Principal’s Report

It will be the end of an era this term when Robyn, our wonderful Wellbeing Worker, retires. Robyn has had a long and successful association with GPS that predates her role of Wellbeing Worker and will be sorely missed by students, staff and our parent community.

Robyn has volunteered many hours above and beyond her working day and we greatly appreciate the care and expertise she has shared with us. The list of activities and services Robyn has provided are too numerous to mention, but include Kids Hope Mentors, Breakfast Club, Foodbank, Lunchtime Games, Grief and Loss counselling, Social Skills development for individuals and groups, and planning and organising funding for Wellbeing Programs for targeted groups or whole classes, e.g. Martial Arts Therapy, Bikes At School, etc. Robyn has been invaluable in supporting our students and linking parents to services to support them at their point of need.

Greensborough Primary is richer for having Robyn on our staff and we wish her all the best as she begins a new chapter caring for her beautiful granddaughter. Robyn’s last day will be Tuesday 23rd June. Margaret and I will interview for a new 0.2 Wellbeing Worker next week – this role is funded by a Federal Government Grant.

Working Bee

Thankyou to all the parents and grandparents who came to help at our recent working bee. We greatly appreciated you generously giving your time, expertise and effort to weed, prune and mulch targeted areas. Thank you to Adrian and Rachel our school council members, who organised the working bee and listed tasks for completion. Thankyou also to the parents/grandparents who were unable to attend but have volunteered to come and weed garden beds in the future.

Circus Program –Term 3!

We’re looking forward to our Circus program returning in Term Three! Students will participate in six highly engaging circus skills sessions each Friday and the program will culminate with a concert for parents/family members. (Date and venue to be confirmed).

Circus classes are inclusive, creative and above all, fun! Tailored to the needs and abilities of our students and delivered in a familiar environment, it’s all about exploring what students are capable of - and being amazed by the results. Activities include juggling, floor displays, balance routines, drama incursions – and much more. On top of the sheer joy of joining in, participation boosts confidence and concentration levels, builds invaluable teamwork skills, improves co-ordination and uncovers hidden talents. A compass post will be sent to families for consent and payment before the end of term.

Parent/Teacher Interviews Wednesday 24th June

Bookings for Parent Teacher interviews will go live on COMPASS this afternoon at 4pm. Families with more than one student attending GPS are advised to book early to allow sessions to be booked closer together, rather than have large time gaps between meetings. Due to the need to avoid delays to parents, meetings will need to run on time and adhere to the ten-minute time allowance. Please contact your child's class teacher by Wednesday 17th June if an interpreter is required for interviews.

A quick guide for booking interviews was sent in a Compass post yesterday. If any families experience difficulties, please contact the office or your child's class teacher.

Parent/Teacher interviews will be held in the final week of Term Two on Wednesday 4th June from 2:10pm to 7:00pm.

Prep Parent/Teacher interviews will be held on a different day as Emily Zann will be on leave in the last week of term. A separate date will be sent to Prep parents.

Student Reports will be sent home via COMPASS on Friday 19th June.

2026 Curriculum Days

We have been able to lock in the date for our Term 3 Curriculum Day, so all remaining 2026 dates are listed below:

- **Term 3:** Thursday 6th August – Staff – School Wide Positive Behaviour Strategies
- **Term 4:** Monday 2nd November focussing on Data Analysis, Assessment & Reporting
- **Last day of Term 4:** Friday 18th December focussing on 2027 Planning

2027 Prep Enrolments

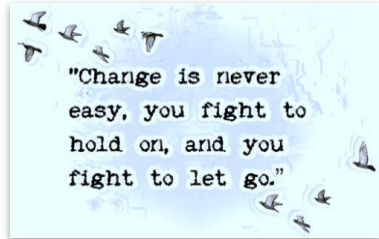

If any families know anyone who is coming to Greensborough Primary next year, please encourage them to register their details as soon as possible, (this includes siblings of current students). We have already had a number of enquiries and school tours for places in 2027 and the sooner we get a sense of our intake for next year, the sooner we can start planning for grade structures.

Student Wellbeing – A Farewell!

Hi Everyone,

I have been grappling with a major decision over several months now. But when my daughter and son-in-law asked if I could care for their beautiful, almost one year old, daughter while my daughter returned to work part-time to supplement their income, of course I couldn't refuse. My last day at GPS will be Tuesday, June 23rd 2026.

What a privilege and a joy it has been to be part of the GPS community! That is why it has taken me many months to reach this decision... I have decided to leave GPS allowing me to care for my precious granddaughter with the flexibility it will require. **SWAPPING ONE PRIVILEGE FOR ANOTHER PRECIOUS PRIVILEGE!**

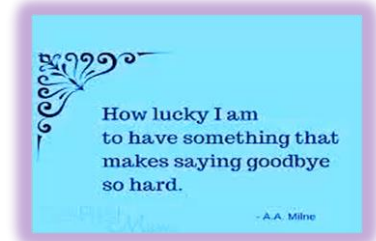

Thank you for allowing me to care for your precious children. I can honestly say I have enjoyed my time with them whether it was classroom activities, groups or one on one. Thank you also for allowing me into their lives.

I trust that a new Student Wellbeing worker will continue this privileged work at GPS, bringing his/her skill set and continue to love and care for you all.

As I begin closure with the students I work closely with, I will endeavour to focus on the positive memories: the fun, achievements, and happy memories of our time together. I want these precious children to recall happy memories to overcome the sadness that comes with saying goodbye.

I think we all can agree that saying goodbye is never easy. And while the word 'goodbye' has a rather negative emotional connotation in society, there is another way, a more positive way, to perceive it. Author, A.A. Milne, who is perhaps best known for his books about a teddy bear named Winnie-the-Pooh, once wrote: (see quote in blue box).

While saying goodbye does mean accepting that a part of our life is now over, it also provides us with a chance to realise just how blessed our lives have been – to look back and reflect on the journeys I've shared with some wonderful people, while being exposed to amazing and invaluable experiences. **Regardless of how long someone has been a part of our lives, whether it's five minutes, five years, or five decades, their impact will always remain with us.**

So, once again I say **THANK YOU** to the Principal Angela Morritt, Assistant Principal Margaret Hirth, Business Manager Meghan, classroom/specialist teachers, educational support staff, parents/carers and students!

OSHClub Newsletter – End of Term 2

As we approach the end of Term 2, we would like to thank all our families for their ongoing support throughout the term. We have loved sharing so many fun experiences and activities with your children.

A friendly reminder to book your child into our Holiday Headquarters (HHQ) program, as places can fill quickly. We have an exciting range of excursions, incursions, and special events planned throughout the holidays, offering plenty of opportunities for fun, learning, and new experiences. Please visit our website for more information and to secure your bookings.

We are also creating an OSHClub Cookbook and would love your family's involvement! We encourage all families to send through a favourite recipe for inclusion in our cookbook. Whether it's a treasured family meal, a delicious dessert, or a cultural favourite, we'd love to share it with our OSHClub community. (email- greensborough@oshclub.com.au)

We always welcome feedback and suggestions from our families as we continue to improve our program and provide the best possible experience for your children.

We hope you all have a wonderful remainder of Term 2 and enjoy a safe, relaxing break when it arrives.

Kind regards,

The OSHClub Team

Quality Area Reflection

Quality Reflection Area

As part of our ongoing commitment to continuous improvement, we are reflecting on our practices in line with the National Quality Standard.

This term our focus is Educational Program & Practice, with an emphasis on ensuring that all learning experiences are meaningful, engaging, and aligned with each child's individual needs, interests, and development.

Educators will be intentionally observing, planning, and adapting experiences to support children's learning outcomes, while also encouraging children's voice, choice, and agency within the program.

Department of Transport Notice

We're building a new signalised pedestrian crossing on Diamond Creek Road, south of Greenhill Road in Greensborough to improve pedestrian safety and access to bus stops.

When to expect us

Major construction works are expected to start from Monday 15 June and be completed by late 2026.

Most works will take place at night when traffic volumes are lower to keep road users and crews safe. Night works are expected to take place between 7:00pm and 6:00am, Sundays to Thursdays. Day works are expected to take place between 9:00am and 3:00pm, Mondays to Fridays. Please note, construction dates and times are subject to weather conditions and the contractor's program of works.

The switch on of the pedestrian lights will occur following construction works. There can sometimes be a delay between construction works finishing and lights being switched on as they are subject to connection and activation by the external power authority.

What to expect during works

- Lane closures during night works in both directions on Diamond Creek Road at the work site. Please follow the directions of traffic management signage and controllers on-site.
- A road closure during night works on Diamond Creek Road between Plenty River Drive and the Greensborough Bypass roundabout. This will occur towards the end of construction to complete asphalt and line marking works. Detours will be in place via Plenty River Drive and Civic Drive, and the Greensborough Bypass, Grimshaw Street, the Circuit and Main Street.
- Temporary no right turns into Greenhill Road and Avandina Crescent during night works.
- Temporary closures of parking lanes along this section of Diamond Creek Road.
- Intermittent closures of the northbound bike lane.
- Intermittent closures of footpaths, with traffic management controllers on site to assist pedestrians around the work site.
- Medium to high levels of noise. Crews use modern equipment to keep noise low, however the works will unavoidably emit some noise and light. We will schedule the noisiest works in the earlier part of the shift, where possible.
- Access to properties will be maintained.
- A reduced speed limit of 40km/h to ensure the safety of crews and all road users.

We're working closely with the North East Link to coordinate construction works and minimise disruptions to the community.

Please reach out via email or by calling 133 778 if you have questions about the construction works.

Kind regards

Natalie
