate eggs or Easter items for raffle prizes, please send them along to the office.

Regards,

Angela Morritt

Principal

Food Share Drive

Thank you to the families who have donated personal hygiene items for Foodshare. There is currently a great need for personal hygiene items, such as shampoo/conditioner, toothbrushes/toothpaste, soaps, etc. If any families are able to make a donation of goods it will be greatly appreciated. We have a collection box in the foyer and thank everyone in advance for your support.

Camps, Sports and Excursions Fund APPLICATION Form

CSEF increased to \$400!

Pleasingly, from 1 January 2026, families eligible for Camps, Sports and Excursions Fund will see an increase in support to \$400 for primary and secondary school children, up from \$154 and \$256 respectively. This is excellent news for families and CSEF can be used for 2026 camp costs for Grade 3 – 6 students. All students can use the funds to pay for swimming, excursions and ISS buses. We ask families who are eligible for CSEF to contact Mehgan our Business Manager. Mehgan will also send an application home to families who currently receive CSEF as well as families knew to the school.

Emergency Management and Anaphylaxis Drills

Student safety is very important to us at Greensborough Primary and each term we practise emergency management drills. This includes evacuations, lock-ins and treatment of an anaphylactic reaction in the yard or classroom. Prior to our drills, teachers discuss correct procedures in a sensitive and age-appropriate manner with their grades. Each time we rehearse we commend our students on their calm, prompt responses. Our OH&S Rep, Claire E. or Anaphylaxis Coordinator Rebecca G. act as observers to our drills and complete a DET checklist so that we can acknowledge what's working well and address any areas for improvement. Whilst none of the staff have ever had to evacuate or administer an EpiPen to a student in our teaching careers, being prepared is always our best management option

2026 SPORTS UPDATE

District & Division Swimming Success

Congratulations to our three students; Tomas, Evelyn and Phillipa who will be progressing to the **District**.

A big congratulations to our swimmers for their outstanding efforts at District Swimming!

Tomas has progressed through to the **Division level**, which is a fantastic achievement. Progressing beyond District is no small feat and is a reflection of his hard work, determination and strong performance in the pool. We wish him the very best as he represents our school at Division.

A special mention also goes to **Phillippa** and **Evelyn** for their amazing efforts at District Swimming. Both students represented our school with pride, showed great sportsmanship and gave their events their absolute best.

We are incredibly proud of all three students for the way they competed and represented our school. Well done!

GO GREENSBOROUGH!

Leo Derrick
Sports Coordinator

GREENSBOROUGH PRIMARY SCHOOL PRESENTS...

TWILIGHT SPORTS DAY

Our Twilight Sports event yesterday afternoon was a fantastic success! It was wonderful to see so many students and families come along to the school oval and join in the fun.

Congratulations to Acacia (Yellow House) who were the overall winners of the events! 🟡

There was plenty happening throughout the evening, including the very popular hair spray, nail polish and face painting, which students thoroughly enjoyed.

The P&F barbecue was also a huge hit, with the sausages proving to be a class favourite!

Thank you to the Parents & Friends volunteers who gave their time to run the BBQ and support the school community.

Overall, it was a wonderful afternoon filled with fun, teamwork and school spirit. Thank you to everyone who came along and helped make Twilight Sports such a memorable event!

Cooperation **A**chievement **R**espect **E**mpathy

Hi Everyone!

AUTUMN is here – my favourite season!

AUTUMN is a season of **change** – changes in the weather, changes in nature, etc... It reminds me that life is full of changes too – changes that bring joy, challenges, wonder and grief, to name a few.

Think of the many **changes** our children go through from birth to school age, and it doesn't stop there. As adults we are changing too! There are 'SEASONS OF LIFE'.

Change also involves choice. Both are influenced by many factors – where we are born, where we live, our environment, the influences of those around us, technological exposure e.g.: TV, internet, advertising, our personality, and other factors.

If we and our children learn to cope with **change** and make appropriate choices, we become **resilient**.

RESILIENCE – in our children requires the support and encouragement of family, friends and mentors.

RESILIENCE – also requires a **GROWTH MINDSET – A WILLINGNESS TO ACCEPT CHALLENGES, TRY NEW THINGS, LEARN FROM MISTAKES, and OVERCOME FEARS, TAKING UP NEW OPPORTUNITIES.** This also requires us to believe in ourselves and not worry about what others think.

HINDSIGHT is valuable as we realise how we changed and grew through the changes and opportunities life brings. Sometimes we also regret the opportunities to grow which we missed.

A few students have recently expressed their nervousness about school camp next term while at the same time being excited. These students will have opportunities to grow in their social skills, confidence and resilience as they try new activities.

Schools are always looking for opportunities to help our children to grow into **resilient**, independent, confident, and socially competent young people with a **GROWTH MINDSET**.

So, let work together to encourage and support our children to take up these opportunities.

JUNIOR SCHOOL COUNCIL PRESENTS THE...

WAR MEMORIAL PARK SURVEY!

OUR GRADE 5S AT WAR MEMORIAL PARK IN 2025

Last year, our Grade 5 students were invited by Banyule City Council to share their feedback on how to improve War Memorial Park for all members of the public.

It was wonderful to see how our students considered how the space could be used for everyone of all ages and abilities, and made sure to include improvements that maximised safety and accessibility. A list of their ideas can be found in the Findings Report, available in the link below.

After considering some of our ideas, a draft of the Improvement Plan is ready for us all to view! We are also invited to share our thoughts on what we would like to see included in the final redesign by taking part in a short survey. You can have your say by accessing the following link:

<https://shaping.banyule.vic.gov.au/GWMP>

Our Junior School Council have wasted no time in surveying students on what type of ball sports (Basketball, Netball, Four Square or Soccer) or adventure play items (Climbing Structure with Swings, Giant Swing, Bouldering Wall and Tree House) they would like to see included in the shared space. Our own school survey results show that we would love to see a Soccer pitch and Climbing Structure with Swings! These results have been shared with Banyule City Council.

For anyone who has missed out on sharing their feedback, you are invited to submit this by March 15th 2026.

Clara Ellis

MEET OUR 2026 JSC MEMBERS!

1/2A

Name: Juniper

My strengths are... being observant, creative, helpful, inclusive and listening.

When I grow up, I want to be... an artist because they make great artwork.

My biggest role model is... Mrs Bedford because she is good at art.

My favourite thing about Greensborough Primary School is... my friends.

As a Junior School Council Representative, I am most excited about... being kind to every one in the school.

Name: Mia

My strengths are... creating art.

When I grow up, I want to be...

My biggest role model is... Juni because she is nice.

My favourite thing about Greensborough Primary School is... the playground.

As a Junior School Council Representative, I am most excited about... selling things because I am good at selling things.

MEET OUR 2026 JSC MEMBERS!

1/2B

Name: Levi

My strengths are... playing basketball, soccer and writing.

When I grow up, I want to be... a famous singer because I like singing. I also want to be a scientist.

My biggest role model is... my Dad because he is strong.

My favourite thing about Greensborough Primary School is... the playground, Art class and my teachers who are nice.

As a Junior School Council Representative, I am most excited about... leading by example by helping my peers and helping with selling icy poles and cookies.

Name: Bodhi

My strengths are... playing sports.

When I grow up, I want to be... a Footy player because my Pa was a very good Footy player.

My biggest role model is... Mum, Dad and Madi.

My favourite thing about Greensborough Primary School is... the Netball Court.

As a Junior School Council Representative, I am most excited about... selling icy poles and fundraising.

MEET OUR 2026 JSC MEMBERS!

3/4A

Name: Harriet

My strengths are... writing and art.

When I grow up, I want to be... a Tennis player because you earn lots of money to help others.

My biggest role model is... Aryna Sabalenka because I want to be a Tennis player.

My favourite thing about Greensborough Primary School is... the playgrounds.

As a Junior School Council Representative, I am most excited about... being responsible while selling icy poles.

Name: Tiarna

My strengths are... art, writing, science and being kind to others.

When I grow up, I want to be... a Vet because I love animals. I also want to be a professional horse rider on a farm.

My biggest role model is... my Mum because she's an amazing hard worker who helps others.

My favourite thing about Greensborough Primary School is... friends and teachers.

As a Junior School Council Representative, I am most excited about... helping others and help with ideas to make the school a better place for everyone.

MEET OUR 2026 JSC MEMBERS!

3/4B

Name: Will

My strengths are... being inclusive, supportive and nice to all my peers.

When I grow up, I want to be... a pro sport athlete in Cricket.

My biggest role model is... my Dad because I love him. He's really kind and also a great sports person.

My favourite thing about Greensborough Primary School is... that everyone includes others and is kind.

As a Junior School Council Representative, I am most excited about... coming up with new ideas to improve the school and make it even better than it already is.

Name: Ethan

My strengths are... showing empathy, kindness, intelligence and leadership.

When I grow up, I want to be... a Marine Biologist because I want to explore the ocean.

My biggest role model is... my Mum because she is strong, resilient and kind. She always achieves her goals.

My favourite thing about Greensborough Primary School is... how everyone has a voice and it feels like a community.

As a Junior School Council Representative, I am most excited about... representing my classmates and fundraising.

MEET OUR 2026 JSC MEMBERS!

5/6A

Name: Dan Anh

My strengths are... staying on task, being very resilient and nice to everyone I meet.

When I grow up, I want to be... an animal rescuer or a wildlife trainer because I love animals and hate seeing any animal in pain.

My biggest role model is... Lisa Chimes, the Bondi Vet, because she saves animals' lives and cares for them.

My favourite thing about Greensborough Primary School is... the Art lessons and programs.

As a Junior School Council Representative, I am most excited about... raising money for the school because we can use it for play equipment!

Name: Drew

My strengths are... resilience, courage, kindness and empathy.

When I grow up, I want to be... a Robotics Engineer because I want to create things to improve lives every day.

My biggest role model is... Mark Rober because he does so many things to help people.

My favourite thing about Greensborough Primary School is... being with my friends.

As a Junior School Council Representative, I am most excited about... helping this school become better because nobody, nothing and no place is perfect.

MEET OUR 2026 JSC MEMBERS!

5/6B

Name: Matilda

My strengths are... never giving up, showing responsibility, listening to others and having a big personality!

When I grow up, I want to be... to be honest, I'm not sure yet! I like working with people, so maybe something in retail.

My biggest role model is... my Mum because she is strong when things get hard. She works hard for our family and makes me want to be an outstanding person like her.

My favourite thing about Greensborough Primary School is... the programs and the play equipment.

As a Junior School Council Representative, I am most excited about... listening to ideas, helping others and making others feel heard.

Name: Eloise

My strengths are... playing Basketball, Art and being funny.

When I grow up, I want to be... a Lawyer because they earn a lot of money and I would get to go in the Court Room.

My biggest role model is... Caitlin Clark because I love playing Basketball and she is a very good female Basketball player and WNBA role model.

My favourite thing about Greensborough Primary School is... the play equipment and the school grounds.

As a Junior School Council Representative, I am most excited about... fundraisers because we get to raise money for the school to get equipment and camp etc.

Pupil of the Week

2026 ~ Term 1 ~ Week 4

Prep	<i>Emilia</i>	Emilia has demonstrated consistent effort during all classroom activities.
Grade 1/2 A	<i>Neelabh</i>	Neelabh been showing kindness and respect in the classroom. He is always helping his peers in the classroom. Well done!
Grade 1/2 B	<i>Niki</i>	Niki has been showing great confidence when making new friends in the classroom. You are a great asset to 1/2B!
Grade 3/4 A	<i>Garrus</i>	Garrus has been showing an amazing attitude to his learning and trying his very best in all class activities. Great work, Garrus!
Grade 3/4 B	<i>Lee May</i>	Lee May, your writing this past week has been incredible! Keep up that fantastic work.
Grade 5/6 A	<i>Philippa</i>	Philippa has been pushing herself to achieve her best in Maths. Keep up the excellent effort Philippa!
Grade 5/6 B	<i>Fatima</i>	Fatima has been consistently demonstrating our school values by listening respectfully and being prepared for all lessons. Your effort does not go unnoticed!
Art	<i>Kyson 3/4A & Garrus 3/4A</i>	Kyson & Garrus worked really hard on developing their shading skills for their optical illusion artwork. Well done, Kyson and Garrus!
Library	<i>Bodhi 1/2B</i>	Bodhi has been sharing his ideas during our class discussions and creating a detailed Venn diagram to compare the characters' similarities and differences. Fantastic work, Bodhi!
LOTE Mandarin	<i>Billie G 5/6B</i>	Billie has been working hard learning what to do and not to do on the day of Chinese New Year. Well done, Billie
PE	<i>Arlowe 3/4A</i>	P.E's Pupil of the Week has been Arlo for your determination toward your interceptions. You are fast becoming a sports superstar
STEM	<i>Mia 1/2A</i>	S.T.E.M's Pupil of the Week has been Mia, for her wonderful design of her recycled toy. I loved her detail and labels on her design. Great work, Mia

2026 ~ Term 1 ~ Week 5

Prep	<i>Madi</i>	Madi has demonstrated consistent effort in his learning, and willingly supporting others in the classroom. Well done, Madi!
Grade 1/2 A	<i>Beth</i>	Beth has been working really hard in the classroom and is always showing kindness and following the rules and values. Well done!
Grade 1/2 B	<i>Vinnie</i>	Vinnie has been showing great kindness and friendship to her peers. Amazing work!
Grade 3/4 A	<i>Kira</i>	Kira has been demonstrating an amazing commitment to her learning. Keep up the wonderful work, Kira!
Grade 3/4 B	<i>Will</i>	For Will's outstanding achievement in your report about soldiers landing at Gallipoli. You really placed the reader in that time and place using some great descriptions.
Grade 5/6 A	<i>Victor</i>	Victor has been working exceptionally hard on his writing and achieving his best. Well done, Victor!
Grade 5/6 B	<i>Gino</i>	Gino has been striving for success by asking clarifying questions and using his time wisely in Literacy sessions.
Art	<i>Wes Prep</i>	Wes has been working confidently on his city building collage, made from geometric shapes. Great effort, Wes!
Library	<i>Jacob 5/6A</i>	Jacob has been confidently discussing attitudes towards belonging in texts and providing detailed evidence to support his ideas. Well done, Jacob!
LOTE Mandarin	<i>Arlowe 3/4A</i>	Arlowe has been working hard learning about Chinese fan dance and making Chinese fan in celebration of Chinese New Year
PE	<i>Joy 5/6A</i>	JOY, your skills in basketball and the way you defend without fouling is terrific.
STEM	<i>Olivia 5/6B</i>	Olivia has been working hard when learning about Monsoon season and experimenting with how rain forms in clouds. Well done, Olivia.
ISS	<i>Noah 3/4B</i>	Noah has shown great leadership and determination during ISS Bat tennis. Keep it up, Noah.

NORTHERN MELBOURNE MUSIC

Piano, Vocal and Guitar lessons available at Greensborough Primary School.

Learning to play an instrument should be fun (that's why they call it playing!). No matter your child's experience, Northern Melbourne Music is here to make sure that learning an instrument is fun, engaging and enriching through every stage of you or your child's musical journey.

We use student song choices and tested method books in lessons to give students autonomy over their learning and ensure good fundamentals are established.

Our timetables are developed with classroom teachers to ensure students are not taken during specialist lessons and have their music lessons at a time that suits.

Discover Excellence at Bundoora Secondary College

Prepare Your Child for Tomorrow's World – Enrol Now for 2027

At Bundoora Secondary College, we believe every student deserves an education that challenges, inspires and prepares them for a rapidly evolving future. Our innovative learning model goes beyond traditional schooling to develop capable, confident young people ready to thrive in their chosen pathways.

Learning That Moves at Your Child's Pace

Our Vertical Learning Model ensures students are challenged at the right level, not just grouped by age. This research-informed approach means your child receives targeted instruction matched to their readiness, with opportunities for acceleration when they're ready to progress. Rich, Engaging Curriculum Deep Learning Electives (Years 8-10) invite students into interdisciplinary studies that matter. Through inquiry-based learning and authentic problem-solving, students develop critical thinking skills while exploring topics that connect across subject areas and real-world contexts.

Exceptional Pathways for High Achievers

- Our REACH Extension Program opens doors to extraordinary opportunities:
- Early access to VCE and university-level studies
- Participation in the prestigious Centre for Higher Education Studies (CHES) – Bundoora SC proudly has 17 of Victoria's 100 selected students.
- Swinburne Children's University partnership
- Victorian High-Ability Program (VHAP) and Alpine School of Leadership experiences.

The CQEEES Advantage

Students build a powerful portfolio demonstrating their journey through five key areas: Certified academic achievement, Qualified vocational credentials, Experienced applied learning, Entrepreneurial capability, and Societal responsibility. This framework prepares students for university, employment and active citizenship.

Nationally recognized for our entrepreneur programs, Bundoora Secondary College is one of only 20 schools nationally selected for the Entrepreneurial Schools Project, embedding future-focused learning, student agency and innovation across our entire curriculum. Your child will develop real-world skills in leadership, problem-solving and creative thinking.

Join a community committed to excellence, innovation and student success.

Contact us today to arrange a school tour or join us at our Open Night on Wednesday 1st of April.
